The Essential Science Fiction Television Reader
Legare Street Press

A collection of the best of The Harvard Lampoon—the spawning ground for Hollywood’s elite comedy writers and New Yorker humorists—revealing the hidden gems from their 140-year history. Since its inception in 1876, The

Harvard Lampoon has become a farm system for Hollywood’s best and most revered comedy writers. Lampoon alumni can be found behind the scenes of sitcoms and late-night shows, including Saturday Night Live, The Simpsons, The Office, 30 Rock, The Mindy Project, and many others. The Best of the Harvard Lampoon is the first anthology of The Lampoon’s extensive archives, featuring luminaries who have gone on to shape the comedy and literary landscape along with some of the best cartoons, illustrations, and satirical advertisements from over the years. Contributors include B.J. Novak, Henry Beard, Andy Borowitz, George Plimpton, Conan O’Brien, John Updike, Patricia Marx, and many others, with an

introduction by New York Times bestselling author Simon Rich.
To the Last Man ∴ Simon and Schuster
This book focuses on understanding the experiences of faculty members of various races/ethnicities and genders and their classroom encounters with students in the United States. It illustrates some of the dynamics for faculty members facing the challenges and opportunities the diversity presents. In the Trenches

The Last Girls Bookhouse Fulfillment
“ A cunning, often hilarious mystery for the Mensa set and fans of Umberto Eco ’ s *The Name of the Rose* and Tom Stoppard ’ s *Arcadia*. ”
—Heller McAlpin, NPR Paris, 1980. The literary critic Roland Barthes dies—struck by a laundry van—after lunch with the presidential candidate François Mitterand. The world of letters mourns a tragic accident. But what if it wasn ’ t an accident at all? What if Barthes was . . . murdered? In *The Seventh Function of Language*, Laurent Binet spins a madcap secret history of the French intelligentsia, starring such luminaries as Jacques Derrida, Umberto Eco, Gilles Deleuze, Michel Foucault, Judith Butler, and Julia Kristeva—as well as the hapless police

detective Jacques Bayard, whose new case will plunge him into the depths of literary theory (starting with the French version of Roland Barthes for Dummies). Soon Bayard finds himself in search of a lost manuscript by the linguist Roman Jakobson on the mysterious “seventh function of language.” A brilliantly erudite comedy, *The Seventh Function of Language* takes us from the cafés of Saint-Germain to the corridors of Cornell University, and into the duels and orgies of the Logos Club, a secret philosophical society that dates to the Roman Empire. Binet has written both a send-up and a wildly exuberant celebration of the French intellectual tradition. “Binet juxtaposes car chases with highbrow in-jokes and ruminations. The book is a love letter to the power of language—the most dangerous weapon is the tongue.” —*The New Yorker*

“An affectionate send-up of an Umberto Eco–style intellectual thriller that doubles as an exemplar of the genre, filled with suspense, elaborate conspiracies, and exotic locales.” —*Esquire*

Hills, and Katherine Fowkes, explore the Hollywood blockbusters from *The Sixth Sense* to *The Happening* in terms of their themes, aesthetics, and marketing. Taken together, the collection recognizes and explores Shyamalan's "star status" and offers the concerted analysis that this cultural phenomenon requires. Stephen Knapp Heritage Music Press Winner of the Willie Lee Rose Prize from the Southern Association for Women Historians In the years after World War I, Southern farm women found their world changing. A postwar plunge in farm prices stretched into a twenty-year agricultural depression and New Deal programs eventually transformed the economy. Many families left their land to make way for

larger commercial farms. New industries and the intervention of big government in once insular communities marked a turning point in the struggle of upcountry women—forcing new choices and the redefinition of traditional ways of life. Melissa Walker's *All We Knew Was to Farm* draws on interviews, archives, and family and government records to reconstruct the conflict between rural women and bewildering and unsettling change. Some women adapted by becoming partners in farm operations, adopting the roles of consumers and homemakers, taking off-farm jobs, or leaving the land. The material lives of rural upcountry women improved dramatically by midcentury—yet in becoming middle class, Walker concludes, the women found their experiences both broadened and

circumscribed.

Learning to Live Out

Loud Parkhurst Brothers Publishers Incorporated

At the world ' s most exclusive law school, there ' s a secret society rumored to catapult its members to fame and fortune. Everyone is dying to get in . . .

Jeremy Davis is the rising star of his first-year class. He ' s got a plum job with the best professor on campus.

He ' s caught the eye of a dazzling Rhodes scholar named Daphne. But something dark is stirring behind the ivy.

