Through Wolf's Eyes Crown Books for Young Readers

A startlingly prescient treatise on the cybernetic automation of society and a burlesque satire of its middle-class celebrants. An uproarious portrait of the evils of the market and a technical manual for its innermost ideological workings, this is the story of how the perverted legacy of liberalism sought to knead Marx's "free peasant" into a statistical "average man"—pliant raw material for the sausage-machine of postmodernity. Combining the incandescent wrath of the betrayed comrade with the acute discrimination of the mathematician-physicist, Châtelet scrutinizes the pseudoscientific alibis employed to naturalize "market democracy" and the "triple alliance" between politics, economics, and cybernetics. A bestseller in France on its publication in 1998, this book remains crucial reading for any future politics that wants to replace individualism with individuation and libertarianism with liberation, this new translation constitutes a major contribution to contemporary debate on neoliberalism, economics, and capitalist subjectivation.

When Firekeeper discovers that the Beast's greatest fear has become reality, she turns to King Tedric of Hawk Haven for aid. The old king is willing to help the wolf-woman – for a price. Firekeeper's former adversary, Melina Shield, has risen to great prominence in the neighboring land of New Kelvin. Melina's unexpected power threatens the reputation of King Tedric's heir apparent, Sapphire, and, through Sapphire, dreams for the new realm of Bright Haven. King Tedric's price for helping the Beasts is that Firekeeper and Blind Seer escort Elise Archer and her handpicked diplomatic team into New Kelvin, then assist them with their investigations. The last time Firekeeper and her friends visited New Kelvin, they ended up fleeing as hunted fugitives, but this may be the least difficulty upon their return. Firekeeper is plagued with visions featuring the comet that streaks through the skies. These feed her growing sense that to continue interacting with humans will eventually lead to the transformation of the wild Beasts into nothing more than human tools. Doubt is a new enemy to Firekeeper – one that threatens even her bond with her beloved companion, the wolf, Blind Seer. Seraphina Titan Books (US, CA)

Transformative Journey Blind Seer has run at Firekeeper ' s side since the wolf-woman first crossed the Iron Mountains into human-held lands. Now it ' s her turn to run alongside the blue-eyed wolf as he sets out in

search of someone who can teach him how to use his magical gift—on his own unique terms . The pair ' s search will take them to the far side of the world in the company of allies who include a young woman scarred by war, a falcon who believes himself a traitor, and an old friend... or possibly enemy. Together they will fight battles from before they were born, climb mountains, cross badlands, eventually unveiling a threat that will reshape not only Blind Seer, but his belief in what he most desires.

Intrigue and Adventure Unfold When a Lost Planet is Found Terraformed from barren rock to provide the most powerful citizens of the Empire with an environment that would test their unenhanced strengths, Artemis was a planet of wildness and lies. All tech was concealed. Both animals and humans were bioengineered to make certain the planet ' s guests would face challenges beyond their wildest imaginings. When the Empire fell, the location of Artemis was lost, although legends remained to tantalize historians. When ambitious archeologist Griffin Dane finds intriguing hints as to the location of the lost planet, he sets out alone to confirm his find. When Dane reaches Artemis, his shuttle crashes – perhaps not by accident. Stranded, with no discernible way to get home, he forms an uneasy alliance with the Huntress Adara and her psych-linked companion, the puma Sand Shadow. Together they set out to find a way to get Griffin home, along the way uncovering some of the secrets that lie beneath the planet ' s wilderness exterior, secrets that may lead to the recovery of weird powers far beyond what humanity now dares to dream.

Raised in the wild by intelligent, language-using wolves, in her teens Firekeeper was abducted back into the lands of men, where her upbringing as a wolf helped her survive the deadly intrigues of human beings. One of the first things she learned in Hawk Haven was that magic was a thing to be feared and despised. Long ago, all the human kingdoms were ruled by powerful sorcerers. Then a plague came and the sorcerers died. Nobody misses them. Much was lost—but still, nobody misses them. Yet as Firekeeper has travelled and grown wiser in the ways of human beings, she's learned that the true story was more complex. In coming to the country of the Liglim, she, Derian Carter, and Blind Seer discovered that magic is still working in the world, and that it isn't always the evil they'd been warned against. But it also turned out that the old plague specifically targeted magic users. And when Firekeeper and her friends learned to open the gates between worlds, the plague came back with them. Firekeeper, Blind Seer, and Derian Carter survived the plague: not unchanged, but still themselves. Now Firekeeper is determined to learn the nature of the plague--and if she can, to end it forever. What happens next will be the culmination of the

remarkable fantasy epic that began with *Through Wolf's Eyes*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Artemis Awakening Farrar, Straus and Giroux (BYR)

