A sci-fi adventure for kids, written by an author of The Fallacy Detective. Use your imagination to travel into space with an evil

microwave and learn the importance of Trash Day. This is a small, but feisty, story about Archer and Zowie: two friends who build a space ship on purpose but crash land on an alien planet by accident.

Subtitled Thirty-Eight Lessons on How to Recognize Bad Reasoning, The Fallacy Detective uses humor, historical references, and real life situations to help teens learn to think and express themselves clearly. Comic strips from Calvin and Hobbes, Dilbert, Peanuts, and Nuna and Toodles (the Blueborn brothers' own creation) are a nice touch.
