Light-hearted work introduces Innocent Smith, a bubbly, eccentric gentleman of questionable character, into the lives of a group of young disillusioned people — and the result is inspired, high-spirited nonsense.

Gashmu Saith It London : G. Richards

In *The Great Heresies*, Hilaire Belloc takes the reader on a fast and furious tour of European history seen through the lens of its chief religious conflicts - Arianism, 'Mohammedanism' (Islam), Albigensianism, the Reformation, and what he terms 'The Modern Phase.'

[The Everlasting Man \(Unabridged\) Courier Corporation](#)

*The Man Who Was Thursday: A Nightmare* is a novel by G. K. Chesterton, first published in 1908. The book is sometimes referred to as a metaphysical thriller. In Edwardian era London, Gabriel Syme is recruited at Scotland Yard to a secret anti-anarchist police corps.

[Orthodoxy](#) Read Books Ltd

Two of G. K. Chesterton's most important and well-known works are contained in this volume: *Heretics*, and *Orthodoxy*. In *Heretics*, Chesterton addresses the intellectual movements of his time that he considered most prominent and destructive. Chesterton confronts relativism, individualism, neo-paganism, and other trends of the modern period, paying special attention to the artists and intellectual elite of his time. *Orthodoxy*, a classic that is part memoir, part apologetic. It exhibits Chesterton at his finest--a combination of literary wit, theological acumen, and pointed cultural critique. The two works complement each other perfectly, providing an accessible entry point to the battleground of truth and falsehood. Lexham Classics are beautifully typeset new editions of classic works. Each book has been carefully transcribed from the original texts, ensuring an accurate representation of the writing as the author intended it to be read.

[Heretics, Orthodoxy & The Everlasting Man](#) Ignatius Press

This book collects several essays by Chesterton on religious subjects and the popular culture of his day.

2021 Reprint of the 1925 Edition. *The Everlasting Man* is a one of Chesterton's better-known works in Christian apologetics. It is, to some extent, a deliberate rebuttal of H. G. Wells' *The Outline of History*, disputing Wells' portrayals of human life and civilization as a seamless development from animal life and of Jesus Christ as merely another charismatic figure. Chesterton detailed his own spiritual journey in *Orthodoxy*, but in this book he tries to illustrate the spiritual journey of humanity, or at least of Western civilization. The author Ross Douhat credits that, "Chesterton's somewhat loosey-goosey outline of history doubles as the best modern argument for Christianity I've ever read. You have to give in to the Chestertonian style, but if you do, be careful - you might just be converted.

C. S. Lewis credited *The Everlasting Man* with "baptizing" his intellect, much as George MacDonald's writings had baptized his imagination, so as to make him more than half-converted well before he could bring himself to embrace Christianity. In a 1950 letter to Sheldon Vanauken, Lewis calls the book "the best popular apologetic I know," and in 1947 he wrote to Rhonda Bodle: "the [very] best popular defense of the full Christian position I know is G. K. Chesterton's *The Everlasting Man*." The book was also cited by *The Christian Century* in a list of 10 books that "most shaped [Lewis'] vocational attitude and philosophy of life." Contents: Part I: On the creature called man -- I. The man in the cave -- II. Professors and prehistoric men -- III. The antiquity of civilization -- IV. God in comparative religion -- V. Man and mythologies -- VI. Demons and philosophers -- VII. The war of the gods and demons -- VIII. The end of the world -- Part II: On the man called Christ -- I. The God in the cave -- II. The riddles of the gospel -- III. The strangest story in the world -- IV. The witness of the heretics -- V. The escape from Paganism -- VI. The five deaths of the faith.

