*Authorized King James Version Baker Academic*  
How can Christians live faithfully at the crossroads of the story of Scripture and postmodern culture? In *Living at the Crossroads*, authors Michael Goheen and Craig Bartholomew explore this question as they provide a general introduction to Christian worldview. Ideal for both students and lay readers, *Living at the Crossroads* lays out a brief summary of the biblical story and the most fundamental beliefs of Scripture. The book tells the story of Western culture from the classical period to postmodernity. The authors then provide an analysis of how Christians live in the tension that exists at the intersection of the biblical and cultural stories, exploring the important implications in key areas of life, such as education, scholarship, economics, politics, and church.

The Gospel According to Matthew Zondervan  
Theology today is faced with increasing amounts of religious and theological pluralism. What is distinctive about Christian theology? Why do these ideas matter? And the biggest question of all: Who cares? Key aspects of orthodox theology are seen as speculative and irrelevant to "authentic" Christianity and to personal spirituality. While not succumbing to the pragmatism of the age, this book shows that key elements of Christian theology ground an integrated worldview and are essential for spiritual formation. *Engaging Theology* is an introductory theology textbook that grounds a treatment of standard systematic topics in the wider context of life and practice and shows the relevance of each doctrine to the church. The book treats the essential doctrines of Christian orthodoxy by following the pattern of story, doctrinal exposition, theological relevance, and spiritual relevance: **Story:** Each chapter begins with a brief and engaging account of the historical situation out of which the doctrine arose or where it played an essential role in the development of the church, showing students that orthodox theology matters and introducing them to most of the key theologians in the history of the church. **Doctrinal Exposition:** The heart of the chapter is exposition of key elements of the doctrine, highlighting core and debated elements while clarifying heterodox perspectives. Integrated with the narrative account this section also models the contextualized nature of theology. Each chapter includes biblical, historical, and contemporary views on the issue and notes key figures in the debates and their influence. **Theological Relevance:** While theological relevance is clear throughout each chapter, this section highlights relevance to the modern setting and concerns, including interaction with heterodox and non-Christian faiths. It identifies current theological problems besetting the church and shows how a proper understanding and integration of orthodox theology addresses these problems. It also points to other problems the church is facing for interesting discussion starters. **Spiritual Relevance:** Since orthodox theology has a direct influence on one's own spiritual formation and practice, each chapter concludes with practical encouragements and discussions about how each doctrine can be integrated in one's personal and corporate life. *Engaging Theology* is ideal for students and everyday people living in a post Christian era to help them seriously

engage with the Christian faith.  
The David Story: A Translation with Commentary of 1 and 2 Samuel SPCK  
With Israel's exodus out of Egypt, God established a pattern for the salvation of all his people—Israel and the nations—through Jesus Christ. In this ESBT volume, L. Michael Morales examines three redemption movements in Scripture: the exodus out of Egypt, the second exodus foretold by the prophets, and the new exodus accomplished by Jesus.  
*The Epistle of Paul the Apostle to The Romans* BRILL  
The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Archaeology's New Vision of Ancient Israel and the Origin of Sacred Texts Lexham Press

This book provides an overview of the grand narrative of the Bible, showing how God's action in the world gives meaning to our lives and provides us with a foundation for our actions. The authors' bestselling textbook, *The Drama of Scripture*, presented this message for a student audience. It was then abridged and published at a more popular level as *The True Story of the Whole World*. This revised edition has been further updated and streamlined throughout for church readers and small groups. It includes contemporary reflection sections and discussion questions for individual or group use in each chapter.

*The Book of Job* Wm. B. Eerdmans Publishing

This book teaches students how to make sense of the Christian bible as a unity, in the context of the story of Jesus.

*The Bible Unearthed* Brazos Press

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

*The Drama of Scripture* Zondervan Academic

This is a humbling and profound look on Augustine as he goes from infancy, to the sins of his youth and finally to accepting Christ as his Lord. Throughout this work you will find just how much the greatness of God fills all things and the profoundness of it being able to inhabit the very being of a mere man such as Augustine.

Recent decades have witnessed a renaissance of theological interpretation. Craig Bartholomew, coauthor of the bestselling *The Drama of Scripture*, and Heath Thomas bring together a team of specialists to articulate a multifaceted vision for returning rigorous biblical interpretation to the context of the church. Developed by the internationally recognized Scripture and Hermeneutics Seminar, this book is designed to bring clarity and unity to the enterprise of theological interpretation. It positively integrates multiple approaches to interpreting the Bible, combining academic rigor with pastoral sensitivity for professors, students, and church leaders.

*Introducing Christian Mission Today* InterVarsity Press

Michael Goheen gives us a full-scale introduction to mission studies today in its biblical, theological and historical dimensions. Goheen covers the full horizon of major issues in mission, including its global, urban and holistic contexts. This text shows how the missional church encounters the pluralism of Western culture and global religions.

*The Drama of Scripture* Baker Academic

This book argues that God's mission is broad and that all of us can live with missional intentionality by understanding the many facets of missions and

focusing on a particular calling. Just like different instruments of a symphony harmonize together, each aspect of human participation in mission--evangelism, justice initiatives, poverty alleviation, faithful work in the marketplace, art--helps us play our part in God's work in the world. Combining expertise from a mission scholar and a working pastor, the book includes practical examples and tools to help readers imagine their part in God's mission.

*The 30-Minute Bible* Canongate Books

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell

*Announcing the Kingdom* provides a comprehensive survey of the biblical foundation of mission. It investigates the development of the kingdom of God theme in the Old Testament, describing what the concept tells us about God's mission in creation, the flood, and the covenant with Abraham. It then describes God's mission through the nation of Israel during the exodus, at Mt. Sinai, and through the kings of Israel. The book then examines God's mission as Israel is sent into exile and the stage is set for the Messiah's coming. Finally, the book considers the fulfillment of the kingdom of God through Jesus Christ and the church. It examines Jesus' parables and ministry, his proclamation of God's kingdom among the nations, and the work of the Holy Spirit through the church. *Announcing the Kingdom* is the product of Arthur Glasser's more than thirty years of teaching and has been used by thousands of students at Fuller Theological Seminary. Now revised by Glasser's colleagues, this study provides mission workers and students with a new understanding of their calling and its biblical foundation.
