Howard Gardner Biography. Howard Gardner is a developmental

psychologist best-known for this theory of multiple intelligences. He believed that the conventional concept of intelligence was too narrow and restrictive and that measures of IQ often miss out on other "intelligences" that an individual may possess.

The Education Of A Gardener

Howard Earl Gardner (born July 11, 1943) is an American developmental psychologist and the John H. and Elisabeth A. Hobbs Research Professor of Cognition and Education at the Harvard Graduate School of Education at Harvard

University. He is currently the senior director of Harvard Project Zero, and since 1995, he has been the co-director of The Good Project.

Howard Gardner - Wikipedia

Those who pursue a master's or bachelor's degree in horticulture can open their own business as a gardener or detail gardener, providing consultation and design services to residential clients and...

The Education Of A Gardener

The Education of a Gardener is one of the best guides to designing and planting a garden ever written. I

reread my dog-eared copy, the 1983 edition seen below, often. Born in the English countryside Page cultivated a love for nature and gardening at an early age.

Education : The Garden Conservancy Education. As part of the Garden Conservancy's mission to save and share outstanding American gardens for the education and inspiration of the public, we organize and co-sponsor lectures, symposia, Open Days, and garden tours in a range of different locations across the country. Many of the programs are presented in partnership with
