What Follows After Minotaur Books
New York Times Bestseller Winner of the
Los Angeles Times Book Prize Winner of
the J. Anthony Lukas Award "Nimbly
splices together history, science, reporting
and personal experiences into a taut and
cautiously hopeful narrative.... Egan's book
is bursting with life (and yes, death)."
—Robert Moor, New York Times Book
Review *The Great Lakes—Erie, Huron,
Michigan, Ontario, and Superior—hold 20
percent of the world's supply of surface
fresh water and provide sustenance, work,
and recreation for tens of millions of
Americans. But they are under threat as
never before, and their problems are
spreading across the continent. The Death
and Life of the Great Lakes is prize-
winning reporter Dan Egan's compulsively
readable portrait of an ecological
catastrophe happening right before our
eyes, blending the epic story of the lakes
with an examination of the perils they face*

and the ways we can restore and preserve
them for generations to come.

Fate's Mistake Revell

In this history of extinction and existential
risk, a Newsweek and Bloomberg popular
science and investigative journalist examines
our most dangerous mistakes -- and explores
how we can protect and future-proof our
civilization. End Times is a compelling work
of skilled reportage that peels back the layers
of complexity around the unthinkable -- and
inevitable -- end of humankind. From
asteroids and artificial intelligence to volcanic
supereruption to nuclear war, veteran science
reporter and TIME editor Bryan Walsh
provides a stunning panoramic view of the
most catastrophic threats to the human race.
In End Times, Walsh examines threats that
emerge from nature and those of our own
making: asteroids, supervolcanoes, nuclear
war, climate change, disease pandemics,
biotechnology, artificial intelligence, and
extraterrestrial intelligence. Walsh details the
true probability of these world-ending
catastrophes, the impact on our lives were
they to happen, and the best strategies for
saving ourselves, all pulled from his rigorous
and deeply thoughtful reporting and research.
Walsh goes into the room with the men and
women whose job it is to imagine the

unimaginable. He includes interviews with those on the front lines of prevention, actively working to head off existential threats in biotechnology labs and government hubs. Guided by Walsh's evocative, page-turning prose, we follow scientific stars like the asteroid hunters at NASA and the disease detectives on the trail of the next killer virus. Walsh explores the danger of apocalypse in all forms. In the end, it will be the depth of our knowledge, the height of our imagination, and our sheer will to survive that will decide the future.

The Scandal of Mercy Jrp Ringier

Jack Turner comes back to Culpepper to give a series of lectures for his old history professor. Within days, he starts having bizarre experiences at night. Like he's traveling back in time, experiencing the epic events in his lectures firsthand. He has no control over these experiences and can't make them stop. Joe Boyd thought he'd left big city crime back in Pittsburgh when he took a detective job in Culpepper, Georgia, a sleepy southern college town. His peaceful life ends when two students turn up dead in two weeks. The coroner is saying natural causes, but something doesn't add up. Rachel Cook, a teaching assistant at Culpepper, can't believe Jack is back in her life again. She's had a crush on him since she was fourteen, but Jack never knew. He instantly seems attracted to her, but she can tell...something is deeply troubling him. Watching all this from a distance is Nigel Avery. He's certain this experiment's about to unravel. It'll be his job to tie up all the loose ends when it does. Bestselling author Dan Walsh is known for page-turning storylines. Fans of his novels *The Discovery* and *What Follows After* will especially love...*When Night Comes*.

Magnify Bainbridge Press

NEW YORK TIMES BESTSELLER • The #1 New York Times bestselling author of *World War Z* is back with “the Bigfoot

