Twelve-year-old Winnie Willis has a way with horses. She can gentle the wildest mare, but other parts of her life don't always come as easily. Along with her dad and sister, Lizzy, Winnie is learning how to live without her mom, who was also a natural horse gentler. As

Winnie teaches her horses about unconditional love and blind trust, God shows Winnie that he can be trusted too. Readers will be hooked on the series' vivid characters, whose quirky personalities fill Winnie's life with friendship and adventure. In #1 Wild Thing, Winnie's fearful heart finally begins to trust God again as she tries to gentle the horse of her dreams, Wild Thing.

Lady Long Rider Rowman & Littlefield

The giant Norse warrior-king Harald Hardrede strives to forge a mighty empire by conquering the North in the second volume of the epic

Last Viking Trilogy He is a savior to the hordes of loyal Norsemen who would gladly give their lives battling at his side and a dreaded scourge to anyone who resists his dreams of empire. Now, Harald Hardrede—who, legend has it, has never been defeated in battle or sport—has returned to Norway, the land of his birth, after years of serving foreign rulers in faraway realms. The lessons of Constantinople are not lost on the giant Viking warrior, as he sets out to unite the northlands under his sole rule and create an empire to rival the great powers of Europe. Harald's task will not come easily and will demand great sacrifice, for the resisting Danes love their current king, and the proud people of the Throndeimsfjord would rather die than relinquish their cherished independence. But the fabled "Lightning of the North" will not be deterred, for he is determined to carve his place in history—or die in the process. Multiple-award-winning author Poul Anderson's thrilling three-volume series, the Last Viking Trilogy draws from Norse legend and lore to prove he is as adept at epic historical fiction as he is at science fiction and fantasy.

Norway's most glorious hero comes alive in *The Road of the Sea Horse*, a magnificent tale of war, adventure, bloodlust, and loyalty.

The Enchanted Horse Dover Publications

"A rollicking read about how magic and the mystifying thrive at the racetrack" from the New York Times—bestselling author (Joe Drape, author of *The Saint Makers*). In *The Ghost Horse*, Joe Layden tells the inspiring true tale of a one-eyed, club-footed thoroughbred racehorse and a journeyman trainer, Tim Snyder, who scraped together every penny he had to purchase the broken and unwanted filly. Snyder helped the horse overcome its deficiencies, eventually naming her in part after his deceased wife, Lisa, the great and only love of his life—a bright and sweet-tempered woman whose gentle demeanor seemed eerily reflected in the horse. The

trainer (and now owner) was by nature a crusty and combative sort, the yin to his wife's yang, a racetrack lifer not easily moved by new-age mysticism or sentiment. And yet in those final days back in 2003, when Lisa Snyder lay in bed, her body ravaged by cancer, she reassured her family with a weak smile. "It's okay," she'd say. "I'll see you again. I'm coming back as a horse." Tim Snyder did not then believe in reincarnation. But he acknowledged the strangeness of this journey, the series of coincidences that brought them together, and the undeniable similarities between the horse and his late wife. And so did those who knew the couple well, and who could now only marvel at the story of the filly, Lisa's Booby Trap, and the down-on-his-luck trainer who apparently had been given a new lease on life. The Ghost Horse is a powerful horseracing story of underdogs and second chances. "A heart-warming tale, artfully told."

Can horses really teach us to be better human beings? In this groundbreaking work, you will discover that the answer is a resounding "Yes". While working with severely disturbed youths, therapists Adele and Deborah McCormick discovered the best healers were their herd of Peruvian Paso horses. Through their work with horses, the McCormicks' patients were initiated into the hidden world of animal energy and instinct, and found a safe and natural way to learn about their own dualistic natures. Patients learned to tap into their primal "animal" mind and energies and apply them toward more creative and responsible living. What took days or months to uncover in an office setting took only minutes when patients were on a horse. You will read case after fascinating case of people discarded by society and the psychiatric community whose lives were turned around by the intuitive guidance and friendship of their equine therapists. What People are saying... "This book got me. It is about personal growth and the cultivation of wisdom, and is one of the wisest contributions I have come across in years...Its implications for healing are utterly profound. Horse Sense and the Human Heart is a breakthrough work."

--Larry Dossey, M.D. author Prayer is Good Medicine and Healing Words "Horse Sense and the Human Heart is an eye-opening and heartwarming adventure. In sharing their pioneering therapeutic discoveries, Adele and Deborah McCormick take us on a shamanic interspecies odyssey. They reveal a secret world governed by wise equine masters, available to help heal our psyches, and guide the human spirit on its journey toward wholeness." --David Jay Brown, author, Brainchild and Mavericks of the Mind

Ranch roping is at the heart of all ranch work, and unlike the rodeo variation of calf roping, the "vacquero" tradition calls for techniques that result in a skillful and graceful throw and catch. Buck Brannaman, a world-renowned master of the art, describes the essential tools, the partnership between horse and rider (incorporating the Natural Horsemanship approach for which the author is famous), and the mechanics needed to become a successful ranch roper, whether in competition or in actual cattle work. One-hundred full-color photographs of Buck in action enhance the step-by-step methodology that leads to mastering this essential Western skill. Whether you ride or rope or just wish you could, here's a book for everyone who is captivated by Western traditions and contemporary life.
