In Good-bye, Bumps!, Dr. Wayne W. Dyer and his daughter Saje tell a remarkable story from her childhood in which she was able to overcome a physical condition in a very unique way. In the telling of this story Saje and Wayne teach children the important lesson that when something is bothering them, they can change their attitude toward it and not allow it to have power over them. This book will help kids understand that some things about themselves can be changed and others will always be with them, but what matters is how they choose to think about these things. In addition to its valuable lesson, this charming story will remind all readers, both young and old, of what can be done with the childlike belief in what is possible.

Poet William Wordsworth expressed the idea that we gradually lose our intimate knowledge of heaven as we grow up, observing that "our birth is but a sleep and a forgetting" of our previous existence in Spirit. Dr. Wayne W. Dyer and co-author Dee Barnes had often talked about how the ones who know the most about God are those who have just recently been wrapped in the arms of the Divine: our infants and toddlers. In fact, Dee had an interaction with her own young son that convinced her of his acquaintance with our Source if being. Curious about this phenomenon, Wayne and Dee decided to issue an invitation to parents all over the globe to share their experiences. The overwhelming response they received prompted them to put together this book, which includes the most interesting and illuminating of these stories in which boys and girls speak about their remembrances from the time before they were born. Children share their dialogues with God, talk about long-deceased family members they knew while in the dimension of spirit, verify past-life recollections, give evidence that they themselves had a hand in picking their own parents and the timing of their sojourn to Earth, and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm. This fascinating book encourages all of us, not just parents, to take a much more active role in communicating with our planet's new arrivals . . . and to realise that there is far more to this earthly experience than what we perceive with our five senses.

National Bestseller This inspiring book by Wayne Dyer, author of the bestselling classics *Your Erroneous Zones* and *Pulling Your Own Strings*, delves into the teachings of intellectuals of our past to mine values and wisdom for the present. "What do our ancestral scholars, whom we consider the wisest and most spiritually advanced, have to say to us today?" asks Dyer. The answer lies in this powerful collection of writings, poems, and sayings by some of the greatest thinkers of the past twenty-five centuries. In succinct original essays, Dyer sets out to explain the meaning and context of each piece of wisdom, and, most important, to explain how we can actively apply these teachings to our modern lives. From sixty ancestral masters - Buddha, Michelangelo, Rumi, Whitman, Jesus, Emily Dickinson, and Emerson, among others - here are treasured passages on a variety of subjects, including solitude, time, and passion. Among the contributions are words on inspiration from Pantanjali, author of the Hindu classic *Yoga Sutras*; teachings about the power of

prayer from 13th-century monk St. Francis of Assisi; and thoughts about the importance of action written by Mother Teresa. The voices collected here cut across a wide range of historical eras and cultures, yet they communicate universal truths about the human experience. *Wisdom of the Ages* provides us with a marvelous dual opportunity: to receive guidance from our great ancestors and to recognize our own potential for greatness

For decades, Louise Hay has helped people throughout the world discover and implement the full potential of their own creative powers for personal growth and self-healing. In this single volume, you will find three of her most beloved books: • *You Can Heal Your Life* is a true classic, with millions of copies in print worldwide. Louise's key message here is that "if we are willing to do the mental work, almost anything can be healed." She explains how limiting beliefs and ideas are often the cause of illness, and how you can change your thinking . . . and improve the quality of your life. • *In Heal Your Body*, Louise describes the methods she used to cure herself of cancer, which will help you discover patterns in your own health conditions that reveal a lot about yourself. It offers positive new thought patterns to replace negative emotions, an alphabetical chart of physical ailments with their probable causes, and healing affirmations so you can eliminate old patterns. • *The Power Is Within You* expands on Louise's philosophy of "loving the self" and shows you how to overcome emotional barriers through learning to listen to your inner voice, loving the child within, and letting your true feelings surface. In these pages, Louise encourages you to think of yourself positively and be more accepting of—and grateful for—who you are. The Essential Louise Hay Collection is the perfect read for anyone seeking insights into the mind-body connection, as well as for those who want the pleasure of finally having their favorite Louise Hay books together in one convenient volume!

