The Bravest Dog Ever Simon and Schuster
LONGLISTED FOR THE PEN/FAULKER AWARD ONE OF TIME’S 100 BEST BOOKS OF THE YEAR ONE OF NPR’S BEST BOOKS OF 2019 “All the tawdry details I’m dying for are in these stories, but they’re given out like old sweaters—without shame, without guile. Amy Hempel is the writer who makes me feel most affiliated with other humans; we are all living this way—hiding, alone, obsessed—and that’s ok.” —Miranda July From legendary writer Amy Hempel, one of the most celebrated and original voices in American short fiction: a ravishing, sometimes heartbreaking new story collection—her first in over a decade. Amy Hempel is a master of the short story. A multiple award winner, Hempel is highly regarded among writers, reviewers, and readers of contemporary fiction. This new collection, her first since her *Collected Stories* published more than a decade ago, is a literary event. These fifteen exquisitely honed stories reveal Hempel at her most compassionate and spirited, as she introduces characters, lonely and adrift, searching for connection. In “A Full-Service Shelter,” a volunteer at a dog shelter tirelessly, devotedly cares for dogs on a list to be euthanized. In “Greed,” a spurned wife examines her husband’s affair with a glamorous, older married woman. And in “Cloudland,” the longest story in the collection, a woman reckons with the choice she made as a teenager to give up her newborn infant. Quietly dazzling, these stories are replete with moments of revelation and transcendence and with Hempel’s singular, startling, inimitable sentences.

A Marriage Carol Vintage
Amy Hempel's compassion, intensity, and illuminating observations have made her one of the most distinctive and admired modern writers. In three stunning books of stories, she has established a voice as unique and recognizable as the photographs of Cindy Sherman or the brushstrokes of Robert Motherwell. The *Dog of the Marriage*, Hempel's fourth collection, is about sexual obsession, relationships gone awry, and the unsatisfied longings of everyday life. In "Offertory," a modern-day Scheherazade entertains and manipulates her lover with stories of her sexual encounters with a married couple as a very young woman. In "Reference # 388475848-5," a letter contesting a parking ticket becomes a beautiful and unnerving statement of faith. In "Jesus Is Waiting," a woman driving to New York sends a series of cryptically honest postcards to an old lover. And the title story is a heartbreaking tale about the objects and animals and unmired desires that are left behind after death or divorce. These nine stories teem with wisdom, emotion, and surprising wit. Hempel explores the intricate psychology of people falling in and out of love, trying to locate something or someone elusive or lost. Her sentences are as lean, original, and startling as any in contemporary fiction.

From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn’t stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn’t see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn’t know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I’ve spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

A quietly powerful presence in American fiction in during the past two decades, these collected stories show the true scale of Hempel's achievement. “This feels like an Ian McEwan novel. Served on a bed of Cheever. I can’t offer higher praise than that. But written by a woman. Which is even better.”— Elizabeth Gilbert Spanning the course of a single summer, *Private Means* is acclaimed memoirist Cree LeFavour’s sumptuous fiction debut—a sharply observed comedy of manners and a moving meditation on marriage, money, and loss. A deliciously compulsive first novel from New York Times Editor’s Choice author of *Lights On*, *Rats Out*, Cree LeFavour’s *Private Means* captures the very essence of summer in a sharply observed, moving meditation on marriage, money, and loss. It's Memorial Day weekend and Alice’s beloved dog Maebelle has been lost. Alice stays in New York, desperate to find her dog, while her husband Peter drives north to stay with friends in the Berkshires. Relieved to be alone, Alice isn&apost sure if she should remain

married to Peter but she’s built a life with him. For his part, Peter is pleased to have time alone—he’s tired of the lost dog drama, of Alice’s coolness, of New York. A psychiatrist, he ponders his patients and one, particularly attractive, woman in particular. As the summer unfolds, tensions rise as Alice and Peter struggle with infidelity, loneliness, and loss. Escaping the heat of New York City to visit wealthy friends in the Hamptons, on Cape Cod, and in the Berkshires, each continues to play his or her part in the life they’ve chosen together. By the time Labor Day rolls around, a summer that began with isolation has transformed into something else entirely. Matching keen observations on human behavior with wry prose, Private Means, with its sexy, page-turning plot, will draw fans of Nora Ephron and Meg Wolitzer. At once dark, funny, sad, and suspenseful, LeFavour’s debut is a rare find: a tart literary indulgence with depth and intelligence.

