"Why Is This Night Different from All Other Nights?" Little, Brown Books for Young Readers

A NEW YORK TIMES BESTSELLER A WALL STREET JOURNAL BESTSELLER A USA TODAY BESTSELLER A NATIONAL INDIEBOUND BESTSELLER From the author of *The Guest Room*, a powerful story about the ways an entire life can change in one night: A flight attendant wakes up in the wrong hotel, in the wrong bed, with a dead man -

and no idea what happened. Cassandra Bowden is no stranger to hungover mornings. She's a binge drinker, her job with the airline making it easy to find adventure, and the occasional blackouts seem to be inevitable. She lives with them, and the accompanying self-loathing. When she awakes in a Dubai hotel room, she tries to piece the previous night back together, counting the minutes until she has to catch her crew shuttle to the airport. She quietly slides out of bed, careful not to aggravate her already pounding head, and looks at the man she spent the night with. She sees his dark hair. His utter stillness. And blood, a slick, still wet pool on the crisp white sheets. Afraid to call the police - she's a single woman alone in a hotel room far from home - Cassie begins to lie. She lies as she joins the other flight attendants and pilots in the van. She lies on the way to Paris as she works the first class cabin. She lies to the FBI agents in

New York who meet her at the gate. Soon it's too late to come clean-or face the truth about what really happened back in Dubai. Could she have killed him? If not, who did? Set amid the captivating world of those whose lives unfold at forty thousand feet, *The Flight Attendant* unveils a spellbinding story of memory, of the giddy pleasures of alcohol and the devastating consequences of addiction, and of murder far from home.

A Novel *The End*
NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “A stunning novel about the transformative power of relationships” (People) from the author of *Conversations with Friends*, “a master of the literary page-turner” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST

BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country

Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for

Normal People “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney’s elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I’ve read.”—The New Yorker

[This Book Is Full of Spiders](#) Egmont Books (UK)

Longlisted for the Man Booker Prize David Nicholls brings the wit and intelligence that graced his enormously popular New York Times bestseller, *One Day*, to a compellingly human, deftly funny new novel about what holds marriages and families together—and what happens, and what we learn about ourselves, when everything threatens to fall apart. Douglas Petersen may be mild-mannered, but behind his reserve lies a sense of humor that, against all odds, seduces beautiful Connie into a second date . . . and eventually into marriage. Now, almost three decades after their relationship first blossomed in London,

they live more or less happily in the suburbs with their moody seventeen year-old son, Albie. Then Connie tells him she thinks she wants a divorce. The timing couldn't be worse. Hoping to encourage her son's artistic interests, Connie has planned a month-long tour of European capitals, a chance to experience the world's greatest works of art as a family, and she can't bring herself to cancel. And maybe going ahead with the original plan is for the best anyway? Douglas is privately convinced that this landmark trip will rekindle the romance in the marriage, and might even help him to bond with Albie. Narrated from Douglas's endearingly honest, slyly witty, and at times achingly optimistic point of view, *Us* is the story of a man trying to rescue his relationship with the woman he loves, and learning how to get closer to a son who's always felt like a stranger. *Us* is a moving meditation on the demands of marriage and parenthood, the regrets of abandoning youth for middle age, and the intricate relationship between the heart and the head. And in David Nicholls's gifted hands, Douglas's odyssey brings Europe—from the streets of Amsterdam to the famed museums of Paris, from the cafés of Venice to the beaches of Barcelona—to vivid life just as he experiences a powerful awakening of his

own. Will this summer be his last as a husband, or the moment when he turns his marriage, and maybe even his whole life, around?

Mark of Evil Penguin

Before the Baudelaires became orphans, before he encountered *A Series of Unfortunate Events*, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. Train travel! Murder! Librarians! *A Series Finale!* On all other nights, the train departs from Stain'd Station and travels to the city without stopping. But not tonight. You might ask, why is this night different from all other nights? But that's the wrong question. Instead ask, where is this all heading? And what happens at the end of the line? The final book in Lemony Snicket's bestselling series, *All the Wrong Questions*.