thriller you didn't know you needed in your life, and one of the greatest horror novels I've ever read” (Blake Crouch, author of *Dark Matter* and *Recursion*). FINALIST FOR THE LOCUS AWARD As the ash and chaos from Mount Rainier's eruption swirled and finally settled, the story of the Greenloop massacre has passed unnoticed, unexamined . . . until now. The journals of resident Kate Holland, recovered from the town's bloody wreckage, capture a tale too harrowing—and too earth-shattering in its implications—to be forgotten. In these pages, Max Brooks brings Kate's extraordinary account to light for the first time, faithfully reproducing her words alongside his own extensive investigations into the massacre and the legendary beasts behind it. Kate's is a tale of unexpected strength and resilience, of humanity's defiance in the face of a terrible predator's gaze, and, inevitably, of savagery and death. Yet it is also far more than that. Because if what Kate Holland saw in those days is real, then we must accept the impossible. We must accept that the creature known as Bigfoot walks among us—and that it is a beast of terrible strength and ferocity. Part survival narrative, part bloody horror tale, part scientific journey into the boundaries between truth and fiction, this is a Bigfoot story as only Max Brooks could chronicle it—and like none you've ever read before. Praise for *Devolution* “Delightful . . . [A] tale of supernatural mayhem that fans of King and Crichton alike will enjoy.” —Kirkus Reviews (starred review) “The story is told in such a compelling manner that horror fans will want to believe and, perhaps, take the warning to heart.” —Booklist (starred review)

For John and Laura Foster, what began as a fairytale honeymoon in 1857 aboard the steamship SS Vandervere, quickly turns into a nightmare. A terrible hurricane

strikes and the grand ship begins to sink. Just before it goes under, a rescue ship appears on the horizon. But it only has room enough to save the women and children. Laura soon finds herself sailing away toward New York city on a ship filled with orphans and widows, to meet John's family whom she's never met. Desperate for a miracle, Laura braces herself to face life alone.

End Times Bainbridge Press
2nd Edition - Soon to be a Major Motion Picture - Selah Award Winner There are people in this world we pass right by without giving a second thought. Some have amazing stories to tell, if we only took the time to listen. The Reunion tells the story of Aaron Miller, an old Vietnam vet and handyman in a trailer park. Almost fifty years ago, Aaron saved the lives of three young men in a horrific battle, was even awarded the Medal of Honor. Severely wounded, he came home from the war and wound up losing everything. But God is a master at redeeming the lost things of life.

Unbeknownst to Aaron, someone is looking for him. And the one who finds him might just find the love of his life, as well.

The Dance Century

Lieutenant Joe Boyd gets some surprising news from his wife, Kate. He barely has time to process it when he's given an assignment to confront an aging ex-con, just paroled for a brutal

murder committed 36 years ago. The man's on his way back there now, even though he has no friends and no family left in Culpepper. The chief's convinced this can only mean trouble. When Joe and his partner Hank visit Sam Clemens, their instincts tell them there might be more to this story than anyone imagines. Much more. But their captain, the courts, and everyone else in town believes this murder was solved decades ago. Are they right? Is a paroled killer coming back to town now? Or has the real killer been here all along, roaming the streets of their lovely little town?

Keeping Christmas Del Rey

Saving Parker Penguin

Jack and Rachel leave Culpepper for their long-awaited honeymoon trip, a driving tour through New England. On day three, they stop at a little bayside town in Cape Cod to visit Jack's grandmother.

After he gets called away to handle an emergency, Rachel stays and listens as Jack's grandmother shares a remarkable story about how she and Jack's grandfather met in the early days of World War 2. It's a story filled with danger, decades-old family secrets, daring rescues and romance. Jack is named after his grandfather, and this story set the course and direction for Jack's life to the present day. After hearing it, Rachel is amazed that anyone survived.

The Dance Bainbridge Press

After years of abuse and neglect, Parker is found chained in a junk-filled backyard after a drug bust. The little guy is terrified of people. Officer Ned Barringer brings him to a nearby shelter for medical care. When Ned learns how hard it is for dogs like Parker to get adopted, he decides to take him in. He's also instantly taken with Kim Harper, one of the shelter managers. She offers to train Parker for free and Ned instantly accepts. That same day, he meets his next-door neighbor, a ten-year-old boy named Russell. Russell tries to hide a black-eye, compliments of two bullies at school. This angers Ned. He was also bullied as a child, the main reason he became a cop. But, really, what can he do? A series of tragic events occur. What vital role does Parker play in bringing these three lives together?

