**The Most Dangerous Game** Solaris Miles Cameron weaves an epic tale of magic and mercenaries, war and

depravity, politics and intrigue in this action-packed debut fantasy *The Red Knight*. Twenty eight florins a month is a huge price to pay, for a man to stand between you and the Wild. Twenty eight florins a month is nowhere near enough when a wyvern's jaws snap shut on your helmet in the hot stink of battle, and the beast starts to rip the head from your shoulders. But if standing and fighting is hard, leading a company of men -- or worse, a company of mercenaries -- against the smart, deadly creatures of the Wild is even harder. It takes all the advantages of birth, training, and the luck of the devil to do it. The Red Knight has all three, he has youth on his side, and he's determined to turn a

profit. So when he hires his company out to protect an Abbess and her nunnery, it's just another job. The abby is rich, the nuns are pretty and the monster preying on them is nothing he can't deal with. Only it's not just a job. It's going to be a war. . . If you're a fan of Mark Lawrence, John Gwynne, or Brian McClellan you won't want to miss out on this intricate, epic debut fantasy.

Our very lives depend on our relationships with people. Knowing why people do what they do

is the most important tool we can possess, without which our other talents can only take us so far. Drawing from the ideas and examples of Pericles, Queen Elizabeth I, Martin Luther King Jr, and many others, Greene teaches us how to detach ourselves from our own emotions and master self-control, how to develop the empathy that leads to insight, how to look behind people's masks, and how to resist conformity to develop your singular sense of purpose. THE Sibyls occupy a conspicuous place in the traditions and history of

---

ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold

respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C.

---

84), and again in the time of  
Vespasian (A. D. 69), and  
whatever books were at those  
dates kept therein doubtless  
perished in the flames. It is  
said by some of the ancients  
that a subsequent collection  
of oracles was made, but, if  
so, there is now no certainty  
that any fragments of them  
remain.
