Malcolm Gladwell, host of the

podcast Revisionist History and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms

teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and

other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times. Always a Stranger

Emmy-award winning
broadcast journalist and
leading Alzheimer's advocate
Meryl Comer's Slow Dancing
With a Stranger is a profoundly

personal, unflinching account of
her husband's battle with
Alzheimer's disease that serves
as a much-needed wake-up call
to better understand and
address a progressive and
deadly affliction. When Meryl
Comer's husband Harvey
Gralnick was diagnosed with
early onset Alzheimer's disease
in 1996, she watched as the
man who headed hematology
and oncology research at the
National Institutes of Health
started to misplace important
documents and forget clinical
details that had once been
cataloged encyclopedically in
his mind. With harrowing

honesty, she brings readers face to face with this devastating condition and its effects on its victims and those who care for them. Detailing the daily realities and overwhelming responsibilities of caregiving, Comer sheds intensive light on this national health crisis, using her personal experiences—the mistakes and the breakthroughs—to put a face to a misunderstood disease, while revealing the facts everyone needs to know. Pragmatic and relentless, Meryl has dedicated herself to fighting Alzheimer’s and raising public awareness. “Nothing I do is really about me; it’s all about making sure no one ends up like me,” she writes. Deeply personal and illuminating, *Slow Dancing With a Stranger* offers insight and guidance for navigating Alzheimer’s challenges. It is also an urgent call to action for intensive research and a warning that we must prepare for the future, instead of being controlled by a disease and a healthcare system unable to fight it.

Talking to Strangers Berkley “Who goes to Scotland for two weeks with a stranger they met over the internet?” At forty-three, Ninya was depressed, out of shape, and filled with crippling anxiety after addiction, cancer, and divorce had destroyed nearly everything. One day, she received a message from a stranger. This woman offered to lead her on a self-healing trip hiking through the Scottish highlands. It seemed like a sign—a big sister sent when she needed one most. In this sometimes hilarious, sometimes terrifying, but always inspiring memoir, an introverted pollyanna is paired up with her polar opposite—a steamrolling, abrasive female with completely unorthodox healing

methods. As they barrel through
the winding one lane roads in a
tiny rental car stopping to hike
at breathtaking mountains and
glens, an outrageous series of
events forces Ninya to reclaim
her power and find the strength
to heal herself in one of the
most beautiful places on earth.
