HarperCollins
In the #1 New
York Times
bestseller, the
former Assistant to

the President and
Director of
Communications
for the Office of
Public Liaison in
the Trump White
House provides an
eye-opening and
“ explosive ” (The
Boston Globe) look
into the corruption
and controversy of
the current
administration. Few
were a member of
Donald Trump ’ s
inner orbit longer
than Omarosa
Manigault
Newman. Their
relationship
spanned fifteen
years—through
four television
shows, a
presidential
campaign, and a
year by his side in
the most chaotic,
outrageous White

House in history.
But that
relationship came
to a decisive and
definitive end, and
Omarosa finally
shares her side of
the story in this
“deftly
executed” (The
Guardian), jaw-
dropping account.
A stunning tell-all
and takedown from
a strong, intelligent
woman who took
every name and
number, *Unhinged*
is a must-read for
any concerned
citizen.

A Field Guide
to Lies Orbit
What hope has
a humble
adventurer
when faced
with a fight
against

Cthulhu
himself? No
matter; the
true
swordsperson
cares only for
the bite of
steel against
flesh, whether
that flesh be
eldritch or
more
conventional.
So, grab your
khukuri knife,
your iklwa
spear, or a

ON MUSIC, a primer to the critical thinking that is more necessary now than ever. We are bombarded with more information each day than our brains can process—especially in election season. It's raining bad data, half-truths, and even outright lies. New York Times bestselling author Daniel J. Levitin shows how to recognize misleading announcements, statistics, graphs, and written reports revealing the ways lying weasels can use them. It's becoming harder to separate the wheat from the digital chaff. How do we distinguish misinformation, pseudo-facts, distortions, and outright lies from reliable information? Levitin groups his field guide into two categories—statistical information and faulty arguments—ultimately showing how science is the bedrock of critical thinking. Infoliteracy means understanding that there are hierarchies of source quality and bias that variously distort our information feeds via every media channel, including social media. We may expect newspapers, bloggers, the government, and Wikipedia to be factually and logically correct, but they so often aren't. We need to think critically about the words and numbers we encounter if we want to be successful at work, at play, and in making the most of our lives. This means checking the plausibility and reasoning—not passively accepting information, repeating it, and

making decisions based on it. Readers learn to avoid the extremes of passive gullibility and cynical rejection. Levitin's charming, entertaining, accessible guide can help anyone wake up to a whole lot of things that aren't so. And catch some lying weasels in their tracks!

Olga Dies

Dreaming Orbit Bourne Identity meets Karen McManus in this action-packed series opener about a spy gone rogue, perfect for fans of Ally Carter

and Killing Eve. Jessie Archer is a member of the Athena Protocol, an elite organization of female spies who enact vigilante justice around the world. Athena operatives are never supposed to shoot to kill—so when Jessie can't stop herself from pulling the trigger, she gets kicked out of the organization, right before a huge mission to take down a human trafficker in Belgrade. Jessie needs to right her wrong

and prove herself, so she starts her own investigation into the trafficking. But going rogue means she has no one to watch her back as she delves into the horrors she uncovers. Meanwhile, her former teammates have been ordered to bring her down. Jessie must face danger from all sides if she's to complete her mission—and survive. Don't miss this gripping page-turner that New York Times bestselling author Patrick

Ness called “a ferocious, take-no-prisoners thriller that actually thrills!” **Pandemic, Inc.** Sphere
NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK • WINNER OF THE BROOKLYN PUBLIC LIBRARY PRIZE • INTERNATIONAL LATINO BOOK AWARD FINALIST
A blazing talent debuts with the tale of a status-driven wedding planner grappling with her social ambitions, absent mother, and Puerto Rican roots—all in the wake of Hurricane Maria NAMED ONE OF THE BEST BOOKS OF THE YEAR: Kirkus,

