As even a quick glance around a saddler shop or through a tack store catalog will show, the world of horse bits is both enormous and mystifying. The primary means of communicating with and controlling a horse, Western and English bits come in a bewildering assortment of materials, sizes, and shapes. Their descriptions—full-cheek snaffle, hackamore, high port, French link, Tom Thumb, spade, KK Ultra—are no less puzzling, and with new bits and refinements being produced every year, even the most experienced horseman must struggle to keep up with the state of the art. The *Ultimate Book of Horse Bits* will answer all your questions on the subject . . . and then some. Not only does the author and horsewoman Emily Esterson go into detail about all kinds of equine

mouthware and how each is constructed, but she also explains how and why each works in the context of what the rider wants the horse to accomplish. Does your horse have difficulty bending or flexing? Whether a novice or expert horseman, every rider, trainer, or owner in any equestrian discipline will benefit from this book's wide-ranging and practical information for years to come.

A New York Times Notable Book Finalist for the National Book Critics Circle Award  
A personal, lyrical narrative about storytelling and empathy, from the author of Orwell's *Roses Apricots*. Her mother's disintegrating memory. An invitation to Iceland. Illness. These are Rebecca Solnit's raw materials, but *The Faraway Nearby* goes beyond her own life, as she spirals out into the stories she heard and read—from

---

fairy tales to Mary Shelley's Frankenstein—that helped her navigate her difficult passage. Solnit takes us into the lives of others—an arctic cannibal, the young Che Guevara among the leprosy afflicted, a blues musician, an Icelandic artist and her labyrinth—to understand warmth and coldness, kindness and imagination, decay and transformation, making art and making self. This captivating, exquisitely written exploration of the forces that connect us and the way we tell our stories is a tour de force of association, a marvelous Russian doll of a book that is a fitting companion to Solnit's much-loved *A Field Guide to Getting Lost*. *The Little Red Book of Horse Wisdom* Scholastic Press
