An Old Heart Goes A-journeying
Melville House
Set in Afghanistan's capital city of Kabul, this extraordinary novel "puts a human face on the suffering inflicted by the Taliban" (San Francisco Chronicle), taking readers into the seemingly divergent lives of two couples—and depicting with compassion and exquisite details the mentality of Islamic fundamentalists and the complexities of the Muslim world. Mohsen comes from a family of wealthy shopkeepers whom the Taliban has destroyed; Zunaira, his wife, exceedingly beautiful, was once a brilliant teacher and is now no longer allowed to leave her home without an escort or covering her face. Intersecting their world is Atiq, a prison keeper, a man who has sincerely adopted the Taliban ideology and struggles to

keep his faith, and his wife, Musarrat, who once rescued Atiq and is now dying of sickness and despair. Desperate, exhausted Mohsen wanders through Kabul when he is surrounded by a crowd about to stone an adulterous woman. Numbed by the hysterical atmosphere and drawn into their rage, he too throws stones at the face of the condemned woman buried up to her waist. With this gesture the lives of all four protagonists move toward their destinies. Yasmina Khadra brings readers into the hot, dusty streets of Kabul and offers them an unflinching but compassionate insight into a society that violence and hypocrisy have brought to the edge of despair.

NOW A MINISERIES ON BBC AMERICA STARRING DAVID TENNANT An autumn evening in 1937. A German engineer arrives at the Warsaw railway station. Tonight, he will be with his Polish mistress; tomorrow, at a workers' bar in the

city's factory district, he will meet with the military attaché from the French embassy. Information will be exchanged for money. So begins *The Spies of Warsaw*, the brilliant new novel by Alan Furst, lauded by *The New York Times* as "America's preeminent spy novelist." War is coming to Europe. French and German intelligence operatives are locked in a life-and-death struggle on the espionage battlefield. At the French embassy, the new military attaché, Colonel Jean-Francois Mercier, a decorated hero of the 1914 war, is drawn into a world of abduction, betrayal, and intrigue in the diplomatic salons and back alleys of Warsaw. At the same time, the handsome aristocrat finds himself in a passionate love affair with a Parisian woman

of Polish heritage, a lawyer for the League of Nations. Colonel Mercier must work in the shadows, amid an extraordinary cast of venal and dangerous characters-Colonel Anton Vyborg of Polish military intelligence; the mysterious and sophisticated Dr. Lapp, senior German Abwehr officer in Warsaw; Malka and Viktor Rozen, at work for the Russian secret service; and Mercier's brutal and vindictive opponent, Major August Voss of SS counterintelligence. And there are many more, some known to Mercier as spies, some never to be revealed. The Houston Chronicle has described Furst as "the greatest living writer of espionage fiction." The Spies of Warsaw is his finest novel to date-the history precise, the writing evocative and powerful, more a novel about spies than a spy novel, exciting, atmospheric, erotic, and impossible to put down. "As close to heaven as popular fiction can get." -Los Angeles Times, about The Foreign Correspondent "What gleams on the surface in Furst's books is his vivid, precise evocation of mood,

time, place, a letter-perfect re-creation of the quotidian details of World War II Europe that wraps around us like the rich fug of a wartime railway station." -Time "A rich, deeply moving novel of suspense that is equal parts espionage thriller, European history and love story." -Herbert Mitgang, The New York Times, about Dark Star "Some books you read. Others you live. They seep into your dreams and haunt your waking hours until eventually they seem the stuff of memory and experience. Such are the novels of Alan Furst, who uses the shadowy world of espionage to illuminate history and politics with immediacy." -Nancy Pate, Orlando Sentinel Drankeren New York Review of Books

Inspired by a true story, Hans Fallada's Alone in Berlin is the gripping tale of an ordinary man's determination to defy the tyranny of Nazi rule. Berlin, 1940, and the city is filled with fear. At the house on 55 Jablonski Strasse, its various occupants try to live under Nazi rule in their different ways: the bullying Hitler loyalists the Persickes, the retired judge Fromm and the unassuming couple Otto and Anna Quangel. Then the Quangels receive the news that

their beloved son has been killed fighting in France. Shocked out of their quiet existence, they begin a silent campaign of defiance, and a deadly game of cat and mouse develops between the Quangels and the ambitious Gestapo inspector Escherich. When petty criminals Kluge and Borkhausen also become involved, deception, betrayal and murder ensue, tightening the noose around the Quangels' necks ... This Penguin Classics edition contains an afterword by Geoff Wilkes, as well as facsimiles of the original Gestapo file which inspired the novel. 'One of the most extraordinary and compelling novels written about World War II. Ever' Alan Furst 'Terrific ... a fast-moving, important and astutely deadpan thriller' Irish Times 'An unrivalled and vivid portrait of life in wartime Berlin' Philip Kerr 'To read Fallada's testament to the darkest years of the 20th century is to be accompanied by a wise, somber ghost who grips your shoulder and whispers into your ear: "This is how it was. This is what happened"' The New York Times

