There is also a secret room under the mountain of pillows you can enter by jumping into it with the ice hat, where you can read Hat Kid's secret diary. The window is a plain, round bar, similar to the Machine Room and Engine Room. If you wait in this room for about 25 minutes, a creepy noise plays for about 7 seconds. Requires 7 Time Pieces To ...

The Engine Rooms are the eleventh (11th) area in Amnesia: A Machine for Pigs, it contains an elevator, the pressure regulation console, multiple corridors as well as the main engine room. A note can be found in this area, explaining how children from the orphanage were used to clean the steaming hot pipes. Mandus' psyche has become very unstable in this area, as he is often hallucinating and ...

Montague, affectionately known as "Duck" because of his supposed waddle, is a green pannier tank engine. Duck runs his own branch line with Oliver. He holds great pride in being Great Western and this results in him having a strong work ethic. This can, however, be a cause for friction with his colleagues, when he insists that his way is the only right way to do things. In the Railway Series ...