Washington Post, TIME, NPR, Vogue, Esquire, Book Riot, Goodreads, EW, Reader's Digest, and more! "Don't underestimate this new novelist. She's jump-starting the year with a smart romantic comedy that lures us in with laughter and keeps us hooked with a fantastically engaging story." —The Washington Post It's 2017, and Olga and her brother, Pedro “Prieto” Acevedo, are boldfaced names in their hometown of New York. Prieto is a popular congressman representing their gentrifying Latinx neighborhood in Brooklyn, while Olga is the tony wedding planner for

Manhattan's power brokers. Despite their alluring public lives, behind closed doors things are far less rosy. Sure, Olga can orchestrate the love stories of the 1 percent but she can't seem to find her own. . . until she meets Matteo, who forces her to confront the effects of long-held family secrets. Olga and Prieto's mother, Blanca, a Young Lord turned radical, abandoned her children to advance a militant political cause, leaving them to be raised by their grandmother. Now, with the winds of hurricane season, Blanca has come barreling back into their lives. Set against the backdrop of New

York City in the months surrounding the most devastating hurricane in Puerto Rico's history, Xochitl Gonzalez's *Olga Dies Dreaming* is a story that examines political corruption, familial strife, and the very notion of the American dream—all while asking what it really means to weather a storm. *The Slave Dancer* Orbit
Hegel and Manfred Grossbart may not consider themselves bad men -- but death still stalks them through the dark woods of medieval Europe. The year is 1364, and the brothers Grossbart have embarked on a naïve quest for fortune. Descended

from a long line of graverobbers, they are determined to follow their family's footsteps to the fabled crypts of Gyptland. To get there, they will have to brave dangerous and unknown lands and keep company with all manner of desperate travelers—merchants, priests, and scoundrels alike. For theirs is a world both familiar and distant; a world of living saints and livelier demons, of monsters and madmen. The Brothers Grossbart are about to discover that all legends have their truths, and worse fates than death await those who would take the red road of villainy.

The Enterprise

of Death Harvard University Press
First published in 1973, this remarkable book about life in a small turn-of-the-century Wisconsin town has become a cult classic. Lesy has collected and arranged photographs taken between 1890 and 1910 by a Black River Falls photographer, Charles Van Schaik. *Engulfed* Simon and Schuster
As the witch-pyres of the Spanish Inquisition blanket Renaissance Europe in a moral haze, a young

African slave finds herself the unwilling apprentice of an ancient necromancer. Unfortunately, quitting his company proves even more hazardous than remaining his pupil when she is afflicted with a terrible curse. Yet salvation may lie in a mysterious tome her tutor has hidden somewhere on the war-torn continent. She sets out on a seemingly impossible journey to find the book, never suspecting her fate is tied to three strangers: the artist Niklaus Manuel Deutsch,	the alchemist Dr. Paracelsus, and a gun-slinging Dutch mercenary. As Manuel paints her macabre story on canvas, plank, and church wall, the young apprentice becomes increasingly aware that death might be the least of her concerns.	failure become successful through strategic redirection. <i>Killing Mister Watson</i> Simon and Schuster For much of his thirties, Jesse Bering thought he was probably going to kill himself. He was a successful psychologist and writer, with books to his name and bylines in major magazines. But none of that mattered. The impulse to take his own life remained. At times it felt all but inescapable. Bering survived. And in addition to relief, the fading of his suicidal thoughts brought curiosity. Where had they come from? Would they
---	--	--

return? Is the suicidal impulse found in other animals? Or is our vulnerability to suicide a uniquely human evolutionary development? In *Suicidal*, Bering answers all these questions and more, taking us through the science and psychology of suicide, revealing its cognitive secrets and the subtle tricks our minds play on us when we're easy emotional prey. Scientific studies, personal stories, and remarkable cross-species comparisons come together to help readers critically analyze their own doomsday thoughts while gaining broad insight into a problem that,

