Wild and unpredictable, brother to the sea, older than the creatures that walk the earth or swim in her waters, the Changer delights in countless shapes. When someone attempts to wipe out his family, the Changer discards coyote form and descends from the wilderness to call in a few favors from none other than King Arthur himself. But Arthur has problems of his own. The Lustrum Review is about to meet and the tenuous accord that holds the athanor community in loose alliance is being challenged. Some of the challengers merely desire to see a few restrictions dropped. Others wish to see the Accord destroyed – and if Arthur and his closest allies are destroyed with it, they would be delighted. For Arthur, the Changer's arrival, ominous as it may be could also be a wonderful opportunity to demonstrate how the Accord serves even the most ancient among their immortal community. He also hopes that their alliance will serve to anchor this wild one more firmly to his cause. Yet nothing is ever that simple. Before the Changer takes his revenge, those who have called themselves gods and have been the root of many a heroic legend will find themselves threatened with destruction. The very earth itself will shake. And a coyote pup?sole survivor of the Changer's murdered family?will discover both her weakness and her hidden strength. New to this edition of Changer?special introduction by the author!

Into the Land of Unreason Has Bent Bamboo, the Monkey, betrayed the Exiles? Who gave Thundering Heaven the horrible new sword he bears: Soul Slicer—a blade designed to destroy both the living and the dead? What is the source of the terrifying chaos that has taken over the Lands Born from Smoke and Sacrifice? Why is Pearl Bright, the once robust Tiger, visibly failing? Despite the threat offered by this unknown enemy, a small band of scouts ventures into the tormented chaos beyond the last door into the Lands. Brenda Morris is not among their company—not by her own choice, but because her protective father, the true Rat—refuses to let his daughter go into danger. Instead, Brenda is ordered to resume her life as a college student in South Carolina, far from the Orphans' base in California. But

Brenda's involvement in occult matters is far from over. A mysterious classmate hints that the fate of numerous interconnected realities are threatened by the force behind the chaos in the Lands. When the scouts vanish, Brenda must decide whether to hide behind her father's protection or to venture into realms no other Orphans has ever encountered. Bonus Material includes the newly expanded essay, "Flowers and Seasons of Ritual Magic." "This complex novel blends passion, jealousy between beings living and dead, and day-to-day reality with the mysticism of Chinese astrology.... Infused with the symbolism and resonance of Chinese astrology, Five Odd Honors offers readers a wide cast of characters and a multilayered drama rich in magic, treachery, raw courage and true friendship. BookPage "...one of the more enjoyable books I've read recently. Lindskold is no slouch as a storyteller." Green Man Review on Five Odd Honors

He must preserve the demon race and the Demon Realms--an impossible task unless he can regain that which made him extraordinary.

### Twilight Rising, Serpent's Dream Tor Books

The last thing Firekeeper and Blind Seer ever thought would happen was that they would end up as part of a small alliance united to hold the gates of the Nexus Islands against the massed might of the Old World nations. If the alliance is to have any hope of success, Firekeeper and Blind Seer must first find a way to break querinalo: the arcane plague that tortures the body and soul of any who possess even the slightest trace of magical talent. If querinalo is not vanquished, the Nexus Islands will fall – opening the New World to invasion. This is not the first seemingly impossible challenge the wolf-woman has faced, but this time she may face it without Blind Seer at her side. When querinalo touched the blue-eyed wolf, Blind Seer discovered an aspect of himself that he will not speak of to anyone – not even to Firekeeper. As the rumbles of invasion shake the gates of the Nexus Islands, Firekeeper stands not only in danger of losing home and friends, but also of losing the partner of her heart.

### Birth of the Firebringer Macmillan

Intrigue and Adventure Unfold When a Lost Planet is Found Terraformed from barren rock to provide the most powerful citizens of the Empire with an environment that would test their unenhanced strengths, Artemis was a planet of wildness and lies. All tech was concealed. Both animals and humans were bioengineered to make certain the planet's guests would face challenges beyond their wildest imaginings. When the Empire fell, the location of Artemis was lost, although legends remained to tantalize historians. When ambitious archeologist Griffin Dane finds intriguing hints as to the location of the lost planet, he sets out alone to confirm his find. When Dane reaches Artemis, his shuttle crashes – perhaps not by accident. Stranded, with no discernible way to get home, he forms an uneasy alliance with the Huntress Adara and her psych-linked companion, the puma Sand Shadow. Together they set out to find a way to get Griffin home, along the way uncovering some of the secrets that lie beneath the planet's wilderness exterior, secrets that may lead to the recovery of weird powers far beyond what humanity now dares to dream.

### Five Odd Honors Knopf Books for Young Readers

Firekeeper never viewed her ability to speak with animals as anything other than her birthright as a human raised by wolves. However, to the theocrats of Liglím, it is literally the answer to prayer. Determined to pry the secret from the wolf-woman, the Liglímom kidnap Firekeeper and Blind Seer. Determined to leave no trail, they even take the risk of kidnapping Derian Counselor. But being trapped in a new land is only the beginning of the shocks to Firekeeper's world view. Unlike the humans Firekeeper has met to this point, the Liglímom not only know about the elite Beasts who Firekeeper considers her people, they have enshrined them as go-betweens in their communication with the Divine. Before she departs Liglím, Firekeeper is determined to learn the truth about the relationship between the Wise Beasts and the humans of Liglím. If they are captives – as she, Blind Seer, and Derian are captives – then the wolf-woman vows to do everything in her power to set them free.