Shabash! Revell

For the first time since their children were born, empty nesters Judith and Stan Winters spent Thanksgiving without the kids, and it's looking like Christmas will be the same. Judith can't bring herself to even start decorating for the holiday; her kids always hung the first ornaments on the tree, ornaments they had made each year since they were toddlers. Sure they were strange-looking--some could be called downright ugly--but they were tradition. A tradition she's heartbroken to miss this year. With Judith refusing to decorate the bare spruce tree in their living room, Stan knows something must be done. And his only hope for saving the holiday is found in a box of handmade ornaments. Fan-favorite Dan Walsh invites readers to enjoy this nostalgic Christmas story that celebrates all of our most cherished seasonal traditions, especially the importance of family. Readers will join in remembering the things that make their own Christmas season so special.

Remembering Christmas

Bainbridge Press

Young history Professor Jack Turner is settling into his new position at Culpepper University, when he gets a surprise visit from his friend, police Sgt. Joe Boyd. Joe has started a new hobby, a fun pastime that's also helping him lose some weight - metal detecting. Joe asks if he can do this on Jack's lakefront property, which includes over a dozen acres

of woods. Intrigued by a hobby about the Islamic civilization that combines physical exercise and Jack's love of history, Jack asks to tag along. Neither man has any idea that this seemingly harmless hobby will cause their paths to cross with a 70-year-old mystery involving tragedy, smuggling, multiple murders and stolen Nazi loot. It's just an innocent hobby Jack tells his wife, Rachel. Really, what could go wrong?

The Reunion American Library Association

America's leading religious scholar and public intellectual introduces lay readers to the Qur'an with a measured, powerful reading of the ancient text Garry Wills has spent a lifetime thinking and writing about Christianity. In *What the Qur'an Meant*, Wills invites readers to join him as he embarks on a timely and necessary reconsideration of the Qur'an, leading us through perplexing passages with insight and erudition. What does the Qur'an actually say about veiling women? Does it justify religious war? There was a time when ordinary Americans did not have to know much about Islam. That is no longer the case. We blundered into the longest war in our history without knowing basic facts

with which we were dealing. We are constantly fed false information about Islam—claims that it is essentially a religion of violence, that its sacred book is a handbook for terrorists. There is no way to assess these claims unless we have at least some knowledge of the Qur'an. In this book Wills, as a non-Muslim with an open mind, reads the Qur'an with sympathy but with rigor, trying to discover why other non-Muslims—such as Pope Francis—find it an inspiring book, worthy to guide people down through the centuries. There are many traditions that add to and distort and blunt the actual words of the text. What Wills does resembles the work of art restorers who clean away accumulated layers of dust to find the original meaning. He compares the Qur'an with other sacred books, the Old Testament and the New Testament, to show many parallels between them. There are also parallel difficulties of interpretation, which call for patient exploration—and which offer some thrills of discovery. *What the Qur'an Meant* is the opening of a conversation on one of the world's most practiced religions.

Perilous Treasure Center

Point

In 1962, life was simple, the world made sense, and all families were happy. And when they weren't, everyone knew you were supposed to pretend. With their family about to collapse, Colt Harrison and his little brother, Timmy, hatched a plan. They would run away from their Florida home, head for their aunt's house in Savannah, Georgia, and refuse to come home until their parents got back together. But things go terribly, terribly wrong. Colt's mother and father must come to grips with years of neglect and mistrust in order to recover their sons, their love for one another, and their broken marriage. In this emotional story set against the backdrop of the Cuban Missile Crisis, Dan Walsh takes readers on a journey to rediscover the things that matter most in life—love, truth, and family. *When Night Comes* Bainbridge Press Cowgirl Trail is part of a six-book series about four generations of the Morgan family living, fighting, and thriving amidst a turbulent Texas history spanning from 1845 to 1896. Although a series, each book can be read on its own. In 1884 Maggie Porter returns to the Rocking P Ranch. The sanatorium was not able to save her mother and now her father's health is failing. When the cowboys walk off the job

leaving no one to drive the cattle to market, head ranch hand, Alex Bright, cannot convince the men to stay. How could Alex let this happen? Maggie is desperate to save the ranch and she turns to the town's women for help. The new cowgirls must herd, rope, and drive the cattle to market. With only two days left, outlaws charge the small band of cowgirls in an effort to start a stampede. The cattle begin to scatter. Will they lose everything? Where will their help come from?
