family is
missing—and the
police won't get

involved because all the evidence indicates that his wife left willingly. So the successful Baltimore furrier turns to Tess Monaghan, hoping she can help him find his wife and three children. Tess doesn't quite know what to make of Rubin, who doles out vitally important information in grudging dribs and drabs. According to her client, he and his beautiful wife, Natalie, had a flawless, happy marriage. Yet one day, without any warning or explanation, Natalie gathered up their children and vanished. Tapping into a network of fellow investigators spread across the country, Tess is soon able to locate the runaway wife and the children

who have been moving furtively from state to state, town to town. But the Rubins are not alone. A mysterious man is traveling with them, a stranger described by witnesses as "handsome" and "charming" but otherwise unremarkable. And the deeper Tess digs, the more she suspects that the motive behind Natalie's reckless flight lies somewhere in the gap between what Rubin will not say and what he refuses to believe. An intricate web of betrayal and vengeance is already beginning to unfold, as memory begets rage, and rage begets desperation...and murder. Suddenly, much more than one man's future happiness and

stubborn pride are in
peril. For the lives of
three innocent
children are dangling
by the slenderest of
threads.

which would carry

my worst
disappointments
was the case of a
very old woman,
who, I am
assured, knows
more of such
things than
anyone in the

world, but whom nothing can induce to repeat them now. She has grown so toothless and tremulous and inconsecutive, that it is not easy to understand her; but I think her arguments are not difficult to appreciate in the following way,—that having had a long run of weary bad fortune, she had rather not dwell on stories where things turned out as one could wish to have them. She wants to go to heaven, she says, and so she believes in God, and whatever else she must believe; but

for anything more, for special interpositions of Providence, and anything one is not obliged to believe, she had rather say nothing about all that. 'But don't tell them then as if you believed them; tell them only as a pastime; just to oblige me.' I thought I had moved her, but the utmost she would yield was to promise to think about it before I came again she was as rigid as ever. It is vexatious to think that a vast store is going to the grave with her under one's very eyes

and that one cannot touch it. The Dark Angel Hachette UK Commissario Brunetti's hopes of a refreshing family holiday in the mountains are once again dashed when a gruesome discovery is made in Marghera — a body so badly beaten the face is unrecognizable. Brunetti searches Venice for someone who can identify the dead man. But he is met with a wall of silence. Then he receives a telephone call from a contact who promises some tantalizing information. And before the night is out Brunetti is

confronting yet another appalling and apparently senseless death... The Anonymous Venetian Europa Editions Aurelio Zen—cynical and tough, yet worn down from years of law enforcement—has just been given the worst assignment he could imagine. He has been sent to the heart of hostile territory: Sicily, the ancient, beautiful island where blood has been known to flow like wine, and the distinction between the police and the criminals is a fine one. Even

worse, he has been sent to spy on the elite anti-Mafia squad. The only thing that makes the job palatable—and takes his mind off routine details like the rotting body found in a remote train car—is that Zen's adopted daughter, Carla, is also in town. But life becomes precarious for Carla when she stumbles upon some information she'd be better off not knowing and befriends a local magistrate on the Mafia's most wanted list. What ensues is a breakneck plot of

amazing complexity that culminates in a stunning finale. Blood Rain, emotionally gripping and defiantly original, is surely one of Dibdin's finest works. Red Brigades Pan Books Questa raccolta di poesie e di racconti popolari anonimi in dialetto molisano tracciano il percorso di due storie che, pur diversificate, si compenetrano e si completano a vicenda: la storia individuale dell'autore e la storia collettiva della società di un paese del Sud. Le immagini di un mondo apparentemente immobile e arcaico si

alternano alle vicende di una realta storica complessa e tormentata, nel cui magma vecchio e nuovo si scontrano e si fondono. This collection of poems and anonymous folktales in the Molisan dialect traces the unfolding of two stories which, although distinct, interweave and complete each other: the author's individual story and the story of a town in the South of Italy. The images of an apparently immobile and archaic world alternate with the events of a complex and tormented historical reality, in whose magma the new and the old clash and fuse."

On a hot summer morning, Arturo Clemente is sloppily murdered in his Roman apartment by a mysterious slasher. When his wife, an eminent politician, finds his body, she swiftly springs into action--by calling the Ministry of the Interior. By the time police inspector Alec Blume arrives at the scene, evidence has been collected, command taken, and, in short--his investigation has been compromised. As the details of the

case continue to trickle out, Blume soon realizes he is being watched from on high--and that solving this crime may be the least of his worries. Losing sleep and unsure who to trust, Blume feels the case spinning out of control: does anyone involved even want justice? At what price will it come? And who runs this town--the police, the politicians, or organized criminals? In this riveting novel, we are introduced to Blume, an American expatriate and seasoned police

veteran. Intelligent yet sometimes petulant, instinctive yet flawed, Blume is a likeable and trustworthy protagonist for this, the first installment of a gritty and promising series. Pre-order now: The gripping new book by the UK's most eminent forensic scientists, Angela Gallop _____

