2 Stars One word to describe The Essence would be BORING or maybe ANNOYING. Book 2 picks up where book 1, The Pledge left off. Note, if you haven't read book 1, I would suggest NOT reading this review. I remember liking The Pledge until the ending.

The Essence Pledge 2 Kimberly Derting

THE PLEDGE pairs dystopian setting with a classical form of government, the monarchy. Kimberly Derting takes us to a future world ruled by Queen Sabara. To the land of Ludania, where people are divided by their language. They could be executed if they ever try to speak or

understand another than their own language.