tragically, will most likely touch all of us at some point in our lives. But while the subject is certainly a heavy one, Bering's touch is light. Having been through this himself, he knows that sometimes the most effective response to our darkest moments is a gentle humor, one that, while not denying the seriousness of suffering, at the same time acknowledges our complicated, flawed, and yet precious existence. Authoritative, accessible, personal, profound—there's never been a book on suicide like this. It will help you understand yourself and your loved ones, and it will

change the way you think about this most vexing of human problems. **Sweetland: A Novel** University Press of Kentucky "A powerful document of the inner lives and creative visions of men and women rendered invisible by America's prison system. More than two million people are currently behind bars in the United States. Incarceration not only separates the imprisoned from their families and communities; it also exposes them to shocking levels of deprivation and abuse and subjects them to the arbitrary cruelties of the criminal justice system. Yet, as

Nicole Fleetwood reveals, America's prisons are filled with art. Despite the isolation and degradation they experience, the incarcerated are driven to assert their humanity in the face of a system that dehumanizes them. Based on interviews with currently and formerly incarcerated artists, prison visits, and the author's own family experiences with the penal system, *Marking Time* shows how the imprisoned turn ordinary objects into elaborate works of art. Working with meager supplies and in the harshest conditions—including solitary confinement—these artists find ways to resist the brutality and depravity that prisons engender. The impact of their art, Fleetwood observes, can be felt far beyond prison walls. Their bold works, many of which are being published for the first time in this volume, have opened new possibilities in American art. As the movement to transform the country's criminal justice system grows, art provides the imprisoned with a political voice. Their works testify to the economic and racial injustices that underpin American punishment and offer a new vision of freedom for the twenty-first century."

Wisconsin Death Trip HarperCollins

The epic tale of an endangered Newfoundland community and the struggles of one man determined to resist its extinction. The scarcely populated town of Sweetland clings to the shore of a remote Canadian island. Its slow decline has finally reached a head, with the mainland government offering each islander a generous resettlement package—the only stipulation being that everyone must leave. Fierce and enigmatic Moses

<p>Sweetland, whose ancestors founded the island, is determined to refuse. As one by one his neighbors relent, he recalls the town's rugged history and its eccentric cast of characters. For fans of <i>The Shipping News</i>, Michael Crummey's prose conjures up the mythical, sublime world of Sweetland's past amid a storm-battered landscape haunted by local lore. In a spare style that belies "huge emotional depth and heart" (Celeste Ng, author of <i>Everything I Never</i></p>	<p>Told You), Crummey masterfully weaves together the past and present, creating in Sweetland a spectacular portrait of one man's battle to survive as his world vanishes around him. Winner of Newfoundland Book Award Short-listed for the Governor's General Award Winner of the CBC Bookie Award for Fiction Finalist for the Winterset Prize <i>Silence Once Begun</i> Paragon House Publishers "It was all going so nicely, right up until the</p>	<p>massacre." Twenty years ago, feared general Cobalt Zosia led her five villainous captains and mercenary army into battle, wrestling monsters and toppling an empire. When there were no more titles to win and no more worlds to conquer, she retired and gave up her legend to history. Now the peace she carved for herself has been shattered by the unprovoked slaughter of her village. Seeking bloody vengeance, Zosia heads for battle once more, but to find justice she must confront</p>

grudge-bearing enemies, once-loyal allies, and an unknown army that marches under a familiar banner. FIVE VILLAINS. ONE LEGENDARY GENERAL. A FINAL QUEST FOR VENGEANCE.

Marking Time

Simon and Schuster

On a stormy night in 1421, the North Sea delivers a devastating blow to Holland: the Saint Elizabeth Flood, a deluge of biblical proportions that drowns hundreds of towns, thousands of people, and forever alters the geography of the Low Countries.