Prefatory Note 4 Introduction: The Plan of This Book 5 PART I: ON THE CREATURE CALLED MAN 17 I The Man in the Cave 17 II Professors and Prehistoric Men 38 III The Antiquity of Civilisation 58 IV God and Comparative Religion 90 V Man and Mythologies 113 VI Demons and Philosophers 132 VII The War of the Gods and Demons 158 VIII The End of the World 176 PART II: ON THE MAN CALLED CHRIST 194 I The God in the Cave 194 II The Riddles of the Gospel 215 III The Strangest Story in the World 231 IV The Witness of the Heretics 250 V The Escape from Paganism 273 VI The Five Deaths of the Faith 295 CONCLUSION: THE SUMMARY OF THIS BOOK 310 Appendix I. On Prehistoric Man 322 Appendix II. On Authority and Accuracy 324 This book needs a preliminary note that its scope be not misunderstood The view suggested is historical rather than theological, and does not deal directly with a religious change which has been the chief event of my own life; and about which I am already writing a more purely controversial volume. It is impossible, I hope, for any Catholic to write any book on any subject, above all this subject, without showing that he is a Catholic; but this study is not specially concerned with the differences between a Catholic and a Protestant. Much of it is devoted to many sorts of Pagans rather than any sort of Christians; and its thesis is that those who say that Christ stands side by side with similar myths, and his religion side by side with similar religions, are only repeating a very stale formula contradicted by a very striking fact. To suggest this I have not needed to go much beyond matters known to us all; I make no claim to learning; and have to depend for some things, as has rather become the fashion, on those who are more learned. As I have more than once differed from Mr. H. G. Wells in his view of history, it is the more right that I should here congratulate him on the courage and constructive imagination which carried through his vast and varied and intensely interesting work; but still more on having asserted the reasonable right of the amateur to do what he can with the facts which the

specialists provide. INTRODUCTION THE PLAN OF THIS BOOK There are two ways of getting home; and one of them is to stay there. The other is to walk round the whole world till we come back to the same place; and I tried to trace such a journey in a story I once wrote. It is, however, a relief to turn from that topic to another story that I never wrote. Like every book I never wrote, it is by far the best book I have ever written. It is only too probable that I shall never write it, so I will use it symbolically here; for it was a symbol of the same truth. I conceived it as a romance of those vast valleys with sloping sides, like those along which the ancient White Horses of Wessex are scrawled along the flanks of the hills. It concerned some boy whose farm or cottage stood on such a slope, and who went on his travels to find something, such as the effigy and grave of some giant; and when he was far enough from home he looked back and saw that his own farm and kitchen-garden, shining flat on the hill-side like the colours and quarterings of a shield, were but parts of some such gigantic figure, on which he had always lived, but which was too large and too close to be seen. That, I think, is a true picture of the progress of any really independent intelligence today; and that is the point of this book.

According to some literary scholars, the writing style of Gilbert Keith Chesterton is a combination of Charles Dickens, Oscar Wilde, and George Bernard Shaw. Chesterton was called the "prince of paradox," and was known for turning proverbs, sayings, and allegories on their heads. Chesterton gave numerous speeches in defense of Christianity and the Catholic Church, which made him one of the most prominent Christian apologists of the 20th century. This book presents the author's apologetic works. ORTHODOXY HERETICS THE EVERLASTING MAN

Chesterton was a man who continually showed us the use of orthodoxy in Christianity - most of all in his three great apologies: *Heretics*, *Orthodoxy* & *The Everlasting Man*. In *Heretics*, he first points to the flaws in the beliefs of the moderns. In *Orthodoxy*, he defends the values handed down through millennium of Christian dogma. In *The Everlasting Man*, he tells the grand story of Christianity itself and the often ignored miracle of its appearance in the life of man.

[The Everlasting Man](#) Ignatius Press

One of G. K. Chesterton ' s finest collection of essays, *The Well and the Shallows*, explore more controversial themes than typically seen in the work of the English writer. Written with Chesterton ' s biting wit, he touches on various cultural, social and moral issues from birth control to Catholicism. Chesterton ' s perceptive analysis of core issues within modern society remains startlingly relatable nearly 100 years since its publication. Written shortly after his conversion to Catholicism, he writes with tremendous foresight focusing on subjects like Catholicism, Reformation and Protestantism, and other profound writings on political and social issues based around the central theme of religion. Essays in this volume include: *My Six Conversions* *The Return to Religion* *The Higher Nihilism* *The Ascetic At Large* *Babies and Distribution* *A Century of Emancipation* *Trade Terms* *Shocking the Modernists* *Sex and Property* *Why Protestants Prohibit* *Where is the Paradox?* *The Well and the Shallows* is an insightful collection of essays on some of the most important ideas of the modernist era written by one of the greatest English writers of the 20th century. It is a perfect read for those interested in the work of G. K. Chesterton or any with a broader interest in historical, social analysis from a religious perspective.

