Dragon of Trelia This was a fun, creative book that took me to a fairy land as Harry Potter did. The insight into the minds if the characters was truly inspirational. The lessons it holds in self-control, self-discipline and choosing your own actions instead if letting emotions take hold makes this book an excellent read for everyone.

The Dragon of Trelia is an inventive, charming story. It is an almost a coming of age story following a young four-teen year old princess named Meg, and her apprentice mage friend, the orphan Calen. The story is an amazing story of the bounds of friendship, love and trust and their powers to help people over-come their greatest obstacles.
