Steinbeck's tough yet charming portrait of people on the margins of society, dependant on one another for both physical and emotional survival. Published in 1945, Cannery Row focuses on the acceptance of life as it is: both the exuberance of community and the loneliness of the individual. Drawing on his memories of the real inhabitants of Monterey, California, including longtime friend Ed Ricketts, Steinbeck interweaves the stories of Doc, Dora, Mack and his boys, Lee Chong, and the other characters in this world where only the fittest survive, to create a novel that is at once one of his most humorous and poignant works. In her introduction, Susan Shillinglaw shows how the novel expresses, both in style and theme, much that is essentially Steinbeck: "scientific detachment, empathy toward the lonely and depressed...and, at the darkest level...the terror of isolation and nothingness." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.

HERD IMMUNITY by Tananarive Due

John Dies at the End Tor Books

John Hill and Marvino Buck sit in a prison cell, watching the world fall apart on the news. Janay Williamson, a guard at the Cook County Jail, finds herself surrounded by violent men when civilization begins to crumble. Henry Haynes is a doctor in the middle of his shift when he notices the hospital is eerily silent. None of them knew the world would end that day. Now that it has, they all will have to fight to stay alive. With the world collapsing all around them, death seems imminent. Surviving quickly becomes all that there is. The only thing separating life from death is who wants it more. Who has the strongest will to survive? All seems lost at the beginning of the end . . .

[The End Is Nigh](#) Routledge

David and John become embroiled in a new set of horrific but absurd challenges when movie-induced zombie phobia enables a nefarious shape-shifter race to take over the world.

First Avenue Editions™

Can Long Endure is the third of four thrilling instalments of John Scalzi's The End of All Things. The full novel is also available to buy. Our fate is in their hands . . . The Colonial Union's Defence Force was formed to save humanity when aggressive alien species targeted our worlds. Now Lieutenant Harry Wilson has an urgent new mission, as a hostile universe becomes ever more dangerous. He must investigate a sinister group, which lurks in the darkness of space playing different factions against one another. They'll target both humans and aliens, and their motives are unfathomable. The Defence Force itself is weakening as its soldiers fall - without recruits to replace them. Relations with Earth have broken down and it will send no more troops, even as human colonies become increasingly vulnerable to alien attack. Lieutenant Wilson and Colonial Union diplomats must race to keep the peace, seek reconciliation with an enraged Earth, and maintain humanity's unity at all costs. If they don't, it will mean oblivion, extinction and the end of all things.

[The God of Hope and the End of the World](#) Page Publishing Inc

New York Times bestselling author Jason Pargin's hilarious and horrifying John Dies at the End series continues with *If This Book Exists, You're in the Wrong Universe*. "Pargin once again delights with scathing social commentary thinly disguised as an outrageous action novel...This is a feast."—Publishers Weekly "Within the snarky humor is an incisive commentary on social media and the state of our connected world, and a story about trauma and how people lash out when they're hurt...This isn't just a funny tale of inept supernatural investigators; it's a story of people struggling through pain to find a better path. Pargin offers us a welcome note of hope." —Booklist If the broken neon signs, shuttered storefronts, and sub-standard housing didn't tip you off, you've just wandered into the city of "Undisclosed". You don't want to be caught dead here, because odds are you just might find yourself rising from the grave. That hasn't stopped tourists from visiting to check out the unusual phenomena that hangs around our town like radioactive fallout. Interdimensional parasites feeding on human hosts, paranormal cults worshipping demonic entities, vengeful teenage sorcerers, we've got it all. Did I mention the possessed toy? It's a plastic football-sized egg that's supposed to hatch an adorable, colorful stuffed bird when a child "feeds" it through a synchronized smartphone app.

What's actually inside is an otherworldly monstrosity that's enticing impressionable wayward youth into murdering folks and depositing their body parts inside the egg as if it's a hungry piggy bank to trigger the end of the world. That's where Dave, John, and Amy come in. They face supernatural threats so the rest of us don't have to—and sometimes even earn a couple of bucks to do so. But between the bloody ritual sacrifices and soul-crushing nightmares, our trio realizes this apocalypse is way above their pay grade.

[The Daily Show \(The Book\)](#) John Wiley & Sons

"A thrill-packed" blend of science fiction and apocalyptic thriller from the veteran horror writer and author of *Halo: Broken Circle* (Metro Silicon Valley). Judgment Day has arrived, and it's stranger than anyone could have predicted. . . . Jim Swift, a reporter for the Sacramento Bee, is determined to get to the bottom of the recent bizarre global occurrences that seem to be more in the realm of outlandish conspiracy theories than real-life facts. People who once trafficked in slaves, war, cruelty, and death are suddenly experiencing strange visions and reexamining their lives. But the inexplicable rehabilitation of humanity's worst evildoers is only the beginning. As Jim sets out on a frantic search for his lost daughter, he must traverse a world reduced to the chaos of fear and uncertainty—for the end of everything we've ever known will be at hand once the Adjusters arrive from the stars. The Other End, John Shirley's brilliant and biting apocalyptic thriller, is the veteran author's answer to the bestselling *Left Behind* novels. A magnificent amalgam of science fiction, horror, satire, and heart-pounding adventure, it's a stunning and thought-provoking tale of righteous redemption in a dystopian near-future.

