Dragon Queen Choose Your Own Adventure Drag

Elves and Dragons lived together for hundreds of years in peace, with heroes and villains woven into their story. Then, humans appear. A young elven girl stands up to the terror the humans cause, her actions hated and loved by many. She will go on to be known as the Dragon Queen, the Flaming Rider.

A Dream of Fire Page Publishing Inc

For fans of Shannon Hale and Gail Carson Levine, comes an enchanting fairy tale retelling of the Japanese Cinderella, set in the magical world of Eva Evergreen, Semi-Magical Witch. Once upon a time, Alliana believed in dreams and fairy tales as sweet as spun-sugar clouds. Alliana wished on shooting stars, sure that someday she and her grandmother would be able to travel to the capital city to see the queen. Then her grandmother passed away—and those dreams disappeared in a disenchanted puff. Now Alliana's forced to attend to the whims of her wicked stepmother—with long days of cleaning her stepfamily's inn as her skin burns raw or

staying up until the crack of dawn to embroider her stepsister's ball gowns. Until she meets two beings who change her life forever—the first is a young nightdragon who Alliana discovers she can magically talk to. And the second is Nela, a young witch. Nela needs Alliana's help navigating the mysterious abyss, filled with dangerous beasts, a place Alliana knows by heart. Alliana sees Nela's request as a chance to break free of her stepmother's shadow and to seize a chance at a life she's barely dared to hope for—but there's a risk. If caught, Alliana will be stuck working for her stepmother for the rest of her life. Can Alliana truly make wisps of dreams into her own, better-than-a-fairy-tale happily ever after? Inspired by the Japanese Cinderella story and set in the same world as the Eva Evergreen series, this story can be read as a standalone.

The Dragon 's Queen Wizards of the Coast

The Silver Wolf, Alice Borchardt's acclaimed novel of a shapeshifter's struggle to survive as woman and wolf amid the Dark Ages, announced the arrival of a ferociously gifted writer. Now, with her masterful weaving of adventure, history, and magic, Borchardt delves deeper into the shape-shifter legend, and brings an earlier, more savage time brilliantly to life. The fearsome legions of Julius Caesar have crushed resistance to Roman rule. The power of the druids is broken; the shattered tribes retreating to the dubious safety of the high mountains or fleeing north into lands as inhospitable as those left behind. Watching all the while through yellow eyes afire with curiosity and intelligence is Maeniel, a gray wolf . . . who is also a man. This is not the Maeniel of The Silver Wolf. Not the mature shapeshifter, secure in his dual nature, whose hard-won wisdom is the equal of his preternatural strength and passion. That Maeniel will not exist for another eight hundred years. Now he is a stranger to his human half, his reason chained to instinct. Yet as the ancient civilization of the Gallic tribes is

systematically destroyed around him, a new Maeniel is about to be born from the ruins. It begins with a woman. She is Imona: young, proud, beautiful. The sight of her fills Maeniel with unfamiliar feelings and desires, triggering his transformation from wolf to man. In her arms he learns for the first time what it means to love. It is a knowledge that will change him forever. For when Imona vanishes following a Roman massacre, Maeniel begins to learn a very different lesson. Following Imona's trail as wolf and man, Maeniel is himself pursued by a warrior woman sworn to kill him. She is Dryas, a queen without a kingdom. But the two adversaries will prove to have much in common. And the hunt upon which they embark will lead them farther than they can imagine: to the gates of Rome itself. To the gates of their very souls . . . With *Night of the Wolf*, Alice Borchardt has given us another triumph of soaring imagination and adventure. By turns lyrical, sensuous, and violent, hers is a vision of the past that will stir both heart and mind. Her writing will possess you like a fever . . . and haunt you like a voluptuous dream.

The Dragon and the Queen BoD – Books on Demand

Emily travels back to the magical land of Elvendale to rescue the dragon queen and her eggs from an evil elf witch.

Thomas and the Dragon Queen Xlibris Corporation

Cherchez la femme was one rule of detection Ellery Queen was always glad to obey—but this case provided too much of a good thing. One girl was a dazzling creature from Hollywood with an unfortunate talent for attracting handsome men and ugly violence. The other was fresh from the French Riviera, where she specialized in sophisticated fun and games. Ellery had a dead millionaire on his hands, two beautiful warring female hellcats on his back, and danger tightening its embrace as he put his body on the line to find out which of his two suspects was far more deadly than any male... A gripping novel of crime and detection...

