The question is, why exactly are these particular mortals so crucial to the outcome of the war? The answer will come only if Harry can keep them, and his team, alive for one very long night. This graphic novel collects the critically acclaimed, five-issue series in one volume, and features a bonus section with Jim Butcher's original story outline, sketchbook artwork from Carlos Gomez, cover gallery with roughs from Stjepan Sejic, and more! Creator Commentary from Jim Butcher: "The greatest frustration about writing the Dresden Files is all the stories I come up with that are too small or too straightforward to write into a novel. One of the great pleasures I've had as a writer is getting the opportunity to tell some of those stories in a short-story format, and in graphic novels like this one! War Cry is one of the stories I always wanted to tell but never got the chance to in the context of the novels, and I'm extremely pleased with how well it's coming out."

Dynamite Entertainment
