The Feminine Mistake

The publisher seems to
have marketed The

Feminine Mistake as a kind of self-help book for women, which does the book a disservice—it's actually a pretty detailed work of reporting, about a topic that shouldn't be controversial but somehow still is: that it's not a great idea for a woman to be completely financially dependent on a man.

Today, some women are rejecting the 1980s-era

notion of “having it all” by dropping out of the workforce – sometimes permanently – to raise their children. In her book *The Feminine Mistake*, journalist Leslie Bennetts suggests that women have been oversold on the idea they must choose between being good workers and being good mothers.

Our culture programs women to believe that they can depend on a man to

support them -- the classic feminine mistake -- and fails to explain how often that alluring promise is betrayed, whether by a change of heart or a heartless fate.

The Feminine Mistake Are We Author and Vanity Fair Contributing Editor Leslie Bennetts discusses the origins of her book, “*The Feminine Mistake*,” and examines difficulties faced by women who quit their careers to become...