Firekeeper has always believed that her heart is a wolf's heart. Now the time has come for her to prove it. Blind Seer's search for a teacher of the magical arts brought him and Firekeeper to Rhinadei, a land rich in magical lore, but intolerant of those who would rebel against its core precepts. Now, eager to aid Wythcombe, his new teacher, Blind Seer agrees to lend his keen senses to the hunt for Kabot-Wythcombe's childhood rival and leader of a band of fanatical blood mages. In this hunt, Firekeeper runs as ever at Blind Seer's side. Rounding out their pack are Laria and Ranz, two young humans with potent magical gifts of their own; Farborn, a yarimaimalom falcon; Wythcombe himself, and the ever enigmatic Meddler. Yet, despite the versatility of this pack, Kabot's blood mages miraculously elude them, leaving behind the tantalizing scent of more power than they should possess. Suspicion builds that Kabot has acquired a new ally: an ally who may be one of their own pack turned traitor. "A beautiful and complex book." *Publisher's Weekly* on *Through Wolf's Eyes* "Thrilling." *Publisher's Weekly* on *Wolf Hunting* "Intricately plotted, A thought-provoking tale of magic and politics, enlivened by Firekeeper's wry and wolfish point-of-view." *Publisher's Weekly* on *Wolf's Blood*

A new vision of knights, dragons, and the fair maiden caught in between . . . Four decades of peace have done little to ease the mistrust between humans and dragons in the kingdom of Goredd. Folding themselves into human shape, dragons attend court as ambassadors, and lend their rational, mathematical minds to universities as scholars and teachers. As the treaty's anniversary draws near, however, tensions are high. Seraphina has reason to fear both sides. An unusually gifted musician, she joins the court just as a member of the royal family is murdered. While a sinister plot to destroy the peace is uncovered, Seraphina struggles to protect the secret behind her musical gift, one so terrible that its discovery could mean her very life. Seraphina's tortuous journey to self-acceptance will make a magical, indelible impression on its readers.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times • Buzzfeed • Kirkus Reviews • Publishers Weekly • Chicago Public Library "Redefines friendship as something that must be protected, sacrificed for, and tended to with wisdom, patience, and love." —Ocean Vuong, New York Times bestselling author of *On Earth We're Briefly Gorgeous* A poignant coming-of-age novel about two best friends whose friendship is tested when they get the opportunity to leave their impoverished small town for an elite prep school. For fans of *Looking for Alaska*. Life in a small Appalachian town is not easy. Cash lost his mother to an opioid addiction and his Papaw is dying slowly from emphysema. Dodging drug dealers and watching out for his best friend, Delaney, is second nature. He's been spending his summer mowing lawns while she works at Dairy Queen. But when Delaney manages to secure both of them full rides to an elite prep school in Connecticut, Cash will have to grapple with his need to protect and love Delaney, and his love for the grandparents who saved him and the town he has to leave behind. Jeff Zentner's new novel is a beautiful examination of grief, found family, and young love.

Jane Lindskold's *Through Wolf's Eyes*; *Wolf's Head*, *Wolf's Heart*; and *The Dragon of Despair* told the story of Firekeeper, the young girl raised by sentient, language-using wolves who is then

plunged back into human society, where her training as a pack animal stands her in good stead amidst political and dynastic intrigues. Now, in *Wolf Captured*, the focus returns to Firekeeper and her wolf companion Blind Seer, as they find themselves kidnapped and dragged overseas, and forced to maneuver for their lives in an unfamiliar and dangerous new society. The Liglimoshti worship animals and portents, which rule their lives. And the Liglimoshti are aware, as the other countries are not, that Royal animals like Truth and Blind Seer exist, are intelligent, and can speak to each other. They've kidnapped Firekeeper and Blind Seer because they've never before heard of a human who could talk to animals. They want to see what Firekeeper can do. They want her to teach them how to do it. Firekeeper's more than willing to talk to the animals there. But she fears that Liglim's Royal animals are being held in polite and unobtrusive bondage. She wants to find out the truth -- and, if necessary, free them...