Why do you act the way you do? Do you ever feel like you get stuck in destructive cycles that hold you back from living the life you really want? In a dynamic, compelling and aha-filled journey, *Stop Doing That Sh*t* helps you connect the dots of your "stuff" all the way from your past to the present. You'll make sense of yourself as you uncover how to interrupt those destructive cycles of yours and make the kind of profound shift needed to get your life on track. If you can't save money, if you keep ending up in the same types of toxic relationships, if you feel unloved, don't fit in, not enough or any one of the myriad of ways that a human being trashes an otherwise good life, this is the book for you. Written in the same irreverent, in-your-face style that resonated with the hundreds of thousand of fans who read *Unfu*k Yourself*, *Stop Doing that Sh*t* skillfully reveals our deepest subconscious machinery, with a real-world approach to powerfully translate our most negative thoughts and behaviors into a vitalizing, sabotage-free future. "Stop indulging yourself with fantasies and dramas and unresolved issues. Wake the hell up!" Bishop writes. Look, you might have fu*ked up in the past, so what? *Stop Doing That Sh*t* reveals how you can break free of those deep-seated patterns to live the life you always knew you wanted but could never quite seem to have. As Bishop says, "The future has arrived. Now what the hell are you going to do about it?"

The End of the Night Penguin

How Far Can Home Prices Fall? What Can You Do to Protect Yourself? Home prices are seriously overvalued in many regions of the United States. The question is no longer if, but rather how far, home prices will fall and over what time frame this bubble will deflate. Home values have been escalating in real terms since 1981, the year nominal interest rates last peaked. And the greatest price increases in percentage terms have been in the wealthiest and most exclusive cities in the world. *Sell Now!* analyses the evidence and offers clear explanations of these perplexing issues. Overly aggressive mortgage lenders have fueled this overheated market by extending too much credit to home buyers and by offering ever-more exotic forms of mortgages. Many home buyers have been caught in a never-ending race to achieve status, often overpaying for homes in the "right" neighborhoods. And people's pursuit of easy profits has pushed prices to unsustainable levels. Finally, there is a reasoned analysis that not only explains how home prices got this high, but why they are sure to fall and by what amount. *Sell Now!* debunks many theories that purport to show that home prices are either reasonable or are sustainable at their current high levels. How bad can it get? Unlike previous home-price declines, this cycle has the potential to be not only national, but international in scope. The national economy, so dependent on the housing, mortgage, real estate, banking, and construction industries for growth, is at risk and the entire banking system might come under fire. You owe it to yourself to become better informed about the possible impact on you, your family and your most

important asset---your home.

The End of the World Tor Books

An adrenaline-charged tale of unrelenting suspense that sparks with raw and savage energy... The newspapers scream out headlines that spark terror across the city. Ten murders on the New York City subway. Ten grisly crimes that defy all reason -- no pattern, no m.o., no leads for police to pursue. The press dubs the fiend the "Subway Psycho"; the NYPD desperately seeks their quarry before the city erupts in mass hysteria. But they won't find what they're looking for. Because they all think that the killer is human. Only a few know the true story -- a story the papers will never print. It is a tale of abject terror and death written in grit and steel... and blood. The tale of a man who vanished into the bowels of the urban earth one night, taken by a creature of unholy evil, then left as a babe abandoned on the doorstep of Hell. Now he is back, driven by twin demons of rage and retribution. He is unstoppable. And we are all his prey... unless a ragtag band of misfit souls will dare to descend into a world of manmade darkness, where the real and unreal alike dwell in endless shadow. A place where humanity has been left behind, and the horrifying truth will dawn as a madman's chilling vendetta comes to light... Filled with gripping drama and harrowing doomsday dread, *The Light at the End* is the book that ushered in a bold new view of humankind's most ancient and ruthless evil; a mesmerizing novel from two acknowledged masters of spellbinding suspense.

The Light at the End Pan Macmillan

This portrait of social change in the North China plain depicts how the world of the Chinese peasant evolved during an era of war and how it in turn shaped the revolutionary process. The book is based on evidence gathered from archives and interviews with villagers and rural officials.

