With their help, advice, and touring plans, the reader will have a one-up on anyone not using The Unofficial Guide to Disneyland. The book is the key to planning a perfect vacation in a great destination location.

The Unofficial Guides

Discover the amazing true story behind the world's most thrilling theme park resort! In the late 1980s, Universal decided to construct its first real theme park - right in Disney's backyard of Orlando, Florida. At the time, the company had never built a single theme park ride. Many predicted that it would be a disaster. It very nearly was. On Universal Studios Florida's opening day in 1990, all three of its major rides malfunctioned. Thousands of guests demanded refunds. And it got worse from there - eventually, the \$30 million Jaws ride was closed permanently. It was three years and a

further \$40 million before it would reopen. Through a combination of outrageous risk-taking, technical ingenuity and sheer persistence, Universal eventually carved out its own niche in Orlando. For the first time, "Universal Orlando: The Unofficial Story" reveals how the resort's incredible, ground-breaking rides were created, from Kongfrontation to Harry Potter and the Forbidden Journey. Go behind the scenes at Universal Orlando! How was King Kong's banana breath generated? How hot are the flames in Revenge of the Mummy: The Ride? How does the The Amazing Adventures of Spider-Man's "falling" effect work? What are the rocks underneath Hogwarts Castle made of? Does filming really take place on the streets of Universal Studios Florida? Whatever your questions about Universal Orlando, this book has the answers! Enhance your Universal Orlando visit As well as detailing the amazing special effects that are employed by the rides at Universal Studios Florida and Islands of Adventure, "Universal Orlando: The Unofficial Story" is also packed with hidden secrets that you can look out for during your next visit. Want to know where you can rent a time machine, or how to boost your score on Men in Black: Alien Attack? Look no further! What reviewers say about "Universal Orlando: The Unofficial Story" "Universal Orlando: The Unofficial Story is the only book currently available that covers the complete history and creation of the resort, from the onset to the present day. I was a bit skeptical because it is a self-published book but I was blown away with how good it was." - Amusement Authority "Universal Orlando: The Unofficial Story is the ultimate book about the creation and development of the Universal Orlando Resort. Relive the history of the resort from conception through the present day including all the bumps in the road along the way." - Coaster101.com Grab your copy now! "Universal Orlando: The Unofficial Story" is available in paperback format, or you can download it instantly to your Amazon Kindle or a

Kindle app on your tablet or smartphone. You can even start reading right away for FREE by clicking the "Look Inside" button above or by downloading a sample to your Kindle. What are you waiting for? Start reading now and enjoy an adventure through time as you discover how Universal Orlando developed into a place that has entertained tens of millions of people over more than two decades.

The Unofficial, Unauthorized, and Unprecedented History of Every Land, Attraction, Restaurant, Shop, and Major Event in the Original Magic Kingdom Author House

The Disneyland Book of Lists offers a new way to explore six decades of Disneyland® history.

Hundreds of fascinating lists cover the past and present and feature everything from the park's famous attractions, shops, restaurants, parades, and live shows to the creative artists, designers, characters, and performers who have made Disneyland® the world's most beloved theme park. Inside the pages of this fun- and fact-filled book you will find:

- 11 Movies Based on Disneyland® Attractions
- A Dozen World Records Set at Disneyland®
- In addition to lists created by author Chris Strodder (The Disneyland® Encyclopedia), the book will include lists from celebrities, Disneyland® experts and historians, Disneyland® Imagineers and designers, and other current and former Disneyland® employees.
- People have been making lists since Biblical times (think Seven Wonders of the Ancient World, compiled 2,100 years ago), and to this day various top tens, hit parades, and bucket lists chronicle every aspect of our lives. But until now, no book has used lists to categorize all the diverse elements in

13 of Walt Disney's Disneyland® Favorites • 32 Signs and Structures Reminding of Disneyland's® Past • A Dozen Scary Moments on Disneyland® Attractions • 47 Disneyland® Parades • 18 Secrets in the Haunted Mansion • 30 Jokes from the Jungle Cruise • 25 Special Events You May Not Have Heard Of • 15 Urban Legends • 123 Celebrity Guests • 26 Attractions

Disneyland®. Fun, fascinating, factual, and sixty years in the making, The Disneyland® Book of Lists is the only Disneyland® book of its kind.

Universal versus Disney: The Unofficial Guide to American Theme Parks' Greatest Rivalry

Simon and Schuster

must-have for any Disney World vacation. With hundreds of pages of highly detailed information on planning, staying, and surviving a visit to Walt Disney World, The Color Companion by Bob Sehlinger and Len Testa takes the Unofficial approach while also showing readers exactly where they'll be staying and what they'll be doing, all in a trim little book that's perfect for tucking into a backpack.

D Is for Disneyland The Unofficial Guides

Jungle Genesis. Disney's Animal Kingdom "hatched" in 1998, the fourth Walt Disney World theme

park, with its DNA an ambitious helix of conservation, animal appreciation, and thrill rides. Journalist Chuck Schmidt explores the genome of this "one-day park" that continues to expand and evolve.

