How Do I Know if I Have a Fantasy Bond? - PsychAlive
The book develops the concept of the core defense of the “ fantasy bond ” and describes the structure and organization of the overall defensive process. The ideas set forth in this work constitute an important link between neo-psychoanalytic thought and existential views, especially those relating to individual and collective defenses against death anxiety.

The Fantasy Bond Quotes by Robert W. Firestone

The fantasy bond is a type of relationship where the basic tie is based on routines and roles, rather than spontaneous feelings. This can be an imaginary connection formed originally by the infant with the parent or primary caregiver, as well as an illusory connection to another person that adults attempt to establish in their intimate associations and which leads to deterioration in the relationship.

The fantasy bond is a primitive defense mechanism that we developed in early childhood as a way of maintaining an illusion of safety and security at those times when we experienced overwhelming ...
The Fantasy Bond Structure Of

Community Reviews. He views religion and the family itself as supporting structures of the fantasy bond in that they obscure the person's view of death by denying it in religious rituals based on the idea of life after death. It is a somber book. He also does not have an overly positive view of humanity, stating that a great majority...