#1 Wall Street Journal bestseller! This new book of spiritual teachings from international best-selling author and beloved inspirational speaker Dr. Wayne W. Dyer is based on his audio lectures from the 1990s and 2000s, offering a fresh take on mindfulness and enlightenment. Beloved spiritual teacher Dr. Wayne W. Dyer often shared his thoughts on the path and practice of personal empowerment during his writings and presentations. He'd say, "This is not about self-help. It's about self-realization, which is way beyond self-help." In this book, which collects some of his timeless words of wisdom in a new format, the internationally renowned speaker and author offers spiritual tools to transcend your current circumstances and old patterns in order to reach true fulfillment. He will show you how to become genuinely awake, aware of the power you have within to shift your thought processes, release attachments, and tame your ego-to name just a few topics covered in these pages. Wayne will help you understand what an illusion much of life is, so you can see the big picture and spark deep transformation (that is, "the ability to go beyond your form"), resulting in peace and harmony in all areas of your life. He will also take you through the stages of enlightenment and instruct you in mindfulness practices such as visualization and meditation, ultimately helping you reach a higher consciousness. Indeed, as a result of reading this book, you'll feel as if you are absolutely living in the light, in tune with the magnificence of the universe . . . and yourself.

Wishes Fulfilled Harper Collins

In his fourth book for children, Dr. Wayne W. Dyer focuses on the topic of excuses and how they can do more harm than we realize. The book demonstrates how excuses go far beyond "my dog ate my homework," and can actually become words that prevent your child from reaching his or her potential. The book follows a boy with a seemingly impossible dream who almost lets excuses ("I'm not smart enough" . . . "It's too hard," and so on) get in his way. He discovers, as will your child, that by following a few simple ideas and eliminating excuses . . . anything is possible!

Memories of Heaven Harper Collins

Topics include: • Parenting, parents, and the continuum of life • Can we reach the state of "love that has no opposite"? • Dharma, destiny, and being on your path • Dealing with bad news • Are there ascended masters and guides? • Monsanto and GMOs • and many more! While Wayne and Esther have been friends for years, this is the first time that he engages with Abraham in an extended dialogue about life's many lessons and perplexing questions. Read this book and experience this extraordinary meeting of the minds for yourself!

Inspiration Hay House, Inc

The #1 New York Times best-selling author Wayne Dyer has been inspiring people to change their lives for many years. Now three of his most fascinating books are collected in this single volume: • *The Power of Intention* details Wayne's research on intention as a force in the universe that allows the act of creation to take place. He explains that it is not something we do, but rather an energy we're a part of. This is the first book to look at intention as a field of energy that we can access to begin co-creating our lives. • *Inspiration* dissects feelings of emptiness, the idea that there must be something more, and trying to determine the meaning of life . . . all evidence of a yearning to reconnect with our soul space. This book explains how we've chosen to enter this world of particles and form, and each chapter is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne offers a blueprint through the world of Spirit to inspiration, our ultimate calling. • *Excuses Begone!* reveals how to change the self-defeating thinking patterns that have prevented us from living at the highest levels of success, happiness, and health. Wayne presents many of the conscious and subconscious crutches most of us employ, along with ways to cast them aside once and for all. The old, habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed, and we ultimately come to realize that there are no excuses worth defending—ever. The Essential Wayne Dyer Collection is a must-read for those wanting to explore the power and potential of the human mind, as well as anyone who is finally ready to live the best life possible!

