Thief of Shadows Entangled: Edge
It's almost Christmas, and Emery Hazard finds himself face to face with his own personal nightmare: going on a double date with his partner—and boyhood crush—John-Henry Somerset. Hazard brings his boyfriend; Somers brings his estranged wife. Things aren't going to end well. When a strange call interrupts dinner, however, Hazard and his partner become witnesses to a shooting. The victims: Somers' s father, and the daughter of a high school friend. The crime is inexplicable. There is no apparent motive, no connection between the victims, and no explanation for how the shooter reached his targets. Determined to get answers, Hazard and Somers move forward with their investigation in spite of mounting pressure to stop. Their search for the truth draws them into a dark web of conspiracy and into an even darker tangle of twisted love and

illicit desire. And as the two men come face to face with the passions and madness behind the crime, they must confront their own feelings for each other—and the hard truths that neither man is ready to accept.

A WHOLE NEW REASON TO MIND THE GAP
It begins with a dead body at the far end of Baker Street tube station, all that remains of American exchange student James Gallagher—and the victim's wealthy, politically powerful family is understandably eager to get to the bottom of the gruesome murder. The trouble is, the bottom—if it exists at all—is deeper and more unnatural than anyone suspects... except, that is, for London constable and sorcerer's apprentice Peter Grant. With Inspector Nightingale, the last registered wizard in England, tied up in the hunt for the rogue magician known as "the Faceless Man," it's up to Peter to plumb the haunted depths of the oldest, largest, and—as of now—deadliest subway system in the world. At least he won't be alone. No, the FBI has sent over a crack agent to help. She's young, ambitious, beautiful... and a born-again Christian apt to view any magic as the work of the devil. Oh yeah—that's going to go well.

The Pelican Bride Forever

"When you're dumb enough for long enough, you're gonna meet someone too smart to love you, and they're gonna love you anyway, and it's gonna go so poorly," Neil Hilborn writes in his debut full-length collection, **OUR NUMBERED DAYS**. In 2013, Hilborn's poem "OCD" went viral, and has amassed over 11 million views to date. While this collection ruminates on love, heartbreak, and mental illness, these poems are anything but saccharine. Hilborn uses the same humor and self-deprecation that propelled "OCD" to success in order to make his unmatched vulnerability all the more powerful. Ultimately, Hilborn is a poet of the people: his work is accessible, honest, and entertaining; a revitalizing entry in contemporary poetry.

Lucien (Lucy) Minor is the resident odd duck in the bucolic hamlet of Bury. He also encounters the colorful people of the local village—thieves, madmen, aristocrats, and Klara, a delicate beauty for whose love he must compete with the exceptionally handsome soldier Adolphus.