When a mysterious club promises success beyond his wildest

dreams, Jeremy uncovers a macabre secret older than the university itself. In a race against time, Jeremy must stop an ancient ritual that will sacrifice the lives of those he loves most and blur the lines between good and evil. In this extraordinary debut thriller, Danny Tobey offers a fascinating glimpse into the rarefied world of an elite New England school and the unthinkable dangers that lie within its gates. He deftly weaves a tale of primeval secrets and betrayal into an ingenious brain teaser that will keep readers up late into the night. Packed with enigmatic professors, secret codes, hidden tunnels, and sinister villains, *The Faculty Club* establishes Danny Tobey as this season ' s most

thrilling new author. Night Film Bond Street Books

An empowering, forward-thinking solution for creating intentional and healthy social media habits from an expert on media, technology and health. Internationally acclaimed behavioral scientist and social media expert Brian Primack, MD, PhD, believes we do not need to swear off social media, delete all our online accounts, or give up our phones to live healthier, happier lives. In *You Are What You Click*, he offers a new approach to digital wellness, and a realist's perspective on how what we consume online affects our well-being. In response, he presents a "social media pyramid" that personalizes our

tech diet so we can enjoy a fruitful, balanced relationship with social media. While many of us turn to social media looking for a sense of connection and comfort, the data show that it may paradoxically leave us feeling more alone and depressed. Drawing on over twenty years of original research, Dr. Primack explains the fascinating nuances of our relationship with social media, its impact on our mental health, and the dangers of social media using us instead of the other way around. He empowers us to take back control with a simple method: being more selective, positive, and creative with our lives online. Dr. Primack introduces surprising strategies you can use right away to fine-tune

your online experience and discover your definition of digital balance. Through short, actionable chapters, you'll learn how to:

- Tailor your social media use to your personality.
- Select positive relationships over toxic ones.
- Overcome comparison syndrome and the fear of missing out.
- Fill your feed with meaningful, humorous, and uplifting content.
- Optimize your news intake and resist doomscrolling.
- Improve your sleep, create "tech holidays," and more.

With innovative strategies for managing technology, you'll transform your relationship with tech and discover how to make social media work for you. *You Are What You Click* offers a science-

backed approach from a credentialed doctor: Dr. Brian Primack has an MD and a PhD in Education and Behavioral Science. Primack is the go-to expert on this topic. His work on the intersection of media and health has been cited nearly 6,000 times in peer-reviewed scholarly literature, and he has been featured in major media outlets across the world. **FOR WELLNESS READERS, PARENTS, AND ANYONE WHO USES SOCIAL MEDIA:** Dropping off the digital map or deleting all our social media accounts isn't the only option—and often isn't something we feel ready to do. Rather than digital abstinence, with Primack's 3-step plan, tech lovers will be able to understand how to regulate their online

social platforms in healthier ways. A BALANCED PERSPECTIVE ON TECHNOLOGY AND SOCIAL MEDIA IN A POSITIVE LIGHT:

Almost every book in this genre portrays technology in a negative or even scary way. With this book, readers will learn how to adjust and balance their presence online with a personalized plan they can use across all platforms, no matter what new social media app goes public next. Primack offers an empowering solution that is forward-thinking, and will continue to be relevant as technology becomes more immersed into our lives. QUICK, PRACTICAL ADVICE: You Are What You Click is broken into short,

actionable chapters that allow readers to understand the research, take action, and see results—perfect for short attention spans whittled down by Facebook and Instagram stories, Twitter, Snapchat, and TikTok! FOR FANS OF PERSONALITY BOOKS: Fans of books like The Road Back to You: An Enneagram Journey to Self-Discovery and The Four Tendencies: The Indispensable Personality Profiles that Reveal How to Make Your Life Better will love the personality quiz and personalized solutions Primack offers for being selective, creative, and healthy with social media use. Lift Up Your Hearts and Voices Hachette UK 'Like an episode of Black Mirror written by

Stephen King' John Marris, bestselling author of The One 'Immersive, claustrophobic . . . addictive' Guardian Win and All Your Dreams Come True™! ;) Charlie and his friends have entered the God Game. Tasks are delivered through their phones. When they accomplish a mission, the game rewards them. Charlie's money problems could be over. Vanhi can erase the one bad grade on her university application. It's all fun and games - at first. Then the threatening messages start. Obey me. Mysterious packages show up at their homes. Shadowy figures start following them. Who

else is playing this game, and how far will they go to win? As Charlie looks for a way out, there's only one rule he knows for sure. If you die in the game, you die for real. From the Man Booker Prize longlisted author of *My Name is Lucy Barton* ? Isabelle Goodrow has been living in self-imposed exile with her daughter Amy for fifteen years. Shamed by her past and her affair with Amy's father, she has submerged herself in the routine of her dead-end job and her unrequited love for her boss. But when Amy, frustrated by her quiet and unemotional mother, embarks on an illicit affair with her maths teacher, the disgrace intensifies the shame Isabelle feels about her own past. Throughout one long, sweltering summer, as the events of the small

town ebb and flow around them, Amy and Isabelle exist in silent conflict until a final act leads ultimately to the understanding they both crave.

Part thriller, part love story, *Mazes and Monsters* is a spellbinding novel about a group of college students in the 1980s who use a fantasy game as refuge from their personal, emotional, and social problems. Based loosely on the “steam tunnel incidents” of the 1970s, the four friends—Kate, Jay Jay, Daniel, and Robbie—eventually take their game too far when they decide to live-action role-play in the caverns near their college

campus. What follows is terrifying and unexpected, as each character dives deep into the darkest part of their mind, those forbidden places where our most menacing truths lie.