CRIME [Noun]: An action or omission which constitutes an offence and is punishable by law
Forensic science is one of the most important aspects of any criminal investigation. The impartial and objective evidence it provides can help convict the innocent and incarcerate the guilty. It enables courts to have the confidence in their decisions and to ensure that justice is done. Professor Angela Gallop has been at the forefront of forensics for more than 45 years. During her remarkable career, she has established and run forensic science laboratories

and has worked on thousands of cases in the UK and across the world. In *How to Solve a Crime*, she describes some of her own and her colleagues most intriguing cases and the wide range of skills and techniques used to solve them. Whether it's looking at blood patterns and footwear marks at crime scenes to work out what happened, extracting data from suspects mobile phones to discover where they were at critical times, or analysing fragments of textiles fibers, glass or paint to determine where they might have come from, Gallop shows that every

contact really does leave a trace and every trace can help to solve a crime. With unparalleled access and insight across a wide range of specialisms, *How to Solve a Crime* is a fascinating definitive and authoritative account of real-life forensic science. _____ Praise for *WHEN THE DOGS DON'T BARK* 'Fascinating' *Guardian* 'Offers a chilling glimpse into her life's work. . . fascinating stuff' *Sunday Times* 'Compelling' *Daily Mirror* 'A casebook that reads like *The Encyclopaedia of Murder*' *Daily Express* 'One of the professions leading lights' *Woman &*

Blood from a

Stone The Dogs of Rome
The first installment in the delightful, internationally

acclaimed series featuring Chief of Police Bruno. Meet Benoît Courrèges, aka Bruno, a policeman in a small village in the South of France. He's a former soldier who has embraced the pleasures and slow rhythms of country life. He has a gun but never wears it; he has the power to arrest but never uses it. But then the murder of an elderly North African who fought in the French army changes all that. Now Bruno must balance his beloved

routines—living in his restored shepherd's cottage, shopping at the local market, drinking wine, strolling the countryside—with a politically delicate investigation. He's paired with a young policewoman from Paris and the two suspect anti-immigrant militants. As they learn more about the dead man's past, Bruno's suspicions turn toward a more complex motive. When an Italian

kingpin falls, a battle of successors begins in this "razor-sharp political thriller set in Berlusconi 's Rome" (The New Statesman). Things are changing in Rome. The new Pope, determined to reform the Vatican, proclaims an extraordinary Jubilee year, one "of Mercy." A new center-left government replaces its disgraced predecessor. And with the underworld kingpin Samurai in jail, his protégé Sebastiano Laurenti plans to establish himself as his designated successor. But to do it, he must reckon with a new generation of

gangsters and racketeers edging in on the corrupt profits to be made off the Jubilee 's public works. Meanwhile, Laurenti must also keep an eye on the ambitious newly elected politician Chiara Visone. As the sharks circle and the street-dogs fight, a tenuous hope endures. An incorruptible politician of the old left is about to forge an unlikely alliance with a young bishop who refuses to play the Vatican 's power games. Sharp, dark, and taut, The Night of Rome is fiction that sails dangerously close to the wind of current events.

 Now a major BBC4 television series
 From the Italian crime legend, Andrea Camilleri, comes *The Potter's Field*, a dark mystery featuring the inimitable Inspector Montalbano. While *Vig à ta* is wracked by storms, Inspector Montalbano is called to attend the discovery of a dismembered body in a field of clay. Bearing all the marks of an execution style killing, it seems clear that this is, once again, the work of the notorious local mafia. But who is the victim? Why was the body divided into thirty pieces? And what is the significance of *The Potter's Field*? Working to decipher these clues, Montalbano must also confront the strange and difficult behaviour exhibited by his old colleague Mimi, and avoid the distraction of the enchanting Dolores Alfano - who seeks the inspector's help in locating her missing husband. But like *The Potter's Field* itself, Montalbano is on treacherous ground and only one thing is certain - nothing is quite as it seems . . .

The Potter's Field is followed by *The Age of Doubt*, the fourteenth in the series. **PRAISE FOR THE SERIES**

Turn Uncomfortable Conversations into Meaningful Dialogue
If you believe that talking about race is impolite, or that "colorblindness" is the preferred approach, you must read this book. Race Talk and the Conspiracy of Silence debunks the most pervasive myths using evidence, easy-to-understand examples, and practical tools. This significant work answers all your questions about discussing race by covering:
Characteristics of typical, unproductive conversations on race
Tacit and explicit social rules related to talking about racial issues
Race-specific difficulties and misconceptions

regarding race talk
Concrete advice for educators and parents on approaching race in a new way "His insistence on the need to press through resistance to have difficult conversations about race is a helpful corrective for a society that prefers to remain silent about these issues." —Christopher Wells, Vice President for Student Life at DePauw University
"In a Canadian context, the work of Dr. Derald Wing Sue in Race Talk: and the Conspiracy of Silence is the type of material needed to engage a populace that is often described as 'Too Polite.' The accessible material lets individuals engage in difficult conversations about race and racism in ways that make the uncomfortable topics

less threatening, resulting in a true 'dialogue' rather than a debate." —Darrell Bowden, M Ed. Education and Awareness Coordinator, Ryerson University "He offers those of us who work in the Diversity and Inclusion space practical tools for generating productive dialogues that transcend the limiting constraints of assumptions about race and identity." —Rania Sanford, Ed.D. Associate Chancellor for Strategic Affairs and Diversity, Stanford University "Sue's book is a must-read for any parent, teacher, professor, practioner, trainer, and facilitator who seeks to learn, understand, and advance difficult

dialogues about issues of race in classrooms, workplaces, and boardrooms. It is a book of empowerment for activists, allies, or advocates who want to be instruments of change and to help move America from silence and inaction to discussion, engagement, and action on issues of difference and diversity. Integrating real life examples of difficult dialogues that incorporate the range of human emotions, Sue provides a masterful illustration of the complexities of dialogues about race in America. More importantly, he provides a toolkit for those who seek to undertake the courageous journey of understanding and facilitating difficult conversations about

race." —Menah Pratt-Clarke, JD, PhD, Associate Provost for Diversity, University of Illinois Urbana-Champaign
