The India-Pakistan Conflict: An Enduring Rivalry. The India-Pakistan rivalry remains one of the most enduring and unresolved conflicts of our times. It began with the birth of the two states in 1947, and it has continued ever since, with the periodic resumption of wars and crises.

A Punctuated Equilibrium Model of Enduring Rivalries

Abstract. In the past decade, enduring international rivalries have once again become the focus of intense scholarly inquiry due to the realization that many conflicts in the modern international system have taken place between the same pairs of states. Although much progress has been made in tracing the evolutionary patterns...