A Marriage in Dog Years Simon and Schuster

A New York Times Notable Book of 2011 A Publisher's Weekly Top 10 Book of 2011 A Kirkus Reviews Top 25 Best Fiction of 2011 Title One of Library Journal's Best Books of 2011 A Salon Best Fiction of 2011 title One of The Telegraph's Best Fiction Books of the Year 2011 It's the early 1980s—the country is in a deep recession, and life after college is harder than ever. In the cafés on College Hill, the wisened-up kids are inhaling Derrida and listening to Talking Heads. But Madeleine Hanna, dutiful English major, is writing her senior thesis on Jane Austen and George Eliot, purveyors of the marriage plot that lies at the heart of the greatest English novels. As Madeleine tries to understand why "it became laughable to read writers like Cheever and Updike, who wrote about the suburbia Madeleine and most of her friends had grown up in, in favor of reading the Marquis de Sade, who wrote about deflowering virgins in eighteenth-century France," real life, in the form of two very different guys, intervenes. Leonard Bankhead—charismatic loner, college Darwinist, and lost Portland boy—suddenly turns up in a semiotics seminar, and soon Madeleine finds herself in a highly charged erotic and intellectual relationship with him. At the same time, her old "friend" Mitchell Grammaticus—who's been reading Christian mysticism and generally acting strange—resurfaces, obsessed with the idea that Madeleine is destined to be his mate. Over the next year, as the members of the triangle in this amazing, spellbinding novel graduate from college and enter the real world, events force them to reevaluate everything they learned in school. Leonard and Madeleine move to a biology Laboratory on Cape Cod, but can't escape the secret responsible for Leonard's seemingly inexhaustible energy and plunging moods. And Mitchell, traveling around the world to get Madeleine out of his mind, finds himself face-to-face with ultimate questions about the meaning of life, the existence of God, and the true nature of love. Are the great love stories of the nineteenth century dead? Or can there be a new story, written for today and alive to the realities of feminism, sexual freedom, prenups, and divorce? With devastating wit and an abiding understanding of and affection for his characters, Jeffrey Eugenides revives the motivating energies of the Novel, while creating a story so contemporary and fresh that it reads like the intimate journal of our own lives.

A Today Show Summer Reads Pick A Washington Post Book of the Year "We think we know the ones we love." So Pearlle Cook begins her indirect, and devastating exploration of the mystery at the heart of every relationship--how we can ever truly know another person. It is 1953 and Pearlle, a dutiful young housewife, finds herself living in the Sunset District in San Francisco, caring not only for her husband's fragile health, but also for her son, who is afflicted with polio. Then, one Saturday morning, a stranger appears on her doorstep, and everything changes. Lyrical, and surprising, The Story of a Marriage is, in the words of Khaled Housseini, "a book about love, and it is a marvel to watch Greer probe the mysteries of love to such devastating effect."

The Marriage Game Sourcebooks, Inc.

This poignant debut by Gavin Bradley explores the emotional toll of different kinds of separation: from a partner, a previously held sense of self, or a home and the people left behind. The main narrative describes the deterioration of a long-term relationship, interweaving poems dealing with the loneliness of immigration and the anxiety of separation from Northern Ireland, the poet’s homeland. These personal poems enter their stories through a variety of characters and places, from dock builders to dogs, from shorelines to volcanoes, to “mouths soft and humming like beehives.” Other sections of the collection examine a post-Troubles’ experience in Northern Ireland (evoking the lived-experience of growing up with bombs and domineering Catholicism), tell grandfather stories, and show a lasting love for the people, the language, and the land. Separation Anxiety ultimately conveys a message of hope, reminding us that “we’ll be remembered for / ourselves, and not the spaces we / leave behind.”
