The Dragon Lords 3: Bad Faith Independently Published
He's a supreme dragon lord at the height of his power, but there's a conspiracy brewing. Old Dark

is a viperous dragon lord who rules the world with brute force. For two hundred years, he and his dragons have terrorized humanity, forcing it to pay tribute or die. Dark's palace of blood and bone sits on caverns of treasure. He's stockpiled all the world's magic for his own personal use, making him akin to a god. There is another dragon in Dark's inner circle who wants Dark's power and fortune for himself. And if Dark doesn't stop his own overthrow, he'll suffer a fate far worse than death. But Dark won't fall easily. There's a reason the ancients called him Dark the Wicked... Old Dark is a different kind of dark fantasy, told through the eyes of a blood-thirsty dragon. Readers who like antiheroes, the Age of Fire series, and Smaug from Lord of the Rings will love this heart-pounding story of power, revenge, and true evil. V1.0

Old Dark (Book 1) Rabbit Room Press
USA Today bestselling author Kiersten Fay continues her wickedly sexy Dragon Lords series with this seductive tale of a fierce dragon shifter and the passionate human female who beguiles him. Trapped in an alien spacecraft through no fault of her own, Jessie Knight is jettisoned into space and intercepted by a mysterious group of soldiers who call themselves dragon shifters. Thrust into a world of myth, legend, and danger, she discovers she may not be entirely human as she begins to develop latent powers that both captivate and mystify her. Placed under the protection of a gorgeous dragon shifter named Orik, she quickly realizes she must conceal her new abilities or be declared his enemy. No one knows better than Orik Theroux of the King's Guard that witches are heartless and ruthless killers who must be stamped out of existence. Orphaned by a group of them at a young age, he has vowed to destroy every last witch who crosses his path...until he begins to fall for an exquisite human female who turns out to be more than she seems. When the palace is besieged by witches, he must decide if he can trust Jessie with his life...and his heart. SEDUCED BY THE DRAGON LORD is the second book in this Shadow Quest spin-off series, focusing on dragon shifters and witches, but there are plenty of cameos from the original series. About the Dragon Lords series USA Today bestselling author Kiersten Fay introduces this steamy new scifi paranormal romance series with dragon shifters, alpha males, beguiling witches, and strong female leads. Dragon Lords is a spinoff of Kiersten's beloved Shadow Quest series and exists in the same world, but each book can be read as a stand alone. Filled with action, adventure, steamy hot romance, and suspense, Dragon Lords will suck you in and keep you reading far past your bedtime. If you enjoy authors like Kresley Cole, Gena Showalter, and Laura Adrian, you will love Kiersten Fay's Dragon Lords series. Kiersten's other books consist of demons and vampires and every other supernatural creature you could imagine. She loves writing bad boys, enemies to lovers, and fantasy romance, all with strong heroines with a feisty edge.

NY Times Bestselling Author E.G. Foley brews up a magical potion for fantasy readers of all ages! Take a dash of Harry Potter and a splash of Oliver Twist, add a pinch of steampunk and a sprinkle of Victorian fairy lore, and what do you get? The Gryphon Chronicles! A rollicking fantasy adventure series that's as much fun for grownups as it is for kids. It has begun. A fiery, unprovoked attack. War between mages and warlocks erupts. The Order stands on the precipice of destruction, while a deadly new leader rises to fight for control of the sinister Dark Druid brotherhood. For Jake Everton, the valiant young Earl of Griffon, and his brave band of friends, the stakes could not be higher. On their own, hunted by maleficent enemies, the kids must rely on one another (and Red the Gryphon) more than ever to survive. But evil has its eye on Jake, and the mysterious prophecy swirling over his head leaves him wondering if he really could be the one to destroy the dragon lord and his ruthless followers-or if the darkness rising on all sides will swallow him up... Don't miss this sweeping tale of good versus evil in the next pulse-pounding installment of The Gryphon Chronicles, where the fate of the human and magical worlds alike may rest upon the courage of the roguish boy hero, his fierce pet Gryphon, and the gutsy young adventurers willing to follow him to the gates of Hades itself. "A wonderful novel in the same vein as Harry Potter, full of nonstop action, magical creatures, and the reality that was Queen Victoria's England." The Dragon Lords: False Idols Orbit

Why did the Vikings sail to England? Were they indiscriminate raiders, motivated solely by bloodlust and plunder? One narrative, the stereotypical one, might have it so. But locked away in the buried history of the British Isles are other, far richer and more nuanced, stories; and these hidden tales paint a picture very different from the ferocious pillagers of popular repute. Eleanor Parker here unlocks secrets that point to more complex motivations within the marauding army that in the late ninth century voyaged to the shores of eastern England in its sleek, dragon-prowed longships. Exploring legends from forgotten medieval texts, and across the varied Anglo-Saxon regions, she depicts Vikings who came not just to raid but also to settle personal feuds, intervene in English politics and find a place to call home. Native tales reveal the links to famous Vikings like Ragnar Lothbrok and his sons; Cnut; and Havelok the Dane. Each myth shows how the legacy of the newcomers can still be traced in landscape, place-names and local history. This book uncovers the remarkable degree to which England is Viking to its core.
