Quotes Showing 1-6 of 6 "The reigning belief today is that closeness between persons is a moral good. The reigning aspiration today is to develop individual personality through experiences of closeness and warmth with others. The Fall of Public Man Quotes by Richard Sennett Richard Sennett's *The Fall of Public Man* examines the growing imbalance between private and public experience, and

asks what can bring us to reconnect with our communities. Are we now so self-absorbed that we take little interest in the world beyond our own lives? Or has public life left no place for individuals to participate?

**Richard Sennett - Wikipedia**

A sweeping, farsighted study of the changing nature of public culture and urban society, *The Fall of Public Man* spans more than two centuries of Western sociopolitical evolution and investigates the causes of our declining involvement in political life.

People in glass houses, says Sennett, turn turtle: "people can be sociable only when they have some protection from each other," they require some ritualized modes of behavior in order to interact

effectively. In an original and sweeping historical study, the sociologist author of The Uses of Disorder relates society's most prominent ills, from clinical narcissism to political apathy, to the ...

In The Fall of Public Man, Richard Sennett (1976) argues that the public realm now has become a mere formality (3) and that the private life has become interiorized (4), leading to confusion

between intimate life and public life (5). Thus, there is a question for the "authentic" self rather than a public of presenting ideas (8).