A Still Small Voice Delta Darkly funny, searingly honest short stories from Hans Fallada, author of bestselling Alone in Berlin In these stories, criminals lament how hard it is to scrape a living by breaking

and entering; families measure their daily struggles in marks and pfennigs; a convict makes a desperate leap from a moving train; a ring - and with it a marriage - is lost in a basket of potatoes. Here, as in his novels, Fallada is by turns tough, darkly funny, streetwise and effortlessly engaging, writing with acute feeling about ordinary lives shaped by forces larger than themselves: addiction, love, money.

Noveller. Tales of low-lives, grifters and ordinary people trying to make ends meet in pre-war Germany

Alone in Berlin Penguin Group Looks at the nineteenth-century convergence of a new kind of excessive, habitual drinking, and a new way of thinking about the self, which we came to label 'existential'.

The Lonely Passion of Judith Hearne Anchor The return of a "superb" forgotten masterpiece about a young couple living in Weimar Germany during the Nazi's rise to power (Graham Greene) Written just before the Nazis came to power, this darkly enchanting novel tells the simple story of a young couple trying to eke out a decent life amidst an economic crisis that's transforming their country into a place of anger and despair. It was an international bestseller upon its release, and made into a Hollywood movie—by Jewish

producers, which prompted the rising Nazis to begin paying ominously close attention to Hans Fallada, even as his novels held out stirring hope for the human spirit. Ultimately, it is the book that led to Hans Fallada's downfall with the Nazis. It is presented here in its first-ever uncut translation, by Susan Bennett, and with an afterword by Philip Brady that details the calamitous background of the novel, its worldwide reception, and how it turned out to be, for the author, a dangerous book. "Painfully true to life . . . I have read nothing so engaging as *Little Man, What Now?* for a long time." —Thomas Mann

A New York Times Book Review Notable Book of the Year "To read Every Man Dies Alone, Fallada's testament to the darkest years of the 20th century, is to be accompanied by a wise, somber ghost who grips your shoulder and whispers in your ear: 'This is how it was. This is what happened.'" —The New York Times Book Review "I very much enjoyed the rediscovery of Hans Fallada ... a wonderful novel. Compelling." —Ian McEwan This never-before-translated masterpiece—by a heroic best-selling writer who saw his life crumble when he wouldn't join the Nazi Party—is based on a true story. It presents a richly detailed portrait of life in Berlin under the Nazis and tells the sweeping saga of one working-class

couple who decides to take a stand when their only son is killed at the front. With nothing but their grief and each other against the awesome power of the Reich, they launch a simple, clandestine resistance campaign that soon has an enraged Gestapo on their trail, and a world of terrified neighbors and cynical snitches ready to turn them in. In the end, it's more than an edge-of-your-seat thriller, more than a moving romance, even more than literature of the highest order—it's a deeply stirring story of two people standing up for what's right, and for each other.

Available for the first time in English, here is an unforgettable portrayal by a master novelist of the physical and psychological devastation wrought in the homeland by Hitler's war. Late April, 1945. The war is over, yet Dr Doll, a loner and 'moderate pessimist', lives in constant fear. By night, he is haunted by nightmarish images of the bombsite in which he is trapped — he, and the rest of Germany. More than anything, he wishes to

vanquish the demon of collective guilt, but he is unable to right any wrongs, especially in his position as mayor of a small town in north-east Germany that has been occupied by the Red Army. Dr Doll flees for Berlin, where he finds escape in a morphine addiction: each dose is a 'small death'. He tries to make his way in the chaos of a city torn apart by war, accompanied by his young wife, who shares his addiction. Fighting to save two lives, he tentatively begins to believe in a better future. Written with Fallada's distinctive power and vividness, *Nightmare in Berlin* captures the demoralised and desperate atmosphere of post-war Germany in a way that has never been matched or surpassed.

The Lonely Passion of Judith Hearne is an unflinching and deeply sympathetic portrait of a woman destroyed by self and circumstance. First published in 1955, it marked Brian Moore as a major figure in English literature (he would go on to be short-listed three times for the Booker Prize) and established him as an astute chronicler of the human soul. Judith Hearne is an unmarried woman of a certain age who has come down in society. She has few skills and is full of the prejudices and pieties of her genteel Belfast upbringing. But Judith has a secret life. And she is just one heartbreak away from revealing it to the world.
