Ever since almost exactly a hundred years ago the Grimms produced their Fairy Tale Book, folk-lorists have been engaged in making similar collections for all the other countries of Europe, outside Germany, till there is scarcely a nook or a corner in the whole continent that has not been ransacked for these products of the popular fancy. The Grimms themselves and most of their followers have pointed out the similarity or, one might even say, the identity of plot and incident of many of these tales throughout the European Folk-Lore field. Von Hahn, when collecting the Greek and Albanian Fairy Tales in 1864, brought together these common formul of the European Folk-Tale. These were supplemented by Mr. S. Baring-Gould in 1868, and I myself in 1892 contributed an even fuller list to the Hand Book of Folk-Lore. Most, if not all of these formul, have been found in all the countries of Europe where folk-tales have been collected. In 1893 Miss M. Roalfe Cox brought together, in a volume of the Folk-Lore Society, no less than 345 variants of Cinderella and kindred stories showing how widespread this particular formula was throughout Europe and how substantially identical the various incidents as reproduced in each particular country. It has occurred to me that it would be of great interest and, for folk-lore purposes, of no little importance, to bring together these common Folk-Tales of Europe, retold in such a way as to bring out the original form from which all the variants were derived. I am, of course, aware of the difficulty and hazardous nature of such a proceeding; yet it is fundamentally the same as that by which scholars are accustomed to restore the Ur-text from the variants of different families of MSS. and still more similar to the process by which Higher Critics attempt to restore the original narratives of Holy Writ. Every one who has had to tell fairy tales to children will appreciate the conservative tendencies of the child mind; every time you vary an incident the children will cry out, That was not the way you told us before.? The Folk-Tale collections can therefore be assumed to retain the original readings with as much fidelity as most MSS. That there was such an original rendering emanating from a single folk artist no serious student of Miss Cox's volume can well doubt. When one finds practically the same ?tags? of verse in such different dialects as Danish and Romaic, German and Italian, one cannot imagine that these sprang up independently in Denmark, Greece, Germany, and Florence. The same phenomenon is shown in another field of Folk-Lore where, as the late Mr. Newell showed, the same rhymes are used to brighten up the same children?s games in Barcelona and in Boston; one cannot imagine them springing up independently in both places. So, too, when the same incidents of a fairy tale follow in the same artistic concatenation in Scotland, and in Sicily, in Brittany, and in Albania, one cannot but assume that the original form of the story was hit upon by one definite literary artist among the folk. What I have attempted to do in this book is to restore the original form, which by a sort of international selection has spread throughout all the European folks.

The Claiming of Cinderella Routledge

Farmer Sam and his son Ryan are taking their prize pig to the county fair. Gertrude and Toby decide they have plenty of time to sneak off the farm for an extra adventure. But Gertrude and Toby soon discover that a giant has captured their friend, the Gingerbread Man! Gertrude and Toby come up with a plan to save him. But the giant, who is sleeping nearby, wakes up during their rescue!

Black Butler, Vol. 4 Music Sales Amer

Four volumes in the influential series of folklore and fairy tales collected from many cultures—for children of all ages. In a time when fairy tales were dismissed, even condemned, by academics and critics, Andrew Lang and his wife, Leonora Blanche Alleyne, worked to compile a multitude of these stories—not only helping them gain great

popularity among everyday readers but also changing the widespread perceptions of this kind of literature. This entertaining volume brings together four of Lang ’ s collections—The Blue Fairy Book, The Red Fairy Book, The Green Fairy Book, and The Yellow Fairy Book—totaling more than 150 stories.

Daniel X Standard Ebooks

Set in a fictional end of the 19th century England, the story revolves around a teenage boy named Allen Walker who is cursed with a cross mark on his hand that turns his arm into an enormous weapon, which he uses to hunt down and kill akumas. An akuma, generated by a 1,000-year-old phantom, is implanted into a human's soul during a moment of devastation and despair. The phantom uses the demons to then carry out his goal: destroy all humankind.

