[The Fall of Arthur](#) W. W. Norton

In the midst of war-torn Britain, King Arthur returned in the writings of the Oxford Inklings. Learn how Tolkien, Lewis, Williams, and Barfield brought hope to their times and our own in their Arthurian literature. Although studies of the "Oxford Inklings" abound, astonishingly enough, none has yet examined their great body of Arthurian work. Yet each of these major writers tackled serious and relevant questions about government, gender, violence, imperialism, secularism, and spirituality through their stories of the Quest for the Holy Grail. This rigorous and sophisticated volume studies does so for the first time. "This serious and substantial volume addresses a complex subject that scholars have for too long overlooked. The contributors show how, in the legends of King Arthur, the Inklings found material not only for escape and consolation, but also, and more importantly, for exploring moral and spiritual questions of pressing contemporary concern." --Michael Ward, Fellow of Blackfriars Hall, University of Oxford, and co-editor of C.S. Lewis at Poets' Corner "This volume follows Arthurian ley lines in geographies of myth, history, gender, and culture, uncovering Inklings lodestones and way markers throughout. A must read for students of the Inklings." --Aren Roukema, Birkbeck, University of London

Houghton Mifflin Harcourt

A collection of three medieval English poems, translated by Tolkien for the modern-day reader and containing romance, tragedy, love, sex and honour.

[The Illustrated Encyclopaedia of Arthurian Legends](#) Mjf Books

One of the finest narrative poems of the Middle Ages translated in its entirety by a recognized authority on the poem. This volume represents an important chapter in the evolution of the Arthurian legend. It is marked as an epic poem by its celebration of battle and conquest and its unsentimental depiction of combat and death.

[Le Morte Darthur](#) White Lion Publishing

A poetic translation of the classic Arthurian story is an edition in alliterative language and rhyme of the epic confrontation between a young Round Table hero and a green-clad stranger who compels him to meet his destiny at the Green Chapel. Reprint. 20,000 first printing.

[The Stanzaic Morte](#) Oxford University Press

The world of Tolkien's imagination is a virtually boundless universe, one in which multiple layers of cultural heritage revolve around his enduring passion for storytelling, fascination with languages and devotion to the Catholic faith. In effect, much of his fiction is an eclectic, though, at the same time, remarkably coherent, mixture in which certain elements of the old lore appear to be constantly reinvented, reimagined and reinterpreted to suit the tastes of the Professor's readers and listeners. It is a constant mediation between the world of the past (ancient, medieval or other) and the world in which he lived, an informed dialogue tinted by the writer's personal convictions and beliefs. Ever since the dawn of Tolkien scholarship, the majority of serious academic discussions concerning his works and ideas have brought into play this very dialogue, an oft-repeated journey, back and forth (much like Bilbo's own quest in *The Hobbit*), between Tolkien's Middle-earth and the other realms of human imagination, chiefly, though not exclusively, located in the north-western fringes of the European continent. It is precisely this kind of journey (or, rather, journeys), perilous and full of pitfalls, that the reader will undertake in the present book, guided by a group of six authors from Poland, scholars whose academic interests (apart from Tolkien) are wide and varied, ranging from the

Greek Antiquity to the age of Queen Victoria. And so, to Middle-earth or, rather, there and back again! Let us delve into those multiple layers of Tolkien's fiction in search for some of the foremost sources of his literary inspiration. In this way, we might be able to observe Tolkien's worldbuilding processes at work and, by going there and back again, catch a glimpse of what, in his essay "On Fairy-stories", the writer himself referred to as "forming mental images of things not actually present".

[The Fall of Arthur](#) HarperCollins

A unique parallel edition of Beowulf with the original Anglo-Saxon and Gummere's celebrated poetic translation on facing pages. "The whole thing is sombre, tragic, sinister, curiously real. ... It is laden with history, leading back into the dark heathen ages beyond the memory of song, but not beyond the reach of imagination" - J. R. R. Tolkien. The epic Anglo-Saxon poem Beowulf had "a deep and detailed impact on what Tolkien wrote - from his earliest poem of Middle-earth (1914), right through *The Hobbit* ... and *The Lord of the Rings*." - John Garth author of *Tolkien and the Great War*. "The story of Beowulf, Grendel, Grendel's mother and the Dragon [is] surely the basic story of all literature ... It is an epic that summons up a world whose trappings have long since disappeared, the trappings of the warrior ethos, and morality of almost prehistoric Germanic times; but the essential 'message' has not changed. It is about courage and resolve, about duty and responsibility, about honour and achievement; but it is also about the transitoriness of things, and the inevitability of death, however glorious the life. It is both a celebration of humanity and an elegy. The poem Beowulf is one of the glories of European literature." - Magnus Magnusson. Beowulf, the greatest work of Anglo-Saxon literature, and "one of the glories of European literature," is set in the mists of Scandinavia, interweaving history and myth. It has been translated into English over seventy times, has been widely studied, and has influenced the popular imagination through Tolkien's *Hobbit* and *Lord of the Rings*. The young hero, Beowulf, receiving reports that a monster has been terrorising the neighbouring Danes nightly in their sumptuous mead hall Heorot, sails to their aid with a small band of warriors. The Danish King Hrothgar, amazed at his courage, honours him with a celebratory feast, after the shadowy monster Grendel strikes. Beowulf, a man of suprahuman strength, though unarmed, fatally wounds Grendel, and later defeats his terrifying mother. Beowulf returns to Geatland, becomes King, and ruling with wisdom equalling his courage and strength, establishes peace for fifty years. However, an enterprising slave steals a jewelled cup from a sleeping dragon's hoard, whereupon the enraged dragon emerges spewing flames, killing villagers, and destroying homes. Beowulf, defender of his people, seeks the dragon in its lair; however, once the fire-breathing dragon emerges, he is abandoned by all but the young Wiglaf. The two ultimately slay the dragon, but only at the cost of a mortal injury to Beowulf. Beowulf, who has triumphed gloriously in life and died tragically, is given a funeral equal to any of the heroes of *The Iliad* or *The Aeneid*. This dual-language edition will be enjoyable for general readers, and invaluable for students who would like to read Beowulf in either Anglo-Saxon or modern English, while dipping into the other language to deepen pleasure or comprehension. It provides an enjoyable experience of the epic poem Beowulf.