The End of All Things John Dies at the End

New Agers count off the days until the Mayan calendar ends in 2012. Evangelical Christians look for the Antichrist and long for the Rapture. Extropians dream of the Singularity, when super-intelligent computers will abolish all human limits to progress. Doomers stockpile freeze-dried food as they wait for civilization to crash and burn. Why are we waiting for Armageddon? Almost since the beginning of civilization, an insatiable willingness to believe has driven people to dream of the apocalypse that will replace the world they've got with the one they've always wanted. All of these predictions have one thing in common: every one of them has been wrong. From brilliant seers and religious visionaries to conspiracy theorists and fundamentalists, *Apocalypse Not* exposes prophecies of doom.--From publisher description.

The End of All Things Part 3 Open Road Media

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear--England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

The Last Emperox Hachette UK

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Comfort of Things Macmillan

"[Jason Pargin] has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." --Joe Garden, Features Editor, *The Onion* "[Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." --Don Coscarelli, director, *Phantasm I-V*, *Bubba Ho-tep* "That rarest of things--a genuinely scary story." --David Wellington, author of *Monster Island*, *Vampire Zero* "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all

at once. This is one of the most entertaining and addictive novels I've ever read." --Jacob Kier, Publisher, *Permuted Press STOP*. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

*Stop Doing That Sh*t* Cleis Press

What do we know about ordinary people in our towns and cities, about what really matters to them and how they organize their lives today? This book visits an ordinary street and looks into thirty households. It reveals the aspirations and frustrations, the tragedies and accomplishments that are played out behind the doors. It focuses on the things that matter to these people, which quite often turn out to be material things - their house, the dog, their music, the Christmas decorations. These are the means by which they express who they have become, and relationships to objects turn out to be central to their relationships with other people - children, lovers, brothers and friends. If this is a typical street in a modern city like London, then what kind of society is this? It's not a community, nor a neighbourhood, nor is it a collection of isolated individuals. It isn't dominated by the family. We assume that social life is corrupted by materialism, made superficial and individualistic by a surfeit of consumer goods, but this is misleading. If the street isn't any of these things, then what is it? This brilliant and revealing portrayal of a street in modern London, written by one the most prominent anthropologists, shows how much is to be gained when we stop lamenting what we think we used to be and focus instead on what we are now becoming. It reveals the forms by which ordinary people make sense of their lives, and the ways in which objects become our companions in the daily struggle to make life meaningful.

Cannery Row Starry Forest Books

The Last Emperox is the thrilling conclusion to the award-winning, New York Times and USA Today bestselling *Interdependency* series, an epic space opera adventure from Hugo Award-winning author John Scalzi. The collapse of *The Flow*, the interstellar pathway between the planets of the *Interdependency*, has accelerated. Entire star systems--and billions of people--are becoming cut off from the rest of human civilization. This collapse was foretold through scientific prediction . . . and yet, even as the evidence is obvious and insurmountable, many still try to rationalize, delay and profit from, these final days of one of the greatest empires humanity has ever known. Emperox Grayland II has finally wrested control of her empire from those who oppose her and who deny the reality of this collapse. But "control" is a slippery thing, and even as Grayland strives to save as many of her people from impoverished isolation, the forces opposing her rule will make a final, desperate push to topple her from her throne and power, by any means necessary. Grayland and her thinning list of allies must use every tool at their disposal to save themselves, and all of humanity. And yet it may not be enough. Will Grayland become the savior of her civilization . . . or the last emperox to wear the crown? *The Interdependency Series 1. The Collapsing Empire 2. The Consuming Fire 3. The Last Emperox* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Apocalypse Not CreateSpace

If you knew sudden destruction would fall upon the earth in the next twenty-four hours, how would you spend your last moments? Join New York Times bestselling author John Hagee as he uses Scripture as a guide to count down the prophetic minutes through the events which must occur before every individual faces God on Judgment Day. Charting international news events, including recent peace agreements in the Middle East, Hagee synchronizes these headlines with the biblical timeline for the last days, producing a compelling argument that life on Earth is about to expire. What else must take place before the arrival of Judgment Day? This very timely message discusses: The reality of virtual terrorism The financial crisis and economic crash Opposing views of the Rapture Recent peace agreements in the Middle East that impact Israel and a potential Russian invasion Nuclear wars The purpose of the Tribulation and the Millennium Significantly updated and revised from its previous publication under the title *From Daniel to Doomsday*, this is quintessential Hagee on Bible prophecy and End-Times teaching. This insightful book is an ideal resource for Christians who are looking for a guide to what the Bible says about the end times--and how to recognize that they are approaching. Mark it down: The End of the Age is approaching, but it won't be ushered in by space aliens or catastrophic asteroids. Hagee guides us through the timeline before that fateful moment when every unredeemed individual must face God on Judgment Day.

The War of the Worlds Titan Books (US, CA)

Originally published in 1960, this analysis of all of Locke's publications quickly became established as the standard edition of the Treatises as well as a work of political theory in its own right.