Where the factions

of the noble Hooks and the merchant Cods waged a literal class war but weeks before, there is now only a nigh-endless expanse of grey water, a desolate inland sea with moldering church spires jutting up like sunken tombstones. For a land already beleaguered by generations of civil war, a worse disaster could scarce be imagined. Yet even disaster can be profitable, for the right sort of individual, and into this flooded realm sail three conspirators: a deranged thug at the edge of madness, a ruthless conman on the cusp of fortune, and a half-feral girl balanced between

them. With *The Folly of the World*, Jesse Bullington has woven an extraordinary new tale of the depraved and the desperate.

The Grey Bastards

Macmillan

Never Bet the Devil & Other Warnings is a premium

edition of a modern horror classic by renowned horror writer, Orrin Grey. This new edition from Strix

Publishing includes all ten stories from the original, including the novella, "The Mysterious Flame", as well as the heretofore hard-to-find "A Night for Nothing" and an all new story, "Goblins." Each story has been illustrated by the

brilliant M.S. Corley. The collection is introduced by horror author, Nathan Ballingrud. *Ransom* University of Chicago Press Edgar Award finalist: When the strange new bus driver passes the last stop, the five teens on board know something's wrong: "[A] gripping thriller." —Publishers Weekly Valley Gardens is the last stop on the bus route after school. The neighborhood is known for its wealthy families, perhaps the richest in town. Marianne, Bruce, Glenn, Dexter, and Jesse live in Valley Gardens, and have no trouble guiding the new bus driver to the last stop of

the day—but the strange substitute driver keeps driving. Soon the five teenagers are hostages deep in the mountains. Their kidnappers demand stacks of money from their families, even though most of the students aren't as well off as the abductors assume. Without hope of raising the ransom money, the five teens must find a way out or face terrifying consequences. This ebook features an illustrated biography of Lois Duncan including rare images and never-before-seen documents from the author's personal collection.

Selling Naked

Open Road Media
The intimate biography of the iconic DJ who was lost too soon. Like a firework against the night sky, the DJ and producer Tim Bergling exploded onto the music scene. A musical visionary who, through his sense for melodies, came to define the era when Swedish and European house music took over the world. But Tim Bergling was also an introverted and

fragile young man music business. who was forced to grow up at an inhumanly fast pace. After a series of emergencies resulting in hospital stays, he stopped touring in the summer of 2016. Barely two years later, he took his own life.

Tim - The Biography of Avicii is written by the award-winning journalist Måns Mosesson, who was given unique access to Tim's own notes, as well as interviews with Tim's family, friends and colleagues in the

The book paints an honest picture of Tim and his search in life, not shying from the difficulties that he struggled with.

Swords V Cthulhu
Penguin

NAMED A RECOMMENDED BOOK OF 2018 BY TheNew York

Times • The Chicago Reader • Nylon • The Boston Globe • The Huffington Post • The Rumpus • The AV Club • Southern Living • The Millions • BuzzFeed • Esquire • Publishers Weekly

A powerful and moving new novel from an award-winning, acclaimed author: in the wake of a devastating revelation, a father and son journey north across a tapestry of towns

When a widower receives notice from a doctor that he doesn't have long left to live, he is struck by the question of who will care for his adult son—a son whom he fiercely loves, a boy with Down syndrome. With no recourse in mind,

and with a desire to see the country on one last trip, the man signs up as a census taker for a mysterious governmental bureau and leaves town with his son. Traveling into the country, through towns named only by ascending letters of the alphabet, the man and his son encounter a wide range of human experience. While some townspeople welcome them into their homes, others who bear the physical brand of past censuses on their ribs are wary of their presence. When they press toward the edges of civilization, the landscape grows wilder, and the towns grow farther apart and more blighted by industrial decay. As they approach “Z,” the man must confront a series of questions: What is the purpose of the census? Is he complicit in its mission? And just how will he learn to say good-bye to his son? Mysterious and evocative, *Census* is a novel about free will, grief, the power of memory, and the ferocity of parental love, from one of our most captivating young writers.