The End The Book Zondervan
"[Jason Pargin] has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were

creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." —Joe Garden, Features Editor, The Onion
"[Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." —Don Coscarelli, director, *Phantasm I-V*, Bubba Ho-tep
"That rarest of things--a genuinely scary story." —David Wellington, author of *Monster Island*, *Vampire Zero*
"JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels I've ever read." —Jacob Kier, Publisher, *Permuted Press*
STOP. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not

want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

The Islands at the End of the World Harper Collins
Stranded in Honolulu when a strange cloud causes a worldwide electronics failure,

sixteen-year-old Leilani and her father must make their way home to Hilo amid escalating perils, including her severe epilepsy.

A Novel HarperCollins
Heather and Picket are extraordinary rabbits with ordinary lives until calamitous events overtake them, spilling them into a cauldron of misadventures. They discover that their own story is bound up in the tumult threatening to overwhelm the wider world. Kings fall and kingdoms totter. Tyrants ascend and terrors threaten. Betrayal beckons, and loyalty is a broken road with peril around every bend. Where will Heather and Picket land? How will they make their stand?

The End of Everything Random House
'If you are interested in stories with happy endings, you would be better off reading some other book.' Violet, Klaus and Sunny Baudelaire are most unfortunate children. Orphaned after the sudden death of their parents in a house fire, they are left in the hands of their guardian, Count Olaf, who has diabolical plans for

them . . . 'A Series of Unfortunate Events' has sold more than 60 million copies worldwide, has been translated into 41 languages and was adapted into a 2004 film starring Jim Carrey. 'Wicked good fun' - Kirkus Reviews
If I Stay WestBow Press
Set in the 1870s, the same period as Wharton's *The Age of Innocence*, *The Buccaneers* is about five wealthy American girls denied entry into New York Society because their parents' money is too new. At the suggestion of their clever governess, the girls sail to London, where they marry lords, earls, and dukes who find their beauty charming—and their wealth extremely useful. After Wharton's death in 1937, *The Christian Science Monitor* said, "If it could have been completed, *The Buccaneers* would doubtless stand among the richest and most sophisticated of Wharton's novels." Now, with wit and imagination, Marion Mainwaring has finished the story, taking her cue from Wharton's own synopsis. It is a novel any Wharton fan will celebrate and any romantic reader will love. This is the richly

engaging story of Nan St. George and guy Thwarte, an American heiress and an English aristocrat, whose love breaks the rules of both their societies.
The Beatrice Letters Hogarth
The New York Times
bestselling, groundbreaking investigation of how the global elite's efforts to "change the world" preserve the status quo and obscure their role in causing the problems they later seek to solve. An essential read for understanding some of the egregious abuses of power that dominate today's news. Former New York Times columnist Anand Giridharadas takes us into the inner sanctums of a new gilded age, where the rich and powerful fight for equality and justice any way they can--except ways that threaten the social order and their position atop it. We see how they rebrand

themselves as saviors of the poor; how they lavishly reward "thought leaders" who redefine "change" in winner-friendly ways; and how they constantly seek to do more good, but never less harm. We hear the limousine confessions of a celebrated foundation boss; witness an American president hem and haw about his plutocratic benefactors; and attend a cruise-ship conference where entrepreneurs celebrate their own self-interested magnanimity. Giridharadas asks hard questions: Why, for example, should our gravest problems be solved by the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes? He also points toward an answer: Rather than rely on scraps from the winners, we must take on the grueling democratic work of

building more robust, egalitarian institutions and truly changing the world. A call to action for elites and everyday citizens alike.

Life as We Knew it Houghton Mifflin Harcourt

This is part of a ten volume set of reference books offering authoritative and engaging critical overviews of the state of political science. This work explores the business end of politics, where theory meets practice in the pursuit of public good.

The End Harper Collins
NEW YORK TIMES BESTSELLER •
Can't get enough of Joe Goldberg? Don't miss the latest thriller in Caroline Kepnes's compulsively readable You series, with an all-new plot not seen in the blockbuster Netflix show.
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE •
"Fiendish, fast-paced, and very funny."—Paula Hawkins,

#1 New York Times bestselling author of *The Girl on the Train* Joe Goldberg is done with the cities. He's done with the muck and the posers, done with Love. Now he's saying hello to nature, to simple pleasures on a cozy island in the Pacific Northwest. For the first time in a long time, he can just breathe. He gets a job at the local library—he does know a thing or two about books—and that's where he meets her: Mary Kay DiMarco. Librarian. Joe won't meddle, he will not obsess. He'll win her the old-fashioned way . . . by providing a shoulder to cry on, a helping hand. Over time, they'll both heal their wounds and begin their happily ever after in this sleepy town. The trouble is . . . Mary Kay already has a life. She's a mother. She's a friend. She's . . . busy.

