A companion to Kody Keplinger's debut novel, THE DUFF! Sonny Ardmore is an excellent liar. She lies about her dad being in prison. She lies about her mom kicking her out. And she lies about sneaking into her best friend's house every night because she has nowhere else to go. Amy Rush might be the only person Sonny shares everything with -- secrets, clothes, even a nemesis named Ryder Cross. Ryder's the new kid at Hamilton High and everything Sonny and Amy can't stand -- a prep-school snob. But Ryder has a weakness: Amy. So when Ryder emails Amy asking her out, the friends see it as a prank opportunity not to be missed. But without meaning to, Sonny ends up talking to Ryder all night online. And to her horror, she realizes that she might actually like him. Only there's one small catch: He thinks he's been talking to Amy. So Sonny comes up with an elaborate scheme to help Ryder realize that she's the girl he's really wanted all along. Can Sonny lie her way to the truth, or will all her lies end up costing her both Ryder and Amy?

Alek Khederian should have guessed something was wrong when his parents took him to a restaurant. Everyone knows that Armenians never eat out. Why bother, when their home cooking is far superior to anything "these Americans" could come up with? Between bouts of interrogating the waitress and criticizing the menu, Alek's parents announce that he'll be attending summer school in order to bring up his grades. Alek is sure this experience will be the perfect hellish end to his hellish freshmen year of high school. He never could've predicted that he'd meet someone like Ethan. Ethan is everything Alek wishes he were: confident, free-spirited, and irreverent. When Ethan gets Alek to cut school and go to a Rufus Wainwright concert in New York City's Central Park, Alek embarks on his first adventure outside the confines of his suburban New Jersey existence. He can't believe a guy this cool wants to be his friend. And before long, it seems like Ethan wants to be more than friends. Alek has never thought about having a boyfriend—he's barely ever had a girlfriend—but maybe it's time to think again. Michael Barakiva's *One Man Guy* is a romantic, moving, laugh-out-loud-funny story about what happens when one person cracks open your world and helps you see everything—and, most of all, yourself--like you never have before.

New York Times and USA Today bestselling author of *The DUFF* Kody Keplinger is back with a stunning new YA novel about the risks we'll take to save our friends ... and ourselves. Bo Dickinson is a girl with a wild reputation, a deadbeat dad, and a mama who's not exactly sober most of the time. Everyone in town knows the Dickinsons are a bad lot, but Bo doesn't care what anyone thinks. Agnes Atwood has never gone on a date, never even stayed out past ten, and never broken any of her parents' overbearing rules. Rules that are meant to protect their legally blind daughter -- protect her from what, Agnes isn't quite sure. Despite everything, Bo and Agnes become best friends. And it's the sort of friendship that runs truer and deeper than anything else. So when Bo shows up in the middle of the night, with police sirens wailing in the distance, desperate to get out of town, Agnes doesn't hesitate to take off with her. But running away and not getting caught will require stealing a car, tracking down Bo's dad, staying ahead of

the authorities, and-worst of all--confronting some ugly secrets.

Some people would say this is the story of a photograph. How it was taken and what happened to me after the whole world saw it. And it is. But it's also the story of a lot of other things. So look at the picture all you want. I am so much more than what you see.

Love and Other Theories is a fast-paced twist on the coming-of-age novel and the romantic comedy that Kirkus Reviews called "careful, subtle, and aching" in a starred review. Aubrey and her best friends made a pact to play by the guys' rules when it comes to dating. They're hoping the rules will keep them from experiencing high school heartbreak—they don't realize that these rules could just as easily keep them from opening their hearts and minds. And when new boy Nathan Diggs moves to town, Aubrey starts to think that some rules are meant to be broken. With equal parts bite and romance, topped off with an irresistibly engaging voice, Alexis Bass's novel is one you won't want to miss.

Whitley Johnson's dream summer with her divorce dad has turned into a nightmare. She's just met his new fiancée and her kids. The fiancée's son? Whitley's one-night stand from graduation night. Just freakin' great. Worse, she totally doesn't fit in with her dad's perfect new country-club family. So Whitley acts out. She parties. Hard. So hard she doesn't even notice the good things right under her nose: a sweet little future stepsister who is just about the only person she's ever liked, a best friend (even though Whitley swears she doesn't "do" friends), and a smoking-hot guy who isn't her stepbrother...at least, not yet. It will take all three of them to help Whitley get through her anger and begin to put the pieces of her family together. Filled with authenticity and raw emotion, Whitley is Kody Keplinger's most compelling character to date: a cynical Holden Caulfield-esque girl you will wholly care about.

From New York Times bestseller Kody Keplinger comes an astonishing and thought-provoking exploration of the aftermath of tragedy, the power of narrative, and how we remember what we've lost. It's been three years since the Virgil County High School Massacre. Three years since my best friend, Sarah, was killed in a bathroom stall during

the mass shooting. Everyone knows Sarah's story--that she died proclaiming her faith. But it's not true. I know because I was with her when she died. I didn't say anything then, and people got hurt because of it. Now Sarah's parents are publishing a book about her, so this might be my last chance to set the record straight . . . but I'm not the only survivor with a story to tell about what did--and didn't--happen that day. Except Sarah's martyrdom is important to a lot of people, people who don't take kindly to what I'm trying to do. And the more I learn, the less certain I am about what's right. I don't know what will be worse: the guilt of staying silent or the consequences of speaking up . . .
