In Italian police inspector Aurelio Zen, Michael Dibdin has given the mystery one of its most complex and compelling protagonists: a man wearily trying to enforce the law in a society where the law is constantly being bent. In this, the first novel he appears in, Zen himself has been assigned to do some law bending. Officials in a high government ministry want him to finger someone--anyone--for the murder of an eccentric billionaire, whose corrupt dealings enriched some of the most exalted figures in Italian politics. But Oscar Burolo's murder would seem to be not just unsolvable but impossible. The magnate was killed on a heavily fortified Sardinian estate, where every room was monitored by video cameras. Those cameras captured Burolo's grisly death, but not the face of his killer. And that same killer, elusive, implacable, and deranged, may now be stalking Zen. Inexorable in its suspense, superbly atmospheric, *Vendetta* is further proof of Dibdin's mastery of the crime novel.

Professor Pitagora is up-front about his political beliefs, but could his strange psychological program be masking something important? All the investigators know the two crimes form part of the same nexus, but Blume believes he can find clues through the Professor. If only he were actually assigned to this case... Meanwhile, Blume has been living with Caterina and not finding it easy - or rather, poor old Caterina is not finding it easy living with him. Will the strains in their relationship lead Blume astray? And can he successfully navigate the ranks of his distrustful colleagues, a rocky relationship, and a high-profile investigation--all without crossing the line? *Catena Librorum Tacendorum* Bloomsbury Publishing USA

That much becomes clear when his body is discovered mere feet away from the office of another Matteo Arconti--a court magistrate known for his close scrutiny of mafia movements. This namesake killing broadcasts a clear message of defiance and intimidation from a powerful crime syndicate. But whom, exactly, is the murder intended to intimidate? Commissario Alec Blume thinks he knows who's behind it all--Italy's most efficient and secretive mafia, the Ndrangheta, whose principals have operated untouchably from Germany for years. This is Blume's chance to lure the arrogant mafiosi out of their hiding place. As a personal friend of Judge Arconti, however, Blume is too close to the case to formally investigate. Handing control over to his partner, Caterina Mattioli, he willingly takes a backseat--that is, until he decides to speed things up and secretly falsifies a mob wife's confession. This plan forces Blume into an electrifying chase across Italy, from Naples to Calabria. As he races to right his wrongs and save innocent lives, Commissario Blume must ask himself whether he has finally gone too far...

In *Living under the Evil Pope*, Martina Mampieri presents the *Hebrew Chronicle of Pope Paul IV*, written in the second half of the sixteenth century by the Italian Jewish moneylender Benjamin Ne'emiah ben Elnathan (alias Guglielmo di Diodato) from Civitanova Marche. The text remained in manuscript for about four centuries until the Galician scholar Isaiah Sonne (1887-1960) published a Hebrew annotated edition of the chronicle in the 1930s. This remarkable source offers an account of the events of the Papal States during Paul IV's pontificate (1555-59). Making use of broad archival materials, Martina Mampieri reflects on the nature of this work, its historical background, and contents, providing a revised edition of the Hebrew text as well as the first unabridged English translation and commentary. Martina Mampieri has been granted a special mention of excellence in the Alberigo Award 2021 by the European Academy of Religion and Fondazione per le Scienze Religiose. (<https://www.europeanacademyofreligion.org/alberigo-award>) "Martina Mampieri provides scholars with a source of great interest, which helps better understand the complex period following the election of Pope Paul IV Carafa from a Jewish perspective. This is undoubtedly an important book that contributes to the advancement of our knowledge regarding that historical moment." -Alessandra Veronese, *AJS Review* 45/1 (2021) "This valuable source is now available to the many - the many including, and this is no small thing, those who study the history of historical writing for itself as that writing began emerging from the shadows at just this time. We are deeply indebted." -Kenneth Stow, University of Haifa, Emeritus, *Journal of Modern Jewish Studies* 20/1 (2021)

When an immigrant dies on a Venice street, it will take a determined detective to pursue the case to its shocking end: “ [An] outstanding series. ” —Marilyn Stasio, *The New York Times Book Review* On a cold Venetian night shortly before Christmas, a street vendor is killed in a scuffle in Campo San Stefano. The closest witnesses to the event are the tourists who had been browsing the man ' s wares before his death—fake handbags of every designer label. The dead man was one of the many African immigrants purveying goods outside normal shop hours and trading without a work permit. Once Commissario Guido Brunetti begins to investigate this unfamiliar Venetian underworld, he discovers that matters of great value are at stake within the secretive society. And his boss ' s warning to avoid getting involved only makes Brunetti more determined to unearth the truth behind this mysterious killing. “ [A] stunning novel . . . an engrossing, complex plot. ” —*Publishers Weekly*, starred review “ The appeal of Guido Brunetti, the hero of Donna Leon ' s long-running Venetian crime series, comes not from his shrewdness, though he is plenty shrewd, nor from his quick wit. It comes, instead, from his role as an Everyman . . . [his life is] not so different from our own days at the office or nights around the dinner table. Crime fiction for those willing to grapple with, rather than escape, the uncertainties of daily life. ” —*Booklist*