### Artemis Invaded Macmillan

Transformative Journey Blind Seer has run at Firekeeper's side since the wolf-woman first crossed the Iron Mountains into human-held lands. Now it's her turn to run alongside the blue-eyed wolf as he sets out in search of someone who can teach him how to use his magical gift—on his own unique terms. The pair's search will take them to the far side of the world in the company of allies who include a young woman scarred by war, a falcon who believes himself a traitor, and an old friend... or possibly enemy. Together they will fight battles from before they were born, climb mountains, cross badlands, eventually unveiling a threat that will reshape not only Blind Seer, but his belief in what he most desires.

### Lord Demon Firebird

"A cross between Carry On, Warrior and Everybody's Got Something, The Other Side of Yet is a powerful memoir about loss, faith, and the power of the human spirit. Starting her professional career as a producer at America's Most Wanted, Michelle Hord was no stranger to tragedy. But when the unimaginable happened in her own family, Michelle's entire life crashed down around her. As she sought out a new blueprint for how to live in this new world, The Book of Job became her anchor, with one verse in particular standing out: "Though he slay me, yet will I trust in him" Job 13:15 King James Version (KJV). For Michelle, the concept of that 'yet' became an essential part of her life--one

shaped by loss, yet filled with hope. This powerful memoir takes readers on a journey about creating a life of goodness and grace in the face of loss, injustice, or hardship. Michelle isn't interested in prosecuting her marriage, dwelling on what happened to her daughter, or pointing to God as her only salvation. In the pages of *The Other Side of Yet*, she invites readers to share not just her story, but to draw inspiration from her strength, her will to create goodness, and her defiant faith"--

Firekeeper has always believed that her heart is a wolf's heart. Now the time has come for her to prove it. Blind Seer's search for a teacher of the magical arts brought him and Firekeeper to Rhinadei, a land rich in magical lore, but intolerant of those who would rebel against its core precepts. Now, eager to aid Wythcombe, his new teacher, Blind Seer agrees to lend his keen senses to the hunt for Kabot—Wythcombe's childhood rival and leader of a band of fanatical blood mages. In this hunt, Firekeeper runs as ever at Blind Seer's side. Rounding out their pack are Laria and Ranz, two young humans with potent magical gifts of their own; Farborn, a yarimaimalom falcon; Wythcombe himself, and the ever enigmatic Meddler. Yet, despite the versatility of this pack, Kabot's blood mages miraculously elude them, leaving behind the tantalizing scent of more power than they should possess. Suspicion builds that Kabot has acquired a new ally: an ally who may be one of their own pack turned traitor. Artemis Awakening Macmillan

As evocative and moving as Charles de Lint's Newford books, with the three-dimensional protagonists and enthralling action of Mercedes Lackey's fantasies, *Nine Gates* makes our world today as excitingly strange and unfamiliar as any fantasy realm...and transports readers to a wondrous magical world drawn from Chinese lore and legend. Brenda Morris has barely had time to become accustomed to the idea that she has some of the powers of the Rat, a member of the Chinese Zodiac; that her elderly, former child-star "aunt," Pearl, is the Dragon; and that the young African-American former soldier she trains beside is the Dog. Brenda has learned that our world is not the only world and that her not-quite-Chinese ancestors came from a magical place, the Lands of Smoke and Sacrifice, created thousands of years ago by the destruction of China's books and scholars during the time of the first Emperor. Now, generations later, the Lands are once again at war, and the magics of the Thirteen Orphans are desperately needed. A mission to capture those powers went disastrously wrong and now the Lands' Dragon, Tiger, Snake, and Monkey are trapped on Earth unless the Orphans can build the Nine Gates. To do that, they must first save the Four Guardians of the Land Between, who are under magical attack. Complicating things is the fact that Brenda has fallen hard for the handsome man who is the Tiger, much to the distress of the sensual young woman who is the Snake. The Inheritance Cycle 4-Book Collection Obsidian Tiger Books

A tale of humane wolves, beastly men, and a brilliant heroine who must find her way in a dangerous world Raised by intelligent, language-using wolves, brought back to the human society at the court of Hawk Haven, young Firekeeper had to learn to cope with human society and its complexities...and discovered that, for someone raised in a wolf pack, the politics of a royal court were neither complex nor wholly unfamiliar. But the happy ending of *Through Wolf's Eyes* has proved to have consequences. Hawk Haven and Bright Bay are unifying, but the power balance of the neighboring lands is threatened by this prospect. New intrigues abound. The rulers of Bright Bay, it transpires, have been hoarding a collection of forbidden magical artifacts...which Queen Gustin took with her when she abdicated, intending to use them to restore her power. Melina Shield is still scheming to obtain them, and she's older, smarter, and more devious than the Queen. And the even-more-devious civil service of neighboring New Kelvin would like to get their hands on that magic as well...Which will make life very hard for Firekeeper. Because the powers of the world have decided who'll be required to obtain those much-contended-for magical articles. It'll be her.