[The Return of the King \(The Lord of the Rings, Book 3\)](#) Mariner Books

The Oxford Guide to Arthurian Literature and Legend offers a comprehensive survey of the Arthurian legends in all their manifestations, from the earliest medieval texts to their appearances in contemporary culture. Essential reading for Arthurian scholars, medievalists, and for those interested in myth and legend.

[Pictures by J. R. R. Tolkien](#) John Wiley & Sons

A study of Arthurian romance and legend which draws together the different strands of Arthurian myth, from sources as diverse as Geoffrey of Monmouth, Malory, Chretien de Troyes, the Mabinogion, and the English Gawain cycles.

[The History of Merlin and King Arthur](#) Houghton Mifflin Harcourt

Coming from the darker side of J.R.R. Tolkien's imagination, this is an important non Middle-earth work to set alongside his other retellings of existing myth and legend, "The Legend of Sigurd and Gudrún," "The Fall of Arthur," and "The Story of Kullervo."

[Tales from the Perilous Realm](#) Houghton Mifflin Harcourt

Praise for Elizabeth Hand: "Fiercely frightening yet hauntingly beautiful."—Tess Gerritsen, author of *The Silent Girl* "A sinful pleasure."—Katherine Dunn, author of *Geek Love* No one is innocent, no one unexamined in award-winner Elizabeth Hand's new collection. From the summer isles to the mysterious people next door all the way to the odd guy one cubicle over, Hand teases apart the dark strangenesses of everyday life to show us the impossibilities, broken dreams,

and improbable dreams that surely can never come true.

Elizabeth Hand's novels include Shirley Jackson Award-winner *Generation Loss*, *Mortal Love*, and *Available Dark*.

[Middle-earth. Or There and Back Again](#) Penguin UK

Begin your journey into Middle-earth... The inspiration for the upcoming original series on Prime Video, *The Lord of the Rings: The Rings of Power*. The Fellowship of the Ring is the first part of J.R.R. Tolkien's epic adventure *The Lord of the Rings*. One Ring to rule them all, One Ring to find them, One Ring to bring them all and in the darkness bind them. Sauron, the Dark Lord, has gathered to him all the Rings of Power—the means by which he intends to rule Middle-earth. All he lacks in his plans for dominion is the One Ring—the ring that rules them all—which has fallen into the hands of the hobbit, Bilbo Baggins. In a sleepy village in the Shire, young Frodo Baggins finds himself faced with an immense task, as his elderly cousin Bilbo entrusts the Ring to his care. Frodo must leave his home and make a perilous journey across Middle-earth to the Cracks of Doom, there to destroy the Ring and foil the Dark Lord in his evil purpose.

[Errantry](#) Small Beer Press

Each painting is accompanied by a page of text drawn from the work that inspired it, describing the scene the artist has chosen to illustrate.

[The Winter King](#) HarperCollins

The Fall of Arthur Houghton Mifflin Harcourt

[Sir Gawain and the Green Knight: With Pearl and Sir Orfeo](#) HarperCollins

The beloved author of the high fantasy works *The Hobbit* and *The Lord of the Rings* delves into the legend of King Arthur in an epic, but unfinished, poem written in Old English alliterative meter.

[Red Moon](#) Houghton Mifflin Harcourt

Geoffrey of Monmouth wrote his "Historia Regum Britanniae" (History of the Kings of Britain) in about 1136 AD. His book includes the first account of the Arthurian legend that survives, apart from very brief mentions of Arthur in earlier chronicles. This edition makes Geoffrey's history of Arthur accessible to a general audience for the first time. It includes only the parts of Geoffrey's "Historia" that are about Merlin or Arthur, omitting its lengthy histories of other kings, which do not interest today's readers. It breaks up Geoffrey's text into shorter chapters, and it adds subheadings that make the narrative easier to follow. Geoffrey lets us see King Arthur's place in history much more clearly than later versions of the legends, telling us that Arthur fought the Saxons after the Romans left Britain. He also includes stories of Merlin's early life that are left out of later accounts. This edition uses Aaron Thompson's 1718 translation of the "Historia," as revised and corrected by J. A. Giles in 1842. This edition also includes drawings by the famous illustrator, Howard Pyle, making it a beautiful book as well as a book that will fascinate anyone who is interested in the stories of King Arthur and wants to learn more about them.

[The Fall of Arthur](#) Benediction Classics

The most famous and influential work of English fantasy ever published, reimagined for a new generation of readers by John Matthews, one of the world's leading Arthurian experts, and illustrated by internationally acclaimed Tolkien artist, John Howe.

[Tolkien's World](#) HMH

Award-winning author Benjamin Percy presents an explosive and deeply layered literary thriller set in the American West. They live among us. They are our neighbors, our mothers, our lovers. They change. When government agents kick down Claire Forrester's front door and murder her parents, Claire realizes just how different she is. Patrick Gamble was nothing special until the day he got on a plane and hours later stepped off it, the only passenger left alive, a hero. Chase Williams has sworn to protect the people of the United States from the menace in their midst, but he is becoming the very thing he has promised to destroy. So far, the threat has been controlled by laws and violence and drugs. But the night of the red moon is coming, when an unrecognizable world will emerge...and the battle for humanity will begin.