Inventing Disneyland The Unofficial Guides

A propulsive and "entertaining" (The Wall Street Journal) history chronicling the conception and creation of the iconic Disneyland theme park, as told like never before by popular historian Richard Snow. One day in the early 1950s, Walt Disney stood looking over 240 acres of farmland in Anaheim, California, and imagined building a park where people "could live among Mickey Mouse and Snow White in a world still powered by steam and fire for a day or a week or (if the visitor is slightly mad) forever." Despite his wealth and fame, exactly no one wanted Disney to build such a park. Not his brother Roy, who ran the company's finances; not the bankers; and not his wife, Lillian. Amusement parks at that time, such as Coney Island, were a generally despised business, sagging and sordid remnants of bygone days. Disney was told that he would only be heading

toward financial ruin. But Walt persevered, initially financing the park against his own life insurance policy and later with sponsorship from ABC and the sale of thousands and thousands of Davy Crockett coonskin caps. Disney assembled a talented team of engineers, architects, artists, animators, landscapers, and even a retired admiral to transform his ideas into a soaring yet soothing wonderland of a park. The catch was that they had only a year and a day in which to build it. On July 17, 1955, Disneyland opened its gates...and the first day was a disaster. Disney was nearly suicidal with grief that he had failed on a grand scale. But the curious masses kept coming, and the rest is entertainment history. Eight hundred million visitors have flocked to the park since then. In Disney's Land, "Snow brings a historian's eye and a child's delight, not to mention superb writing, to the telling of this fascinating narrative" (Ken Burns) that "will entertain Disneyphiles and readers of popular American history" (Publishers Weekly). *The Unofficial Guide to Universal Orlando 2022* Triumph Books (IL) Discover the story of

Disneyland, Walt Disney's vision-ary theme park in Anaheim, California. This bountiful visual history includes stunning color photographs, con-cept drawings, as well as ephemera from the historical collections of the Walt Disney Company and the golden age of photojournalism, to trace the park's development and immersive world of magic and wonder, from Main Street, U.S.A. to Tomorrowland.

Walt Disney's vision for a city of tomorrow, EPCOT, would be a way for American corporations to show how technology, creative thinking, and hard work could change the world. He saw this project as a way to influence the public's expectations about city life, in the same way his earlier work had redefined what it meant to watch an animated film or visit an amusement park. Walt and the Promise of Progress City is a

personal journey that explores the process through which meaningful and functional spaces have been created by Walt Disney and his artists as well as how guests understand and experience those spaces.

The Unofficial Guide to the Evolution of Walt Disney's Dream Unofficial Guides

The most thorough guide to Disneyland and Disney's California Adventure A great destination and thorough preparation are what make a wonderful vacation, and The Unofficial Guide to Disneyland 2018 makes Disneyland one of the most

accessible theme parks in the world. With advice that is direct, prescriptive, and detailed, it takes the guesswork out of the reader's vacation. Whether you are at Disneyland for a day or a week, there is a plan for your group or family. You can enjoy the rides, activities, and entertainment instead of spending your time in lines. The Unofficial Guide to Disneyland authors Bob Sehlinger, Seth Kubersky, Len Testa, and Guy Selga, Jr. present the information in a comprehensive way that permits

easy comparisons and facilitates decision making. There are detailed plans and profiles of hotels, restaurants, and attractions that are presented in "at a glance" formats that provide for near-instant communication of the most salient information. Profiles are supplemented by indexes. In short, we've got a plan for every reader. The Unofficial Guide to Disneyland's research team is a multidisciplinary group consisting, among others, of data collectors, computer scientists, statisticians, and psychologists. With their help, advice, and touring plans, the reader will have a one-up on anyone else not using The Unofficial Guide to Disneyland. The book is the key to planning a perfect vacation in a great destination location.

Little Man of Disneyland (Disney Classic) The Unofficial Guides Universal Studios never really wanted to get into the theme park business. They wanted to be the anti-Disney. But when forced to do

so, they did it in a big way. Despite the fits and starts of multiple owners, the parks have finally gained the momentum to mount a serious challenge to the Walt Disney Company. How did this happen? Who made it happen? What does this mean for the theme park industry? In *Universal Versus Disney*, his newest work to investigate the histories of America's favorite theme parks, seasoned Disney-author Sam Gennawey has thoroughly researched how Universal Studios shook up the multi-billion dollar theme park industry, one so long dominated by Walt Disney and his legacy. *The Unofficial Guide to Disneyland 2020* Unofficial Guides How the Magic Was Born Once upon a

time, the swampy flatlands of central Florida were home to oranges, cattle, and alligators. Then a man came and said, "lo, there shall be a theme park." A few years later, swampland turned to fantasyland, as Walt Disney World arose. This is the story of how it happened. Jim Korkis, the world's premiere Disney historian, weaves a compelling, organized tale from the thousands of details, reports, and eyewitness accounts--some of them never before in print-- about the early days of the most magical place on earth. As with his companion book, *The Unofficial Disneyland 1955 Companion*, Korkis delivers a top-down history, from the perspective of high-level Disney executives to that of front-

line Disney cast members. Korkis begins with the initial surveys of the Disney World site in 1958 and takes the story through 1972, telling the complete and definitive story of how the park was designed and built, and how it was run during its first year. As Walt Disney stood on a swampy marsh in central Florida not long before his death in 1966, he did not see a wilderness, he saw a bright city of tomorrow, a towering castle, innovative hotels, and above all, families having fun in themed lands of wonder. We know how the story turned out, but now you can stand alongside Walt and experience it all over again, from the very beginning.
