LEONIDAS: I am a Dragon Prince of the House of Smoke... and I am cursed. Falling in love was never in the cards for me. An angry witch made sure of that—if I lose my heart, I lose my life. Only now, a treaty guaranteeing peace will die with me, unless I convince some hapless human to fall in love with me and bear my child—a dragonling born of magic and a Love that 's True. But I know nothing of love. Five hundred years of guarding my heart and opening my bed mean I 've got zero chance at this. Yet if I fail, it won 't just be my death... but countless others.

ROSALYN: My luck has never been good. Being a witch who can 't do magic sucks on most days—it 's even worse when your mother 's cancer can 't be cured. But I 'll do whatever it takes to turn our luck around, including stealing magic healing blood from a shifter. Besides, they owe me—a hot-as-sin shifter seduced my mother, got us thrown out of the coven, and ruined my life. One of them

can bleed a little to make things right. And a dragon prince with his wacky Mating Game and blood ten times more powerful? The perfect mark. My luck might just be turning good after all.