*The Book of Job* *The Everlasting Man* In *The Everlasting Man*, G. K. Chesterton paints the full panorama of human history in light of Christian tradition--Amazon. *The Everlasting Man*

An original and controversial work of theology, "*The Everlasting Man*," is so persuasive in its defense of Christianity that it influenced C.S. Lewis to convert from atheism to Christianity. Though written more than a century ago, Chesterton's work reads like a commentary of our culture today. Considered by many to be Chesterton's greatest masterpiece, "*The Everlasting Man*" explains his comprehensive view of world history as informed by the Incarnation. As Chesterton retells mankind's story from the beginning, he demonstrates how Christ and the church fulfill all human desires. With characteristic brilliance and irony, he asserts that the Incarnation sets Christianity apart from other religions. All in all, "*The Everlasting Man*" offers a compelling perspective on world history while also powerfully restoring the reader's sense of wonder about God and the universe. This unique edition includes a thoughtful chapter summary and study guide for each chapter in the book.

[Heretics](#) Read Books Ltd

First published in 1925, "*The Everlasting Man*" by G. K. Chesterton is a powerful argument against the theories of evolution and comparative religion. Chesterton deeply disagreed with the view of animal and human evolution popularized by "*The Outline of History*" written by H. G. Wells in 1919. Wells argued that human civilization was nothing more than a logical progression from simple animal life and that Jesus Christ was no more than a charismatic leader. In Wells' view, the Christian religion was merely one amongst many and nothing more. Armed with persuasive arguments and research, Chesterton sought to prove that man was far more than just a special kind of animal and that Jesus was more than just a charismatic individual. Chesterton argues that humans are quite unlike any other animal on earth and have achieved more and understand more than would be possible without the presence of a divine creator. Christianity provides its believers with a true answer to the chaos and suffering the world experienced before Jesus brought his message to his disciples. "*The Everlasting Man*" made a lasting impression on such respected authors as C. S. Lewis and continues to inspire the faithful with its compelling defense of Christianity. This edition is printed on premium acid-free paper.

Chesterton detailed his own spiritual journey in *Orthodoxy*, but in this book he tries to illustrate the spiritual journey of humanity, or at least of Western civilisation.

[The Great Heresies](#) Mockingbird Press

Beginning with an insightful study on the nature of man, Chesterton argues that the central character in history is Jesus Christ, the everlasting Man. No other explanation of the world fits the evidence. Exploding the stale formula of Christ as the pale product of human imagination, he triumphantly asserts the glory and unassailable logic of Christ as the God who, in the fullness of time, steps into his own creation. Displaying all of his brilliant synthesis and devastating irony, *The Everlasting Man* is perhaps Chesterton ' s best book. C. S. Lewis, who cited *The Everlasting Man* as one of the principal books in his conversion, said, " I read Chesterton ' s *Everlasting Man* and for the first time saw the whole Christian outline of history set out in a form that seemed to me to make sense. "

[The Well and the Shallows](#) Wipf and Stock Publishers

G.K. Chesterton was a master essayist. But reading his essays is not just an exercise in studying a literary form at its finest, it is an encounter with timeless truths that jump off the page as fresh and powerful as the day they were written. The only problem with Chesterton's essays is that there are too many of them. Over five thousand! For most GKC readers it is not even possible to know where to start or how to begin to approach

---

them. So three of the world's leading authorities on Chesterton - Dale Ahlquist, Joseph Pearce, Aidan Mackey - have joined together to select the "best" Chesterton essays, a collection that will be appreciated by both the newcomer and the seasoned student of this great 20th century man of letters. The variety of topics are astounding: barbarians, architects, mystics, ghosts, fireworks, rain, juries, gargoyles and much more. Plus a look at Shakespeare, Dickens, Jane Austen, George MacDonald, T.S. Eliot, and the Bible. All in that inimitable, formidable but always quotable style of GKC. Even more astounding than the variety is the continuity of Chesterton's thought that ties everything together. A veritable feast for the mind and heart. While some of the essays in this volume may be familiar, many of them are collected here for the first time, making their first appearance in over a century.
