The heartwarming and unforgettable story of a family and the wondrously neurotic dog who taught them what really matters in life. Now with photos and new material. Is it possible for humans to discover the key to happiness through a bigger-than-life, bad-boy dog? Just ask the Grogans. John and Jenny were just beginning their life together. They were young and in love, with not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley grew into a barreling, ninety-seven-pound streamroller of a Labrador retriever. He crashed through screen doors, gouged through drywall, and stole women's undergarments. Obedience school did no good -- Marley was expelled. But just as Marley joyfully refused any limits on his behavior, his love and loyalty were boundless, too. Marley remained a model of devotion, even when his family was at its wit's end. Unconditional love, they would learn, comes in many forms. Marley & Me is John Grogan's funny, unforgettable tribute to this wonderful, wildly neurotic Lab and the meaning he brought to their lives.

An African Story: The Marriage A&C Black

“ This feels like an Ian McEwan novel. Served on a bed of Cheever. I can ’ t offer higher praise than that. But written by a woman. Which is even better. ” — Elizabeth Gilbert Spanning the course of a single summer, Private Means is acclaimed memoirist Cree LeFavour ’ s sumptuous fiction debut—a sharply observed comedy of manners and a moving meditation on marriage, money, and loss. A deliciously compulsive first novel from New York Times Editor ’ s Choice author of Lights On, Rats Out, Cree LeFavour ’ s Private Means captures the very essence of summer in a sharply observed, moving meditation on marriage, money, and loss. It ’ s Memorial Day weekend and Alice ’ s beloved dog Maebelle has been lost. Alice stays in New York, desperate to find her dog, while her husband Peter drives north to stay with friends in the Berkshires. Relieved to be alone, Alice isn ’ t sure if she should remain married to Peter but she ’ s built a life with him. For his part, Peter is pleased to have time alone—he ’ s tired of the lost dog drama, of Alice ’ s coolness, of New York. A psychiatrist, he ponders his patients and one, particularly attractive, woman in particular. As the summer unfolds, tensions rise as Alice and Peter struggle with infidelity, loneliness, and loss. Escaping the heat of New York City to visit wealthy friends in the Hamptons, on Cape Cod and in the Berkshires, each continues to play his or her part in the life they ’ ve chosen together. By the time Labor Day rolls around, a summer that began with isolation has transformed into something else entirely. Matching keen observations on human behavior with wry prose, Private Means, with its sexy, page-turning plot, will draw fans of Nora Ephron and Meg Wolitzer. At once dark, funny, sad and suspenseful, LeFavour ’ s debut is a rare find: a tart literary indulgence with depth and intelligence.

Married . . . with Children premiered on Fox TV in 1987 and updated the Don Ameche and Frances Langford radio comedy series, The Bickersons, and Jackie Gleason's TV classic, The Honeymooners, with a raunchy, cutting-edge slant that focused on a lovable yet laughable family headed by endearingly flawed Al (Ed O'Neill), his housework-hating wife, sexy daughter, and randy son. For 11 seasons, the brilliant team of talent put the funk in dysfunctional. Rediscover the exhilarating humor and intellectual excitement in Denise Noe 's first book. She delves behind-the-scenes with Michael Moye, Ron Leavitt, Ed O ' Neill, Katey Sagal, Christina Applegate, David Faustino, David Garrison, Amanda Bearse, E. E. Bell, and Ritch Shydnar. You ' ll be fascinated by the story of how two rogue writers created a deliberately off-the-wall program; how it almost got derailed before production began; how a controversy could have plucked the series off the air but ended up injecting a much needed shot in the arm; how a reality-based show occasionally—and courageously—ventured into comedy with a fantasy, horror, and/or science fiction spin. A Story of a Marriage Through Dementia and Beyond Hachette UK

Keith Maze has inspired many people during his battle with cancer. Battle is a good way to describe it. Maze is more of a battler than a victim. Maze has always been a fan of the underdog, rooting for and helping them in any way he can. Even during the darkest days of battling the disease the talented singer organized or performed at many charity events. So who could have imagined that one of the underdogs he helped was, well, a dog? Maze found the Jack Russel named Wishbone annoying in the beginning. Between the frequent fights with another Jack Russel, and constantly dropping a plastic toy on top of Maze's shoe in an effort to get his attention, the dog was nothing more than a nuisance. But then the dog lost one of it's limbs in a tragic accident and everything changed. The two suddenly had something in common - being "Single Handed". This story will draw a tear to your eye, but have you laughing at the same time. Not only can you overcome adversity during the worst moments, you can also do it with a smile.

A Story of a Marriage Through Dementia and Beyond is the extraordinary, unflinching account from sociologist Laurel Richardson of her love and caregiving through the last period of her husband Ernest Lockridge's life - from his transient amnesia to his death from Lewy Body Dementia. Focusing on the lived experience of the caregiver through the loved one 's journey from mild cognitive impairment to death, the book gives the reader the experience of what the medical diagnoses mean and what has led up to the loss. It shows the complex, nuanced lives of a couple both living with the worst effects of a disease like Lewy Body Dementia, while maintaining, sometimes with hope and laughter, their loving connection nourished through a 40-year marriage. Dementia is a ‘ silver tsunami ’ - the third leading cause of death amongst senior populations. Richardson 's beautifully written book gives on-the-ground emotional support to those already in service as caregivers and helps prepare others for such service. Hospices, book clubs, and medical and allied professionals will find this book extraordinarily valuable. Weaving in autoethnographic and sociological methods and scholarship, as well as a list of reading and further resources for caregivers and scholars, this book will also appeal to courses in a wide range of disciplines and fields, including health communication, nursing and allied health, courses covering death and dying, end-of-life, and illness care, and, of course, scholars pursuing autoethnography, creative non-fiction, and qualitative methods.

Critically acclaimed master of the short story Amy Hempel's Tumble Home is narrated by people with skewed visions of home. Not exactly crazy, they become obsessed and irrational as their inner logic leads them astray. In the title novella, a woman living in a psychiatric halfway house writes to a man she has met only once. Proceeding in brief vignettes that link and illuminate, she recounts her peculiar life with the other patients. The accretions of anecdote lead deeper and deeper into the psyche and history of the narrator, gradually revealing the reason for her urgent letter.
