Winner of the 2021 SSTAR Consumer Book Award! What makes sex magnificent? What are the qualities of extraordinary erotic intimacy and what are the elements that help to bring it about? Is great sex the stuff that people remember nostalgically from the "honeymoon" phase of their relationships, or can sex improve over time? Magnificent Sex is based on the largest, in-depth interview study ever conducted with people who are having extraordinary sex. It gathers the nuggets for remarkable sex from the "experts", distilling them into an attainable blueprint for ordinary lovers who want to make erotic intimacy grow over the course of a lifetime. Looking at factors including individual and relational qualities, empathic communication and the myths and realities of magnificent sex, this book offers accessible and evidence-based guidance for lovers and therapists alike. It is replete with frank and often humorous interviews with straight and LGBTQ

individuals and couples, those who are "vanilla" and "kinky", monogamous and consensually non-monogamous and healthy and chronically ill. This illuminating book explores the implications of the findings to develop a model that effectively tackles the common problems of low desire and frequency. The "cure" for low desire is to create desirable sex!

Whether you are in a relationship, whether you are single, gay or straight, or young or old, Tantra will bring a new dimension to your sex life and your relationships. From extending orgasms (or just having them in the first place), to healing sexual problems to developing a sense of spiritual connection, Tantra is for every 'body'. Tantra is not just about being sexy - it's about being alive to your senses. It is particularly appealing to women because it is they who take the lead. Tantra also gives women the opportunity to celebrate their femininity and men are encouraged to revere it. Many women are self-conscious about their bodies - Tantra will help you to be conscious of your body but in a positive and empowering way. And for men the pressure to perform is removed, replaced by reciprocation, connection and ultimate fulfillment (so no more grunting, turning over and falling asleep).

What happens when you've built a great website or app, but no one seems to care? How do you get people to stick around long enough to see how your service might be of value? In *Seductive Interaction Design*, speaker and author Stephen P. Anderson takes a fresh approach to designing sites and interactions based on the stages of seduction. This beautifully designed book examines what motivates people to act. Topics include: AESTHETICS, BEAUTY, AND BEHAVIOR: Why do striking visuals grab our attention? And how do emotions affect judgment and behavior? PLAYFUL SEDUCTION: How do you create playful engagements during the moment? Why are serendipity, arousal, rewards, and other delights critical to a good experience? THE SUBTLE ART OF SEDUCTION: How do you put people at ease through clear and suggestive language? What are some subtle ways to influence behavior and get people to move from intent to action? THE GAME OF SEDUCTION: How do you continue motivating people long after the first encounter? Are there lessons to be gained from learning theories or game design? Principles from psychology are found throughout the book, along with dozens of examples showing how these techniques have been applied with great success. In addition, each section includes interviews with influential web and interaction designers.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two

sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.
