The Ethical Slut,
Third Edition Ten
Speed Press
Finally, a book

about open
marriage that
grapples with the
problems
surrounding
monogamy and
fidelity in an
honest, heartfelt,
and non-fringe
manner. Jenny
Block is your

average girl next
door, a suburban
wife and mother
for whom married
life never felt
quite right. While
many books on
this topic
presuppose that
the reader is
ready to embrace

an “ alternative lifestyle,” Block operates from the assumption that most couples who are curious about or engaged in open marriages are in fact more like her — normal people who question whether monogamy is right for them; good people who love their spouses but want variation; capable parents who are not deviant just because they choose to be honest about their desires. Open challenges our notions of what traditional marriage looks like, and presents one woman's journey down an uncertain path that ultimately

proves open marriage is a viable option for her and others.

A Happy Life in an Open Relationship

Archway Publishing

With his one-of-a-kind blend of autobiography, pop culture, and plainspoken Buddhism, Brad Warner explores an A-to-Z of sexual topics — from masturbation to dating, gender identity to pornography. In addition to approaching sexuality from a Buddhist perspective, he looks at Buddhism — emptiness, compassion, karma — from a sexual vantage. Throughout, he stares down the

tough questions:

Can prostitution be a right livelihood? Can a good spiritual master also be really, really bad? And ultimately, what's love got to do with any of it? While no puritan when it comes to non-vanilla sexuality, Warner offers a conscious approach to sexual ethics and intimacy — real-world wisdom for our times.

Reading the Rainbow
Skyhorse

Many, many people
have sexual interests
or practices that are in
some way unusual.
These people may
enjoy bondage or
spanking, erotic role-
playing, dressing in
special clothes that
turn them on, or a
host of other activities
that place them
outside the sexual
mainstream. Your
mechanic might have

an alternative sexuality,
or your librarian, or
your kids' teacher, or
your boss.... If
someone you love has
a sexual kink, or if you
suspect that she may,
and you want to know
more about what that
means to her and how
you can deal with what
it means to you, this
book is for you.

"When Someone You
Love Is Kinky will do
more for family values
than anything the right
wing ever dreamed up,
because it lets people
communicate and love
and respect each other
on the basis of who
they really are. A
wonderful
contribution towards a
more sex-positive
culture." - Dr. Carol
Queen, author, *Real
Live Nude Girl* "Dossie
Easton and Catherine
A. Liszt, both wise and
compassionate
women, and both

players in the world of
kink, welcome the
reader gently into that
world and answer
everything anyone
might have wanted to
ask but was really
afraid to find out." -

necessary reading
on the ways we
talk—and, more
importantly,
don ' t

talk—about rape
and rape culture. "
—HelloGiggles

" What We Talk
About When We
Talk About Rape is

brilliant, frank, empowering, and urgently necessary. Sohaila Abdulali has created a powerful tool for examining rape culture and language on the individual, societal, and global level that everyone can benefit from reading. ” —Jill Soloway In the tradition of Rebecca Solnit, a beautifully written, deeply intelligent, searingly honest—and ultimately hopeful—examination of sexual assault and the global discourse on rape told through the perspective of a survivor, writer, counselor, and activist After surviving gang-rape at seventeen in Mumbai, Sohaila Abdulali was indignant about the deafening silence that followed and wrote a fiery piece about the perception of rape—and rape victims—for a women ’ s magazine. Thirty years later, with no notice, her article reappeared and went viral in the wake of the 2012 fatal gang-rape in New Delhi, prompting her to write a New York Times op-ed about healing from rape that was widely circulated. Now, Abdulali has written *What We Talk About When We Talk About Rape*—a thoughtful, generous, unflinching look at rape and rape culture. Drawing on her own experience, her work with hundreds of survivors as the head of a rape crisis center in Boston, and three decades of grappling with rape as a feminist intellectual and writer, Abdulali tackles some of our thorniest questions about rape, articulating the

confounding way we account for who gets raped and why—and asking how we want to raise the next generation. In interviews with survivors from around the world we hear moving personal accounts of hard-earned strength, humor, and wisdom that collectively tell the larger story of what rape means and how healing can occur. Abdulali also points to the questions we don't talk about: Is rape always a life-defining event? Is one rape worse than another? Is a world without rape possible? What We Talk About When We Talk About Rape is a book for this #MeToo and #TimesUp age that will stay with readers—men and women alike—for a long, long time. The Ethical Slut Thorntree Press LLC Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out

and bottom for yourself." - William A. Henkin, Ph.D., co-author, *Consensual Sadomasochism Rough Random House*

