Private detective Vickie Nelson teams up with her old partner on the police force and a vampire who happens to be the illegitimate son of King Henry VIII to find the source of several vicious attacks plaguing Toronto.

Simon and Schuster

“ Contemporary urban fantasy at its best ” from the author of the Peacekeeper Trilogy (Locus). First published in 1989 and taking place in downtown Toronto, one of the earliest of the modern urban fantasies, Gate of Darkness, Circle of Light is the story of a fight against encroaching darkness by a developmentally handicapped young woman, a street musician with no idea of his potential, a bag-lady who ’ s tired of picking up the pieces, and an adept of the light. Mixing actual Toronto ghost-stories with traditional Faire, a police procedural, and a cat, Gate of Darkness, Circle of Light opened a gate at street level to the urban fantasy that followed “ In a departure from the ‘ strict ’ fantasy of Child of the Grove and The Last Wizard, Huff ’ s real-world fantasy presents an enlightened, compassionate view of the forgotten heroes of urban society. Highly recommended. ”

—Library Journal “ Enjoyable . . . A tale of magic existing in the modern world. ” —Fantasy Caf é “ A tale with sweep and

scope, interesting characters, and some impressively nasty menaces. ” —Booklist “ Huff ’ s sense of fun as she plays with the traditional elements should please even the most jaded of readers. ” —Charles de Lint “ Very much in the same tradition as Lackey ’ s SERRATED Edge novels and fans of those should also enjoy this. ” —Rambles

The second adventure in the Bartimaeus trilogy finds Nathaniel working his way up the ranks of the government, when crisis hits. A seemingly invulnerable clay golem is making random attacks on London. Nathaniel and Bartimaeus must travel to Prague to discover the source of the golem's power. Includes a preview chapter from Ptolemy's Gate, the third book in the series.

Lyrics from the Chinese The Enchantment Emporium

Carol Milford is an exuberant, liberal-hearted woman who marries a man from a small town. After they marry they settle in his home-town, Gopher Prairie, which Carol finds narrow and ugly. She throws herself into reforming the town, but is met only with derision by her own class. She decides to leave, but finds that the world outside is just as flawed as Gopher

Prairie. She remains uncowed, however, declaring "I do not admit that dish-washing is enough to satisfy all women!"

All year the half-bloods have been preparing for battle against the Titans, knowing the odds of victory are grim. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time.

The days of the image brands are over, and 'new marketing' has gone mainstream. The world's biggest companies are pursuing a post-advertising strategy, moving away from advertising and investing in leading edge alternatives. In the vanguard of the revolution has been John Grant, co-founder of the legendary agency St. Luke's and author of "The New Marketing Manifesto," whose radical thinking has informed a generation. Now Grant is set to stun the industry again. In "The Brand Innovation Manifesto," he redefines the nature of brands, showing why old models and scales no longer work and revealing that the key to success today is impacting people's lifestyles (think Starbucks, iPod and eBay). At the heart of the book is the concept of the 'brand molecule' to which new cultural ideas can be constantly added to keep pace with change. Cataloguing 32 classes of idea, Grant presents a practical approach to mixing and matching them

within your own market to develop new brand ideas - and new ideas for existing brands.

Enter once more the world of Roland Deschain—and the world of the Dark Tower...now presented in a stunning graphic novel form that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. “The man in black fled across the desert, and the gunslinger followed.” With these unforgettable words, millions of readers were introduced to Stephen King’s iconic character Roland Deschain of Gilead. Roland is the last of his kind, a “gunslinger” charged with protecting whatever goodness and light remains in his world—a world that “moved on,” as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering quest to locate and somehow save the mystical nexus of all worlds, all universes: the Dark Tower. Now, in the graphic novel series Stephen King's *The Dark Tower: Beginnings*, originally published by Marvel Comics in single-issue form and creatively overseen by Stephen King himself, the full story of Roland's troubled past and coming-of-age is revealed.

Sumptuously drawn by Jae Lee and Richard Isanove, plotted by longtime Stephen King expert Robin Furth, and scripted by New York Times bestselling author Peter David, *Beginnings* is an extraordinary and terrifying journey into Roland’s origins—ultimately serving as the perfect introduction for new readers to Stephen King’s modern literary classic *The Dark Tower*, while giving longtime fans thrilling adventures merely hinted at in his blockbuster novels. Bringing the dramatic history of Roland into chronological order—as originally published in the novels *The Gunslinger* and *Wizard and Glass*—*The Gunslinger Born* begins with a reckless act of courage that gains Roland his first set of guns and earns him and his friends, Cuthbert Allgood and Alain Johns, a special mission to the town of Hambry...not only for their personal safety but on behalf of the Affiliation—an alliance resisting the ruinous advance of “the Good Man,” a monster named John Farson. But the expedition will quickly become Roland’s first experience of the evil forces that he will encounter again and again throughout his life, and in a myriad of guises. And he will also discover the overwhelming power and pain of true love, through which, more than anything, he will learn beyond a shadow of a doubt what things are worth killing for....

#### *The Rapture of the Nerds* Macmillan

In Cory Doctorow's wildly successful *Little Brother*, young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Francisco—an experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, California's economy collapses, but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. It's incendiary stuff—and if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave him—but he can't admit to being the leaker, because that will cost his employer the election. He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He can't even attend a

demonstration without being dragged onstage and handed a mike. He's not at all sure that just dumping the archive onto the Internet, before he's gone through its millions of words, is the right thing to do. Meanwhile, people are beginning to shadow him, people who look like they're used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as current as next week, *Homeland* is every bit the equal of *Little Brother*—a paean to activism, to courage, to the drive to make the world a better place. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

#### **The Bezert** Taylor & Francis

#1 New York Times bestselling author Ilona Andrews invites you to experience the first novel in the “intriguing world” (Locus) of Kate Daniels with this special edition of *Magic Bites*... Kate Daniels is a down-on-her-luck mercenary who makes her living cleaning up magical problems. But when Kate’s guardian is murdered, her quest for justice draws her into a power struggle between two strong factions within Atlanta’s magic circles. Pressured by both sides to find the killer, Kate realizes she’s way out of her league—but she wouldn’t want it any other way... This special edition includes in-depth information about the world of Kate Daniels, with descriptions of its characters and factions. Explore Kate’s Atlanta like never before with answers to FAQ and a quiz to find your place there. And don’t miss the prequel story “A Questionable Client,” as well as scenes of events in *Magic Bites* from Curran’s point of view.

"Newly edited from the manuscripts and fully illustrated in color with paintings and drawings contemporaneous with the composition of the poem."

#### **My Early Life** The Floating Press

Discover the third book in the *Keeper's Chronicles*, where two young women master the possibilities of time and space, maintaining the balance between worlds to protect Earth. It started on the last day of high school, a day Diana Hansen had been anticipating for the last twelve years. Now, her real life could begin. For Diana, like her sister Claire, was a Keeper—gifted with the ability to reweave the possibilities of time and space to maintain the balance between Light and Darkness. What neither Diana nor Sam—formerly an angel, now a cat—could have anticipated was that her first Summons as an active Keeper would be to a shopping mall! But a quick trip to the Erlking’s Emporium, a gift shop in a Kingston mall, confirmed Diana’s worst suspicions. Not only was Darkness trying to stage a takeover from the Otherside, but if Diana didn’t bring in reinforcements, her first Summons might well be her last. Claire and Austin—who’d always been a cat and had little tolerance for cat wannabes like Sam—were only too ready to take on their “older and wiser” roles. But neither the Keepers nor their cats were prepared for what they found when they tried to cross from their world to the Otherside mall....