Alliana, Girl of Dragons Orbit

It's one thing to fear the Dragon Queen. But knowing she could force you to kill those you love is worse. Especially when you're only a child. Jarryd

didn't ask for the visions. They've haunted him since he was a small child, terrifying scenes of the Dragon Queen and her minions murdering innocent people. Visions he has to keep secret, lest he be burned at the stake for consorting with evil. Lonely and outcast, Jarryd lives in fear that the smallest lapse will seal his fate and deliver his soul to the Dragon Queen. When he comes of age, a terrible change comes upon him. A strange power begins to manifest in him, a power that can only come from the Queen. With no other choices, he sets off alone on a desperate quest to find answers before it's too late. The Dragon Queen of Chaos is the third series in the Chaos Cycle, following Immortality and Chaos (I) and Chaos and Retribution (II).

The Knights of Dragonwatch Greenwood Publishing Group

The epic conclusion of The Avalonia Chronicles is here . . . War is on the horizon. Queen Morgana's power grows every day, aided by her army and unseen dark forces. Illiador and Eldoren have fallen completely under her reign. There is no one who can stand against her now--except one. Aurora Firedrake has finally come to understand the power she is capable of wielding, but is it too late? Stripped of her allies and those she holds dear, failure seems inevitable. To win the war for Avalonia, she must journey to the deepest parts of the Darklands to find a way to take back all she has lost, before Morgana opens the Book of Abraxas and releases the greatest evil the world has ever known. Aurora, the Dawnstar, is all that stands between Avalonia and total destruction. But can she find the strength to unite her people and defeat Morgana and her wicked forces? Or will Avalonia be lost forever?

The Princess and the Unicorn Createspace Independent Publishing Platform

NYT & USAT Bestselling Author Mede of the Draig knows three things for a fact: As the only female dragon-shifter of her people, she is special. She can kick the backside of any man. And she absolutely doesn't want to marry. Mede has spent a lifetime trying to prove she's as strong as any male warrior. Unfortunately, being the special, rare creature she is, she's been claimed as the future bride to nearly three dozen Draig--each one confident that when they come for her hand in marriage, fate will choose them. When the men aren't bragging about how they're going to marry her, they're acting like she's a delicate rare flower in need of their protection. But Mede is far from a shrinking solarflower. Prince Llyr of the Draig knows four things for a fact: He is the future king of the dragon-shifters. He must act honorably in all ways. He absolutely, positively is meant to marry Lady Mede. And she is dead set against marriage. Llyr's fate rests in the hands of a woman determined not to have any man. With a new threat emerging amongst their cat-shifting neighbors, a threat whose eyes are focused firmly on Mede, time may be running out. It is up to him to convince her to be his dragon queen. A Prequel Story About Book 9: Before four princes and four noblemen found their brides, before the death of the Var King Attor and the threat of the Tyoe miners, there was a time of peace on

the planet of Qurilixen. It was not a strong peace, but it had lasted for quite some time between the cat-shifting Var kingdom and their northern neighbors the dragon-shifting Draig. It lasted because both sides had very little to do with each other. It is here the dragons found their queen. A Qurilixen World Novel Paranormal Dragonshifting Sci Fi Romance

The Hips on the Drag Queen Go Swish, Swish, Swish Ballantine Books

With the knowing eye and fiery voice of an accomplished storyteller, Alice Borchardt takes us back to the amazing world of a re-envisioned Camelot in the continuing Tales of Guinevere. Remarkably strong, magically talented, a match for friend and foe alike, Guinevere has come into womanhood—and faces a new relationship with Lancelot that will lead to the sharp-edged triangle of legend. . . . Born of the Highlands, along Pictish shores washed by the icy North Sea, Guinevere, Queen of the Dragon People, has become a woman. She has taken the power offered to her by the Dragon Throne. Now there is no turning back. In order to protect her beloved homeland from the obscene greed of the Saxon raiders, Guinevere knows she must launch an attack. The sub-chiefs refuse to fall in line with her plans (because what does this young thing, barely a woman, know of warfare?) and give her an army of the useless, the outcast, the weakest of their young boys and girls. But the war party must proceed. If it fails, the command of both land and sea will fall to the enemy. Facing her first battle against the pirates on foreign shores, and backed only by a meager band of ill-equipped fighters, Guinevere calls upon the spirits of the dead to aid her in the attack. Diving into the dark,

