A daemon princess, super-tech & secrets that might get you killed?! Geeky artist Patrick Connolly just woke in the last place he ever thought he'd find himself—in bed with his classmate Nualla. However, as the drunken haze starts to wear off, he soon learns she's no longer his dream girl, she's his wife! But if he thinks his wildest dreams have just been granted, he's dead wrong. Because one night with her might literally mean his death. You see, Nualla's not just any girl, she's a Kalodaemon princess. A secret race of gazelle-horned beings who've lived alongside us for thousands of years. Hidden just beyond the range of human perception. And Patrick's troubles won't stop there, because Nualla's royal daemon family, tech-genius best friend, and their secret world will be coming along for the ride. Patrick might have thought navigating the social circles of their elite San Francisco private school was hard enough. But if he isn't careful, the intricate laws and perils of the Kalodaemon Empire might just get him killed. New York Times best-selling series - Omnibus - March Upcountry and March to the Sea, Books 1 and 2 in the Empire of Man Series. Roger Ramius MacClintock was young, handsome, athletic, an excellent dresser, and third in line for the Throne of Man. It probably wasn't too surprising that someone in his position should react by becoming spoiled, self-centered, and petulant. After all, what else did he have to do with his life? Then warships of the Empire of Man's worst rivals shoot his crippled vessel out of space and Roger is shipwrecked on the planet Marduk, whose jungles are full of deadly predators and barbarian hordes with really bad dispositions. Now all Roger has to do is hike halfway around the entire planet, then capture a spaceport from the Bad Guys, somehow commandeer a starship, and then go home to Mother for explanations. Fortunately, Roger has an ace in the hole: Bravo Company of Bronze Battalion of The Empress' Own Regiment. If anyone can get him off Marduk alive, it's the Bronze Barbarians. At the publisher's request, this title is sold without DRM (Digital Rights Management). The adventure continues as Royce and Hadrian aid the struggling kingdom of Melengar as it alone stands in defiance against the newly formed empire. War approaches and a desperate gamble behind enemy lines is their only chance at forming an alliance with the Nationalists to the south. But Royce has plans of his own as he uses this opportunity to discover if an ancient wizard is using Riyria as pawns in his own bid for power. To find the truth, Royce must unravel Hadrian's hidden past. What he discovers will lead them to the end of the known world, on a journey rife with treachery and intrigue. When author Michael J. Sullivan self-published the first books of his Riyria Revelations, they

rapidly became ebook bestsellers. Now, Orbit is pleased to present the complete series for the first time in bookstores everywhere. Xena, Warrior Princess: the Classic Years Omnibus Fawcett Books
An omnibus edition of the final three Dread Empire novels (Reap the East Wind, An Ill Fate Marshalling, and A Path to Coldness of Heart) from a pioneer of gritty and realistic epic fantasy, Glen Cook. The Dread Empire spans a continent: from the highest peaks of the Dragon's Teeth to the endless desert lands of Hammad al Nakir; from besieged Kavelin to mighty Shinsan . . . The time of the wrath of kings is close at hand. Bragi Ragnarson, now the king of Kavelin, has decided to join forces with Chatelain Mist, the exiled princess of Shinshan looking to usurp her throne. But in the deserts on the outskirts of the empire, a young victim of the Great Eastern Wars becomes the Deliverer of an eons-forgotten god, chosen to lead the legions of the dead. Wrath of Kings collects the final Dread Empire trilogy into a single volume. This epic narrative had been put on hold when the original manuscript to the final volume was stolen. Glen returned to the Dread Empire twenty years later, completely rewriting the concluding novel, A Path to Coldness of Heart. From the author of The Black Company comes an elaborate tale of nation-shattering conflict, maddening magic, strange creatures, and raw, flawed heroes, all shown through the filter of the author's inimitable war-correspondent prose.
