From the the award-winning author of *Five Star Billionaire* and *The Harmony Silk Factory* comes a whirlwind personal history of modern Asia, as told through his Malaysian and Chinese heritage. In *The Face: Strangers on a Pier*, acclaimed author Tash Aw explores the panoramic cultural vitality of modern Asia through his own complicated family story of migration and adaptation, which is reflected in his own face. From a taxi ride in present-day Bangkok, to eating Kentucky Fried Chicken in 1980s Kuala Lumpur, to his grandfathers' treacherous boat journeys to Malaysia from mainland China in the 1920s, Aw weaves together stories of insiders and outsiders, images from rural villages to megacity night clubs, and voices in a dizzying variety of languages, dialects, and slangs, to create an intricate and astoundingly vivid portrait of a place caught between the fast-approaching future and a past that won't let go. "Mr. Aw is a patient writer, and an elegant one. His supple yet unshowy prose can resemble Kazuo Ishiguro's.... He's a writer to watch." —Dwight Garner, *The New York Times* "Tash Aw is an essential voice for the global world we live in today." —Yiyun Li, author of *Gold Boy*, *Emerald Girl* "Aw is emerging as a master storyteller." —*The Times* "Aw's prose can be powerful and mesmerising in its sense of place...and psychological acuity. Haunting and memorable." —Maya Jaggi, *The Guardian* Born in Taipei to Malaysian parents, Tash Aw grew up in Kuala Lumpur before moving to Britain to attend university. He is the author of three critically acclaimed novels, *The Harmony Silk Factory* (2005), *Map of the Invisible World* (2009), and *Five Star Billionaire* (2013), which have won the Whitbread First Novel Award, a regional Commonwealth Writers' Prize, and twice been longlisted for the Man Booker prize; they have also been translated into twenty-three languages. Harold Robbins' very first novel is also one of his most powerful. Never Love a Stranger tells the gritty and passionate tale of Francis "Frankie" Kane, from his meager beginnings as an orphan in New York's Hell's Kitchen. From that confused and belittling start, Frank works his way up, choosing the

wrong side of the law to make a name for himself. At a young age, he becomes one of the city's most dangerous men, indulging in his passion for power, sex, and the best things in life—whether or not they can be purchased. First published in 1948, the novel began Robbins' prolific career after someone made him a \$100 bet that he couldn't write a bestseller. Twenty-six pot-boiling novels later, he proved the power of his words. Never Love a Stranger takes an unflinching look at a New York that's long gone by—exposing life during and after the Great Depression, when the syndicate ruled the city without mercy.

Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.
