Encyclopedia of White-Collar & Corporate Crime John Wiley & Sons  
Anyone living or working in a city has feared or experienced street crime at one time or another; whether it be a mugging, purse snatching, or a more violent crime. In the U.S., street crime has recently hovered near historic lows; hence, the declaration of certain analysts that street life in America has never been safer. But is it really? Street crime has changed over past decades, especially with the advent of surveillance cameras in public places—the territory of the street criminal—but at the same time, criminals have found ways to adapt. This encyclopedic reference focuses primarily on urban lifestyle and its associated crimes, ranging from burglary to drug peddling to murder to new, more sophisticated forms of street crime and scams. This traditional A-to-Z reference has significant coverage of police and courts and other criminal justice sub-disciplines while also featuring thematic articles on the sociology of street crime. Features &

Benefits: 175 signed entries within a single volume in print and electronic formats provide in-depth coverage to the topic of street crime in America. Cross-References and Suggestions for Further Readings guide readers to additional resources. Entries are supported by vivid photos and illustrations to better bring the material alive. A thematic Reader's Guide groups related entries by broad topic areas and, within the electronic version, combines with Cross-References and a detailed Index for convenient search-and-browse capabilities. A Chronology provides readers with a historical perspective of street crime in America. Appendices provide sources of data and statistics, annotated to highlight their relevance.  
CRIMINAL JUSTICE IN AMERICA. THE ENCYCLOPEDIA OF CRIME, LAW ENFORCEMENT, COURTS, AND CORRECTIONS. Wiley-Blackwell  
Presents a guide to female criminology, covering criminal offenders, policing, court cases, victims and victimology, and key figures in the criminal justice process.  
**Encyclopedia of Women and Crime** Encyclopedia of Criminology and Criminal Justice

Encyclopedia of Criminology and Criminal Justice John Wiley & Sons

This three-volume work offers a comprehensive review of the pivotal concepts, measures, theories, and practices that comprise criminology and criminal justice. No longer just a subtopic of sociology, criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology, political science, behavioral science, law, economics, public health, family studies, social work, and many others. The three-volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field's multidisciplinary nature in a single, authoritative reference work. More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive, international resource. The pivotal concepts, measures, theories, and practices of the field are

addressed with an emphasis on comparative criminology and criminal justice. While the primary focus of the work is on American criminology and contemporary criminal justice in the United States, extensive global coverage of other nations' justice systems is included, and the increasing international nature of crime is explored thoroughly. Providing the most up-to-date scholarship in addition to the traditional theories on criminology, the Encyclopedia of Criminology is the essential one-stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field.

The Encyclopedia of Criminology and Criminal Justice SAGE  
Written by two of the most prominent criminologists in the field, Race and Crime, Fourth Edition examines how racial and ethnic groups intersect with the U.S. criminal justice system. Award winning authors Shaun L. Gabbidon and Helen Taylor Greene

provide students with the latest data and research on White, Black, Hispanic/Latino, Asian-American, and Native American intersections with the criminal justice system. Rich with several timely topics such as biosocial theory, violent victimizations, police bias, and immigration policing, the Fourth Edition continues to investigate modern-day issues relevant to understanding race/ethnicity and crime in the United States. A thought-provoking discussion of contemporary issues is uniquely balanced with an historical context to offer students a panoramic perspective on race and crime. Accessible and reader friendly, this comprehensive text shows students how race and ethnicity have mattered and continue to matter in the administration of justice. Encyclopedia of Murder and Violent Crime SAGE  
'Consistently excellent.... The level and coverage of the content make this an invaluable reference for students studying criminology or taking criminal psychology modules at degree level and beyond' - Adam Toccock, Reference Reviews In discussing a criminology topic, lecturers and course textbooks often

toss out names of theorists or make a sideways reference to a particular theory and move on, as if assuming their student audience possesses the necessary background to appreciate and integrate the reference. However, university reference librarians can tell you this is often far from the case. Students often approach them seeking a source to provide a quick overview of a particular theory or theorist with just the basics - the who, what, where, how and why, if you will. And reference librarians often find it difficult to guide these students to a quick, one-stop source. In response, SAGE Reference is publishing the two-volume Encyclopedia of Criminological Theory, available in both print and electronic formats. This serves as a reference source for anyone interested in the roots of contemporary criminological theory. Drawing together a team of international scholars, it examines the global landscape of all the key theories and the theorists behind them, presenting them in the context needed to understand their strengths and weaknesses. In addition to interpretations of long-established theories, it also

offers essays on cutting-edge research as one might find in a handbook. And, like an unabridged dictionary, it provides concise, to-the-point definitions of key concepts, ideas, schools, and figures. Coverage will include: contexts and concepts in criminological theory the social construction of crime policy implications of theory diversity and intercultural contexts conflict theory rational choice theories conservative criminology feminist theory.

The Encyclopedia of Criminology and Criminal Justice Wiley-Blackwell Federal, state, county, and municipal police forces all have their own codes of conduct, yet the ethics of being a police officer remain perplexing and are often difficult to apply in dynamic situations. The police misconduct statistics are staggering and indicate that excessive use of force comprises almost a quarter of misconduct cases, with sexual harassment, fraud/theft, and false arrest being the next most prevalent factors. The ethical issues and dilemmas in criminal justice also reach deep into the legal professions, the structure and administration of justice in society, and the personal characteristics of those in the criminal justice professions. The Encyclopedia of Criminal Justice Ethics includes A to Z entries by experts in the field that explore the scope of ethical decision making and behaviors within the spheres

---

of criminal justice systems, including policing, corrections, courts, forensic science, and policy analysis and research. This two-volume set is available in both print and electronic formats. Features: Entries are authored and signed by experts in the field and conclude with references and further readings, as well as cross references to related entries that guide readers to the next steps in their research journeys. A Reader's Guide groups related entries by broad topic areas and themes, making it easy for readers to quickly identify related entries. A Chronology highlights the development of the field and places material into historical context; a Glossary defines key terms from the fields of law and ethics; and a Resource Guide provides lists of classic books, academic journals, websites and associations focused on criminal justice ethics. Reports and statistics from such sources as the FBI, the United Nations, and the International Criminal Court are included in an appendix. In the electronic version, the Reader's Guide, index, and cross references combine to provide effective search-and-browse capabilities. The

Encyclopedia of Criminal Justice Ethics provides a general, non-technical yet comprehensive resource for students who wish to understand the complexities of criminal justice ethics. Encyclopedia of Criminal Justice Ethics SAGE Publications  
The Encyclopedia of Criminology and Criminal Justice is an international, comprehensive reference tool for the field of Criminology and Criminal Justice that is both cutting edge as well as of very high scientific quality and prestige. This 10-volume work provides a complete and systematic coverage of the field that is unprecedented. The Encyclopedia "defines the field" through its choice of organization and entries. It combines this breadth of coverage with the authority and international perspective of an experienced editorial team, creating a definitive reference resource for students, scholars, and professionals."--Publisher's

description.

Springer

With more than 500 entries (including up-to-date information on such high profile cases as Martha Stewart and Enron), the Encyclopedia of White-Collar & Corporate Crime gathers history, definitions, examples, investigation, prosecution, assessments, challenges, and projections into one definitive reference work on the topic.

This two-volume encyclopedia incorporates information about a variety of white-collar crimes, and provides examples of persons, statutes, companies, and convictions. Each entry offers a thorough and thoughtful summary of the topic. Rather than a simple definition, users are given a satisfying and sophisticated synopsis with references for further study.