True love can only triumph if both people are willing to make room for the real thing. Joe cleared his decks. He's ready. And hopefully, with his encouragement and undying support, Mary Kay will do the right thing and make room for him.

A Series of Unfortunate Events #13 CD: The End Penguin

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving

all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

After The Ending Penguin
Through journal entries, sixteen-year-old Miranda

describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

The Penultimate Peril Sesame Workshop

A book of blank pages for writing personal observations in the spirit of "A series of unfortunate events" by Lemony Snicket.

After the End Oxford University Press

A man fights to protect his family in this postapocalyptic survival novel—the first in the New World series. Young Gordon Van Zandt valued duty and loyalty to country above all, so after 9/11, he dropped out of college and joined the Marine Corps. This idealism vanished one fateful day in a war-torn city in Iraq. Ten years later, he is still struggling with the ghosts of his past when a new reality is thrust upon him and his family: North America, Europe and the Far East have all suffered a devastating Super-EMP attack, which causes catastrophic damage to the nation's power grid and

essential infrastructures. Everything from cell phones to cars to computers cease to function, putting society at a standstill. With civilization in chaos, Gordon must fight for the limited and fast dwindling resources. He knows survival requires action and cooperation with his neighbors, but as the days wear on, so does all sense of civility within his community—and so he must make some of the most difficult decisions of his life in order to ensure his family's safety.

A You Novel Macmillan

Who is Beatrice, the woman to whom Mr Snicket dedicates every book? There is no question more often asked by fans of Lemony Snicket. Now this captivating collection of letters between Lemony Snicket and Beatrice provides the answers.

A Memory of Light Egmont Books (UK)

Dear Listener, You are presumably looking at the back of this audiobook, or the end of the end. The end of the end is the best place

to begin the end, because if you listen to the end from the beginning of the beginning of the end to the end of the end of the end, you will arrive at the end of the end of your rope. This audiobook is the last in A Series of Unfortunate Events, and even if you braved the previous twelve volumes, you probably can't stand such unpleasantries as a fearsome storm, a suspicious beverage, a herd of wild sheep, an enormous bird cage, and a truly haunting secret about the Baudelaire parents. I also shouldn't mention the features of the interactive CD, which include: Perplexing word games Photos from The Lemony Snicket Archives Art from The Brett Helquist gallery It has been my solemn occupation to complete the history of the Baudelaire orphans, and at last I am

finished. You likely have some other occupation, so if I were you I would drop this audiobook at once, so the end does not finish you. With all due respect, Lemony Snicket **A Game of Thrones** Zondervan THE INSTANT NEW YORK TIMES BESTSELLER The alternate history first contact adventure Axiom's End is an extraordinary debut from Hugo finalist and video essayist Lindsay Ellis. Truth is a human right. It's fall 2007. A well-timed leak has revealed that the US government might have engaged in first contact. Cora Sabino is doing everything she can to avoid the whole mess, since the force driving the controversy is her whistleblower father. Even though Cora hasn't spoken to him in years, his celebrity has caught the attention of the press, the Internet, the paparazzi, and the government—and with him in hiding, that attention is on her. She neither knows nor

cares whether her father's leaks are a hoax, and wants nothing to do with him—until she learns just how deeply entrenched her family is in the cover-up, and that an extraterrestrial presence has been on Earth for decades. Realizing the extent to which both she and the public have been lied to, she sets out to gather as much information as she can, and finds that the best way for her to uncover the truth is not as a whistleblower, but as an intermediary. The alien presence has been completely uncommunicative until she convinces one of them that she can act as their interpreter, becoming the first and only human vessel of communication. Their otherworldly connection will change everything she thought she knew about being human—and could unleash a force more sinister than she ever imagined.

**A Series of Unfortunate Events:
The Blank Book** HarperCollins

Inseparable best friends Kate and Tully, two young women who, despite their very different lives, have vowed to be there for each other forever, have been true to their promise for thirty years, until events and choices in their lives tear them apart. Reprint. 300,000 first printing.
