Welcome to the3 Books To Knowseries, our idea is to help readers learn about fascinating topics through three essential and relevant books. These carefully selected works can be fiction, non-fiction, historical documents or even biographies. We will always select for you three great works to instigate your mind, this time the topic is:Lost Worlds Real historical events combined with the human imagination can gain a life of their own. The conquest of the Americas gave rise to myths of fantastic realms like El Dorado. In the Victorian Era, the discoveries of the Egyptian tombs, the ruins of Troy and Assyria made man wonder... What else could be hidden? It is from this questioning that comes the genre Lost World Fiction. Our first lost world is the work of the author of Sherlock Holmes, Sir Arthur Conan Doyle. Professor Challenger takes us to the Amazon Rainforest where dinosaurs hide among isolated tribes and a terrible ape-like tribe. H. P. Lovecraft takes us on a disastrous expedition to Antarctica. There exploring scientists have an encounter with the monstrous and the bizarre. In this novel, Lovecraft inaugurates the concept of "Ancient Aliens", an idea that is trending until our days in the History Channel. Royalty of the pulp magazines era, Edgar Rice Burrouhgs takes us across the seas. Influenced by Jules Verne and Conan Doyle, this lost world has creatures, dinosaurs and a set of natural laws that defies travelers' understanding. This is one of many books in the series 3 Books To Know. If you liked this book, look for the other titles in the series, we are sure you will like some of the topics.

Headed by the larger-than-life figure of Professor Challenger, a scientific expedition sets out to explore a plateau in South America that remains frozen in time from the days when dinosaurs roamed the Earth. Seemingly impossible to penetrate, this lost world holds great danger for the four men, whether from fiendish ape-men or terrifying prehistoric creatures. Arthur Conan Doyle's classic tale of adventure and discovery still excites the reader today just as dinosaurs continue to grip the popular imagination.

These early works by Arthur Conan Doyle were originally published in the early 20th century and we are now republishing them with a brand new introductory biography as part of our Professor Challenger series. Arthur Conan Doyle was born in Edinburgh, Scotland, in 1859. It was between 1876 and 1881, while studying medicine at the University of Edinburgh, that he began writing short stories, and his first piece was published in Chambers's Edinburgh Journal before he was 20. In 1887, Conan Doyle's first significant work, A Study in Scarlet, appeared in Beeton's Christmas Annual. It featured the first appearance of detective Sherlock Holmes, the protagonist who was to eventually make Conan Doyle's reputation. A prolific writer, Conan Doyle continued to produce a range of fictional works over the following years. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

" Doyle ' s modesty of language conceals a profound tolerance of the human complexity " -John Le Carr é " Every writer owes something to Holmes. " - T.S. Eliot Although Sherlock Holmes is Arthur Conan Doyle ' s most popular character, the introduction of Professor Challenger in The Lost World offers readers one of popular fictions most offbeat characters ever penned; In this thrilling adventure story the eccentric and ornery paleontologist leads an expedition into the deep jungle of the Amazon basin in search of prehistoric creatures. in the process they are taken prisoner by a tribe of ape-men and are caught in the middle of a conflict between their captors and a local indigenous tribe. The Lost World is narrated by the unwavering young reporter Edward Malone, who yearns for a spectacular adventure in order to attract the affections of a love interest. When the journalistic opportunity arises to cover the story of the strange expedition of Professor Challenger, Malone accepts the dangerous assignment. The scientific and professional reputation of Professor Challenger had been compromised by his insistent theory that a long extinct species of prehistoric creatures was thriving deep in the Amazon. In the interest in reclaiming his credibility, Professor Challenger enlists four men, including Malone, to prove his theory. Once in the Amazon, the expedition is joined by a flank of native guides who lead the group through the dangers of the jungle and to the remote plateau, which is completely cut off from the surroundings. When the four British explorers cross on a precarious bridge, one of the local guides destroys the overpass in an act of betrayal, trapping the four men on the mysterious plateau. Professor Challenger, Malone, and the other two men set up a camp, and in very little time discover the existence of the great beasts. Gripped in the fear of the great danger of the creatures, their bad fortunes turn worse when everyone but Malone are taken as prisoners by a strange tribe of Ape-Men who also inhibit the plateau. Still in captivity, the men are caught during a violent conflict between the Ape-men and a rival faction of indigenous inhabitants, yet they also have the opportunity for escape. The Lost World is among Sir Conan Doyle ' s finest achievements, a thrilling science-fiction classic that continue to captivate readers. With an eye-catching new cover, and professionally typeset manuscript, this edition

of The Lost World is both modern and readable.

Three short tales from the bestselling Forest Lord series, two of which are in the exclusive Kindle Singles Program, published in paperback for the first time. THE ESCAPE All he wanted was a quiet drink... It's spring, 1323 AD, and John Little, notorious outlaw, seeks to forget his troubles in a Barnsley alehouse. He didn't count on the place being packed to the rafters with drunk, belligerent Scottish mercenaries though.This stand-alone Forest Lord tale sees one of England's favourite sons in a battle for his very life that will hugely entertain all lovers of action and adventure. "A short tale of Little John that packs a wallop as vicious as his quarterstaff!" - Parmenion Book Reviews THE PRISONER When two lawmen are sent to a snowy English village to arrest a vicious rapist it seems a straightforward task, but is all as it first appears?ENGLAND, 1325 ADAs Robin Hood and John Little, legendary former outlaws themselves, take the criminal into custody they find the people of Stapleford accommodating enough. The terrified victim's bruises are plainly, painfully, visible and a local nobleman confirms her accusations. As they set off on the road back to Nottingham the lawmen's disgust for their captive's actions colours their opinion of him and John has to be restrained from brutally assaulting the man. The harsh winter conditions slow their journey though, and eventually the prisoner's words and desperate, violent actions have the lawmen questioning what's really been happening in Stapleford...Can Robin and John complete the mission they've been given, or will their own innate sense of justice lead them down an unexpected path?Fans of the bestselling Forest Lord series will love this exciting stand-alone tale that cleverly explores the themes of morality and justice in medieval England."A delightfully crafted, deceptively simple little glimpse of life in early 14th Century England." - 5 Stars Steve Denton of Speesh Reads THE RESCUE When a faithful friend goes missing from an English village it's up to an unlikely hero to find out what's happened in this action-packed tale. "Once again Steven A. McKay delivers a story that, although short, hits like an arrow in the guts." - Stuart S. Laing, author of Jezebel's Chains The Twilight Lord Hodder & Stoughton

Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her work untouched. Inherited from an otherworldly father, enchanted blood flows through Donal Fleming's veins. Yet though his empathic ability for all creatures gives purpose to his calling as a veterinarian, life among his mother's mortal kind has left him wary, and he secretly hungers for the freedom to live unrestrained by civilized society. Until Cordelia... Cordelia Hardcastle has always played by society's rules, confined in a gilded cage of propriety and convention. Until Donal Fleming introduces her to a passion she's never dreamed of, and a world she's never imagined. But Donal's attraction to the remarkable Cordelia has unleashed his most primal instincts. The time has come for him to challenge his destiny and face the consequences of his impossible choice—between human love and the powers that, to him, are life itself...
