Dive: the discovery by gordan korman. At some point, the book finally starts to get interesting when Star feels like she ran out of air as she was going to retrieve the bullets! After that, the photographer went looking for treasure and thought he had seen something shiny in the water. He went to take a look and found out that it was just a soda can.

And what about those sharks . . . Dive is another action-packed trilogy from Gordon Korman. The narrative will shift between an account of two kids caught in the shipwreck and the story of the four kids fighting over and desperately trying to get the treasure.