Since she left the wolves who raised her to cross over the Iron Mountains, Firekeeper's pack has expanded to include a diverse assortment of creatures - human and not. When the wolf-woman receives a desperate call for help from the jaguar, Truth, Firekeeper - Blind Seer, as ever, at her side - races to Truth's

aid. Over a year prior, Truth sacrificed her sanity in a valiant effort to keep Firekeeper alive. Now there may be a way for Truth to reunite her fragmented mind with her failing body - but the jaguar needs Firekeeper to open a door, that is not quite a door, if that is to happen. How to release Truth may be only the beginning of Firekeeper and Blind Seer's problems, for there are hints that an ancient power may be released along with the jaguar - a power that uses living creatures as playing pieces, and who has more than a little interest in Firekeeper herself.

Wild and unpredictable, brother to the sea, older than the creatures that walk the earth or swim in her waters, the Changer delights in countless shapes. When someone attempts to wipe out his family, the Changer discards coyote form and descends from the wilderness to call in a few favors from none other than King Arthur himself. But Arthur has problems of his own. The Lustrum Review is about to meet and the tenuous accord that holds the athanor community in loose alliance is being challenged. Some of the challengers merely desire to see a few restrictions dropped. Others wish to see the Accord destroyed - and if Arthur and his closest allies are destroyed with it, they would be delighted. For Arthur, the Changer's arrival, ominous as it may be could also be a wonderful opportunity to demonstrate how the Accord serves even the most ancient among their immortal community. He also hopes that their alliance will serve to anchor this wild one more firmly to his cause. Yet nothing is ever that simple. Before the Changer takes his revenge, those who have called themselves gods and have been the root of many a heroic legend will find themselves threatened with destruction. The very earth itself will shake. And a coyote pup?sole survivor of the Changer's murdered family?will discover both her weakness and her hidden strength. paper.

When Lydia was five years old, she and her family had to leave their home. They hopped from Grandma's house to Aunt Linda's house to Cousin Alice's house, but no place was permanent. Then one day, everything changed. Lydia's mom took her to a new place – not a house, but a big building with stone columns, and tall, tall steps. The library. In the library, Lydia found her special spot across from the sunny window, at a round desk. For behind that desk was her new friend, the librarian. Together, Lydia and the librarian discovered a world beyond their walls, one that sparkled with spectacular joy. Paired with warm art by newcomer Romina Galotta and a foreword by Ira Glass, *Dear Librarian* is a "thank you" to anyone who has offered a child love and support during a difficult time.

A tale of humane wolves, beastly men, and a brilliant heroine who must find her way in a dangerous world. Raised by intelligent, language-using wolves, brought back to the human society at the court of Hawk Haven, young Firekeeper had to learn to cope with human society and its complexities . . . and discovered that, for someone raised in a wolf pack, the politics of a royal court were neither complex nor wholly unfamiliar. But the happy ending of *Through Wolf's Eyes* has proved to have consequences. Hawk Haven and Bright Bay are unifying, but the power balance of the neighboring lands is threatened by this prospect. New intrigues abound. The rulers of Bright Bay, it transpires, have been hoarding a collection of forbidden magical artifacts . . . which Queen Gustin took with her when she abdicated, intending to use them to restore her power. Melina Shield is still scheming to obtain them, and she's older, smarter, and more devious than the Queen. And the even-more-devilish civil service of neighboring New Kelvin would like to get their hands on that magic as well Which will make life very hard for Firekeeper. Because the powers of the world have decided who'll be required to obtain those much-contended-for magical articles. It'll be her. "The Goetia: The Lesser Key of Solomon", also known as the "Clavicula Salomonis Regis", or "Lemegeton", is a centuries old spell book or grimoire. The exact source of the work is anonymous and compilations of older texts began appearing in the 16th and 17th centuries. In 1904, famed English occultists Aleister Crowley and Samuel Liddell MacGregor Mathers translated these older texts and published them in English. This grimoire is concerned primarily with summoning demons and contains the names, symbols, and spells for 72 distinct demon spirits. Crowley and Mathers painstakingly and meticulously researched the seals, charts, and sigils for the demons, making their edition of this ancient text one of the most complete and detailed. Descriptions of the spells and rites necessary for the invocation of these demon spirits is included along with definitions and explanations for many of the unfamiliar terms found throughout the text. This edition of "The Goetia: The Lesser Key of Solomon" remains an essential addition to the library of anyone interested in ancient and Western occult practices.