morbid depths, Guinevere suddenly understands more of hate, love, anger, and revenge than she has ever wanted to. But the power the dead provide comes at a severe price. If she makes it through the raid, she will be a changed woman, in more ways than she can possibly imagine. Further south, Black Leg, her childhood companion, sets out on his own. It is a quest to become a man—a man, he hopes, who will be worthy of the newly crowned Guinevere. A shapeshifter and the son of Guinevere's adoptive man-wolf father, Black Leg (soon to be Lancelot) feels he has much to learn—and even more to prove. He discovers both his inner strength and an unmitigated passion when he meets the Lady of the Lake. But the trials of his journey—both mental and physical—turn out to be more perilous with each step. And when Lancelot and Guinevere are finally reunited, the consequences of both their ordeals will unleash a torrent of anguish and desire. With familiar names brilliantly repositioned for a new generation of Arthurian fans—evil Merlin, conniving Igrane, complex Lancelot, tainted Arthur, and of course, warrior Guinevere—Alice Borchardt's creation stands as a testament to the power of imagination.

The Dragon Queen Little, Brown Books for Young Readers

Sometimes, survival depends on not being seen. I should know. That's the only way I've survived. Getting accepted into a prestigious university was my chance at freedom; to escape and live without fear and resentment. And with no emotional attachments--or at least that was the plan. Until I see Egan. He's sexy, mysterious, and has muscles in all the right places. He invokes feelings I don't want or understand. The more he shows up, the harder of a time I have remembering why staying away from him was a good idea. But he brings deep, dark secrets that alter my entire world. Monsters

exist. Witches cast spells. And animals may be human after all. I either embrace fate and enter a strange new world full of risks like never before or walk away. Maybe, I'm destined for heartache because sometimes, love isn't worth what it costs to fall.

The Rage of Dragons Bantam

The reader takes up the role of a young dragonlark that sets out in search of the missing Dragon Queen.

The Dragon Queen Bantam

The creatures of old have vanished. Dragonia was once a kingdom where magic roamed freely, but now magic wielders are hunted without mercy. A resistance has formed to fight against the king's oppression. Legend holds that one called the Dragon Queen will rise to return Dragonia to its former glory. When Crown Princess Sammaria is kidnapped, the land is thrown into chaos. Her sister Jennica is determined to bring her home safely. Jennica will have to rely on her friends - and the gods - to save her sister, but an ancient force has returned to take control of a weakened Dragonia and threaten her quest. Will Jennica be able to bring her sister home? Will the gods interfere? Will the Dragon Queen rise in time to save the world from destruction? Book 1 of Legends of Ethota

The Wolf King Thomas Nelson

Sometimes ignorance is bliss. My world has spiraled out of control, but finding my fated mate has brought some clarity. I soon learn I've been part of this strange world for a lot longer than I've ever known, which rocks my very foundation. Add in the fact that the fae dragon king wants Egan and me dead so he can rule both realms -- causing death and destruction at every turn. No matter what we do, we fall into one trap after another. However, we refuse to lie down because there's so much more at stake than what meets the eye. We will protect the thunders ... even if it kills us.

The Return of the Dragon Queen Scholastic Incorporated

A shattered world, a daughter's forgotten memories, a father's growing madness, and a lover's betrayal. Behold the realm of the Dragon Queen. In the time beyond remembering, the world of Adracmora was shattered into seven separate kingdoms; they drift around the topaz star like giant puzzle pieces, awaiting the magic of the blood-child to make them whole. Now, Yvi, heir to the throne of the Dragon Queen, and her Guardians must seek the ancient artifacts that will allow the fulfillment of her father's prophetic promise, reuniting the seven kingdoms into a single world.

