## Grotto

Our body is a temple where all elements reside and co-exist together in harmony. When this harmony is broken, human body is sick or dies. Elements are not just something distant and theoretical. In love magic, we can use the knowledge of elements in the magic work. Magic ritual can be designed in a way, that it will support, what is missing.

### 6 ELEMENTS (yes, 6!) – HOW AND WHY TO INVOKE THEM IN RITUAL

Air moves, carries seeds in its winds and transports things like pollen, spores, even heat. It can be a light breeze through the trees or gale force winds. Air is the element associated with transmission of information, language, communication, thought, memory, intelligence, bestowing and reception of wisdom and insight.

The Elements of Ritual: Air, Fire, Water & Earth in the ... Close out the circle when you are done, offering thanks to the Air element, you guides and the rest of the elements and herbs (from the oil) and trees (from the ash) that assisted you in this ritual. Be sure to journal any sensations, any transitions or intuitions that came through for you during this ritual.

The Elements of Ritual : Air, Fire, Water and Earth in the ... The Elements Of Ritual is a thorough investigation of advanced Wiccan ritual, an in-

depth study for those who are serious about Wicca. The elements and stages of ritual are explained from several angles, i.e. the magical aspects, the mythology behind it, the philosophical and the practical.

For this ritual of air, you might call the quarters in terms of air: east is straightforward, just call upon eagles or breezes. In the south, you could call on fire of air (steam, smoke), the west, water of air (clouds, mist, air-breathing water-dwellers like whales), and in the north earth of air (geysers that blow from the earth, stones carved by the wind over the ages).