Toss Out Those Tired Old Excuses...Once and for All! Within the pages of this transformational book, Dr. Wayne W. Dyer reveals how to change the self-defeating thinking patterns that have prevented you from living at the highest levels of success, happiness, and health. Even though you may know what to think, actually changing those thinking habits that have been with you since childhood might be somewhat challenging. If I changed, it would create family dramas ... I'm too old or too young ... I'm far too busy and tired ... I can't afford the things I truly want ... It would be very difficult for me to do anything differently ... and I've always been this way ... may all seem to be true, but they're in fact just excuses. So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone, along with ways to cast them aside once and for all. You'll learn to apply specific questions to any excuse, and then proceed through the steps of a new paradigm. The old, habituated ways of thinking will melt away as you experience the absurdity of hanging on to them. You'll ultimately realize that there are no excuses worth defending, ever, even if they've always been part of your life—and the joy of releasing them will resonate throughout your very being. When you eliminate the need to explain your shortcomings or failures, you'll awaken to the life of your dreams. Excuses ... Begone!

What Do You Really Want for Your Children? Hay House

In *Ancient Israel* Lester L. Grabbe sets out to summarize what we know through a survey of sources and how we know it by a discussion of methodology and by evaluating the evidence. The most basic question about the history of ancient Israel, how do we know what we know, leads to the fundamental questions of Grabbe's work: what are the sources for the history of Israel and how do we evaluate them? How do we make them 'speak' to us through the fog of centuries? Grabbe focuses on original sources, including inscriptions, papyri, and archaeology. He examines the problems involved in historical methodology and deals with the major issues surrounding the use of the biblical text when writing a history of this period. *Ancient Israel* provides an enlightening overview and critique of current scholarly debate. It can therefore serve as a 'handbook' or reference-point for those wanting a catalogue of original sources, scholarship, and secondary studies. Grabbe's clarity of style makes this book eminently accessible not only to students of biblical studies and ancient history but also to the interested lay reader. For this new edition the entire text has been reworked to take account of new archaeological discoveries and theories. There is a major expansion to include a comprehensive coverage of David and Solomon and more detailed information on specific kings of Israel throughout. Grabbe has also added material on the historicity of the Exodus, and provided a thorough update of the material on the later bronze age.

Living the Wisdom of the Tao Hay House, Inc

For many years, Dr. Wayne W. Dyer's fans have wondered when he would write a memoir. Well, after four decades as a teacher of self-empowerment and the best-selling author of more than 40 books, Wayne has finally done just that! However, he has written it in a way that only he can—with a remarkable take-home message for his longtime followers and new readers alike—and the result is an exciting new twist on the old format. Rather than a plain old memoir, Wayne has gathered together quantum-moment recollections. In this revealing and engaging book, Wayne shares dozens of events from his life, from the time he was a little boy in Detroit up to present day. In unflinching detail, he relates his vivid impressions of encountering many forks in the road, taking readers with him into these formative experiences. Yet then he views the events from his current perspective, noting what lessons he ultimately learned, as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service. As a reader, you will feel as if you are right there with Wayne, perusing his personal photo album and hearing about his family, his time in the service, how he writes his best-selling books, and so much more. In the process, you'll be inspired to look back at your own life to see how everything you have experienced has led you to where you are right now. Wayne has discovered that there are no accidents. Although we may not be aware of who or what is "moving the checkers," life has a purpose, and each step of our journey has something to teach us. As he says, "I wasn't aware of all of the future implications that these early experiences were to offer me. Now, from a position of being able to see much more clearly, I know that every single encounter, every challenge, and every situation are all spectacular threads in the tapestry that represents and defines my life, and I am deeply

grateful for all of it." *I Can See Clearly Now* is an intimate look at an amazing teacher, but it also holds the key for seekers on a personal path of enlightenment. Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses, helping us accomplish the mission we came here to fulfill.

Manifest Your Destiny Hay House, Inc

What I'm offering in this book is the awareness that we can return to a full-time position of inspiration, which is the true meaning of our life." Dr. Wayne W. Dyer.....INSPIRATION In this groundbreaking book, Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form. From our place of origin, in ways that we don't readily comprehend now, we knew what we were coming here to accomplish, and we participated in setting this life process in motion. So why not think along these same lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth we have the capacity of volition we can choose so let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body, and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences it's inherent in our Divine birthright. The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living "in-Spirit." From a very personal viewpoint, Wayne offers a blueprint through the world of inspiration your ultimate calling.