Love is not one-size-fits-all, yet often people assume that healthy, serious relationships all must follow the same basic path. The -Relationship Escalator- is society's bundle of customs for intimate relationships: monogamy, living together, marriage and more, ideally until death do you part. Beyond this, it might not be obvious what your options are. This book will help you: - Discover less common relationship options that might suit you. - Understand why and how people have unconventional

relationships. - Empower you to negotiate about how your relationships work. - Overcome the fear that loving differently means you're doing it wrong. - Make the world a friendlier, safer place for more paths to love. Featuring real stories and insights from hundreds of people, -Stepping Off the Relationship Escalator- explores consensual nonmonogamy, love without living together, deep connections that pause and resume, and much more. The first in a series of research-based books, this introduction to relationship diversity is both accessible and surprising. **LEARN MORE OR ORDER SIGNED COPIES:** OffEscalator.com [Open Createspace Independent](http://OpenCreatespaceIndependent.com)

"How do you deal with jealousy?" It's the first question many people ask when they hear about polyamory. Tools for dealing with jealous feelings are among the most basic resources in a well-equipped polyamory toolkit. Eve Rickert and Franklin Veaux, authors of the popular polyamory book *More Than Two: A Practical Guide to Ethical Polyamory*, present *Polyamory and Jealousy*, part of the *More Than Two Essentials* series. The essentials take sections from *More Than Two*, expand on them, and present them in a practical, easy-to-use format that can be read in a single sitting. In this booklet, you will find pragmatic ways to handle feelings

of jealousy when they arise. You'll learn tools for identifying jealousy, strategies for decoding what it means, and hands-on advice for dealing with it before it undermines your relationship. If jealousy is a problem for you or someone you love, this companion to *More Than Two* offers a path through the wilderness. *Thriving in Non Monogamy an Ethical Slut's Guide* Da Capo Press

"A practical guide to practicing polyamory and open relationships in ways that are ethically and emotionally sustainable"--Provided by publisher.

The Art and Etiquette of Polyamory Thorntree Press LLC

Drawing on examples of teaching from elementary school classrooms, this timely

book for practitioners explains why LGBTQ-inclusive literacy instruction is possible, relevant, and necessary in grades K – 5. The authors show how expanding the English language arts curriculum to include representations of LGBTQ people and themes will benefit all students, allowing them to participate in a truly inclusive classroom. The text describes three different approaches that address the limitations, pressures, and possibilities that teachers in various contexts face around these topics. The authors make clear what LGBTQ-inclusive literacy teaching can look like in practice, including what teachers might say and how students might respond. " Reading

the Rainbow is a terrific, nuanced, practical resource that many ELA teachers should come to value. Children in their classrooms, whatever their identities, will be the better for it. "

—Mombian

" Reading the Rainbow invites us to enact justice in our classrooms as we honor our students ' rights and work to foster equity. "

—From the Foreword by Mariana Souto-Manning, Teachers College, Columbia University

" The field has been hungry for this book! It will allow elementary teachers to make immediate and impactful change in their classrooms. "

—Elizabeth Dutro, University of Colorado Boulder

" This is a warm and vigorous invitation for teachers

to create more equitable classrooms where the full humanity of students is honored. ” —Mollie V. Blackburn, Ohio State University

Don't let the title fool you. this IS a serious, thoughtful (and thought-provoking) comprehensive introduction to, and examination of, a much misunderstood and misused practice. But more than that, it is a witty, provocative, damn fine read, with as much to offer to the faithfully monogamous as to those looking for a bit more out of life, love and relationships. Go on. Dive in. "Wendy-O tackles a touchy subject with clarity and

creativity. She is wise beyond her years. This guide teaches you how you can have it all. I gave the jealousy tips to my lover immediately." [Annie Sprinkle] The Ethical Slut, Second Edition Cleis Press Contemporary relationships are in a state of rapid evolution. These changes can and should empower people with the opportunity to develop partnerships based on their own sexualities, understandings, and agreements. This makes it possible to create

what Kenneth Haslam, founder of the Kinsey Institute's Polyamory Archive, has called "designer relationships." Designer relationships may encompass: people who bond emotionally but not sexually; people who agree to be non-exclusive; single people who have occasional lovers or friends with benefits; multiple partner configurations where long-term bonds exist among all or some; partnerships in which people are kinky and that	make room to explore kink. The possibilities are limitless, and thinking about a partnership as something people can craft allows for flexibility and change. Relationships can open and close or have varying degrees and kinds of openness as circumstances demand. In the context of a designer relationship, decisions are made mutually, consciously, and deliberately. Best- selling authors and nationally known relationship experts Patricia Johnson	and Mark A. Michaels are exemplars of this life choice, and have studied polyamory for over 20 years. This book explains exactly how you and your loved ones can design your own life and love. <u>Polysecure</u> Thorntree Press LLC Have you read "that book" on non- monogamy and still wondered "But how do you actually DO this?" Are you totally great on the theory of open relationships, but feel like you don't know how it works in practice? Join