Godchild, Vol. 1 Harper Collins

Michael Fane arrives in the thin red house in Carlington Road to his new family of Nurse, Cook, Annie the housemaid, his younger sister Stella, and the occasional presence of Mother. From here, the novel follows the next twenty years of his life as he tries to find his place in the upper echelons of Edwardian society, through prep school, studies at Oxford, and his emergence into the wide world. The setting is rich in period detail, and the characters portrayed are vivid and more nuanced in their actions and stories than first impressions imply. Sinister Street was an immediate critical success on publication, although not without some worry for its openness to discuss less salubrious scenes, and it was a favourite of George Orwell and John Betjeman. Compton Mackenzie had attended both St. James’ school and St. Mary’s College at Oxford and the novel is at least partly autobiographical, but for the same measure was praised as an accurate portrayal of that experience; Max Beerbohm said "There is no book on Oxford like it. It gives you the actual Oxford experience." Although originally published in two volumes (in 1913 and 1914) for commercial reasons, the two form a single novel and have been brought back together again for this edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Earl and The Fairy Library of Alexandria

Mizuki loves living at the shrine with Nanami, but he hates that he has to stay behind when she goes to school. He hates even more that Tomoe gets to go with her. But Mizuki isn’t used to the human world, so Nanami thinks it’s safer if he just stays put. Can Mizuki become a master of the mundane, or will his secret foray into town end in disaster?! -- VIZ Media Red Riding Hood VIZ Media LLC

Beauty is a curse. It attracts the basest sort of men, even a beast. With her father deathly ill, Isabel Bielsa throws herself into their mutual passion: bookbinding. Hiding in the library also allows her to avoid the unwanted attentions of the local self-absorbed noblemen. But, there is only so many times one can read the same book. When the governing council demands her father's skills she happily goes in his stead. However, her new library assignment is far from private. Prince Aden of Iseldis, cursed into the form of a beast, keeps interrupting her work. With his idealistic standards and comfortable self-righteousness, she sees him as just another man besotted by her beauty. That is, until Isabel discovers that his curse has also affected his eyesight. As her feelings for him grow, Isabel nears the end of her assignment. Can she break Aden's curse before the magical attacker comes back to finish him off for good? Thorn of Rose is a fantasy retelling of Beauty and the beast. If you love sweet romance, a little bit of magic, and a headstrong heroine, then this story was written for you.

This book is an informative and comprehensive inquiry into the fairy mythology of the Celtic and Teutonic peoples. The Earl and The Fairy Grand Central Publishing London - the capital of the Great Empire - is once again under siege, as a string of bizarre attacks on British citizens returned from India sends rumours flying and casts a pall upon Queen Victoria's rule. Sent in by Her Majesty, young Earl Phantomhive and his most capable butler, Sebastian, follow a trail that collides head-on with an Indian youth who claims to be a prince. And this prince possesses an extraordinary butler of his own! As an intense rivalry between the two butlers begins to form, will the kitchen be the dueling duo's final battleground?!

Scottish Fiddlers' Session Tune Book Harper Collins

The book combines two main perspectives: the study of the social unconscious and the study of fairy tales. Examining

different versions of fairy tales told by different ethnic communities teaches us about the relations between universal and local/cultural aspects of the social unconscious. Exploring the unique status of fairy tales as located on the border line between concrete/somatic and abstract/linguistic realms sheds light on different levels of the human mind. The book focuses on a specific phenomenon common in fairy tales: a realization of idiomatic expressions - a phenomenon in which an abstract/mental idea is hidden behind a concrete event embedded in the plot. Deciphering the abstract idea out of the pictorial world of the fairy tale enables to understand the stories in a way which is not available otherwise. The book suggests interdisciplinary examination, reminding us the rich, deep messages hidden in fairy tales, and connecting us to early developments in the field of psychoanalysis, by suggesting new interpretation to old, ancient material.