The Dragon's Queen Yearling

Emily Jones has been called back to the magical land of Elvendale - the elves need her help! An evil elf witch has captured the dragon queen and her eggs. Can Emily and the elves save the dragons and defeat the witch before it's too late?

The Dragon Queen Scholastic UK

Arthur turned and strode toward us. He was magnificent, and I will never forget that, in that moment, I first loved him. And I believe--had I known what the future held for us: all the trouble, torment, battle, and grief of our lives--I still believe that I would have yielded my heart into his keeping as I did then . . . In a sweeping epic of the imagination, Alice Borchardt enters the wondrous realm of Arthurian legend and makes it her own. The Dragon Queen is the first volume in a trilogy of novels that boldly re-imagines Camelot--and casts Guinevere as a shrewd, strong-willed, magical warrior queen. Born into a world of terrible strife, where war is constant and weapons are never far from the hands of men or women, Guinevere, daughter of a mighty pagan queen, is a threat to her people and a prize to the dreaded sorcerer Merlin. Sent into hiding, she grows up under the protection of a shapeshifting man-wolf and an ornery Druid. But even on the remote coast of

Scotland, where dragons feed and watch over her, she is not safe from the all-seeing High Druid Merlin. He knows the young beauty's destiny, and he will stop at nothing to prevent what has been foretold. For if Guinevere becomes Queen and Arthur, King, they will bring a peace to the land that will leave the power-hungry Merlin a shriveled magician in a weary cloak. Yet Guinevere possesses power of her own--dazzling power to rival even that of Merlin. Summoned from her home by forces she cannot fathom, she travels from the Underworld to an Otherworld of the Past, at each step calling on ancient powers to aid her way. When young Guinevere proves her mettle to an embarrassed Merlin, even her faithful dragon protectors cannot prevent the evil that the sorcerer rains down. Seeking revenge, Merlin banishes Arthur to a world from which the only escape is death. Now Guinevere must face Merlin's wrath without him--and prove that she is worthy of being Arthur's Queen. From the glass-roofed Great Hall at Tintigal to the lush garden forts of Wales, Alice Borchardt details the travels of Guinevere in a rich fabric of prose. *The Dragon Queen* is a novel of great emotional depth, timeless romance, and soul-stirring adventure.

The Rise of Tiamat Running Press Kids

In this conclusion to the *Courageous Princess* trilogy, Princess Mabelrose must use her generous spirit, as well as her brains, to melt the heart of the Dragon Queen and gain her freedom. But she still has to bring her father and her friends back from the queen's unreachable Unremembered Lands . . .

*An adventure for all that explores a new meaning of courage. "Espinosa's influences seem to be equal parts Grimm fairy tales, animated Disney films, the Wizard of Oz and Japanese manga, and the work is meticulously rendered in a seductive palette of brights and shadows."—Publishers Weekly

THE DRAGON QUEEN AND THE TWO PRINCES Dark Horse Comics

Fairy tales aren't supposed to go like this. The handsome prince has turned out to be a monster. Knights and Paladins refuse to rescue the beautiful prisoner he holds in an artificial world of ice and snow...Amelia Lamb, novice witch, is determined to put everything right herself. She plans to be back before morning, rescuing her new friend Scarlet along the way, but first she'll have to deal with misbehaving magic and more dragons than she

bargained for.

Rise of the Dragon Queen Clever Publishing

Don't Wake the Dragon is a fantastic and interactive bedtime story featuring a sound-asleep dragon who under no circumstances is to be woken up!

Children are tasked with checking in on the sleeping dragon as the castle cook drops his pots and pans and when the knights throw a loud birthday party. It isn't until the whole kingdom settles down that the dragon wakes up. What is the kingdom to do? Designed to be read aloud and interacted with, parents will take pleasure in the playful text as much as children will enjoy gently rocking the book from side to side as they sing the dragon a lullaby. When the story finally comes to an end, and the gentle lullaby is repeated, the dragon (and the child!) is encouraged to drift off to sleep. The whimsical and colorful illustrations enable the dragon to jump off the page and will delight the reader with its humor and personality on every page. Creates a wonderful bedtime ritual with children that they will look forward to every night.
