Edible flowers have been used in the culinary arts for flavor and garnish for hundreds of years.

Early reports indicate that the Romans used flowers in cooking, as did the Chinese, Middle Eastern and Indian cultures. During Queen Victoria ' s reign, edible flowers were popular and they are again popular in North America and Europe.

The edible Italian garden (Book, 1999) [WorldCat.org]

Certainly lettuce, spinach, Swiss chard, and kale figure in Italian cooking, but there are some greens, such as dandelions, that really capture the Italian cooking experience. Dandelions are best eaten as young greens in spring, and the whole dandelion can be eaten.
