*The Women We Love to Hate, Mock, and Fear . . . and Why* Penguin Classics

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss these other Shel Silverstein ebooks, *Where the Sidewalk Ends*, and *A Light in the Attic!*

*Pandora's Jar* Grand Central Publishing

An exploration of the connections between feminine consciousness and altered states from ancient times to present day • Explores the feminine qualities of the psychedelic self, ancient female roots of shamanism, and how altered states naturally tap into the female archetype • Discusses feminist psychedelic activism, female ecstasies, goddess consciousness, the dark feminine, and embodied paths to ecstasy • Includes contributions by Martina Hoffmann, Amanda Sage, Carl Ruck, and others Women have been shamans since time immemorial, not only because women have innate intuitive gifts, but also because the female body is wired to more easily experience altered states, such as during the process of birth. Whether female or male, the altered states produced by psychedelics and ecstatic trance expand our minds to tap into and enhance our feminine states of consciousness as well as reconnect us to the web of life. In this book, we discover the transformative powers of feminine consciousness and altered states as revealed by contributors both female and male, including revered scholars, visionary artists, anthropologists, modern shamans, witches, psychotherapists, and policy makers. The book begins with a deep look at the archetypal dimensions of the feminine principle and how entheogens give us open access to these ancient archetypes, including goddess consciousness and the dark feminine. The contributors examine the female roots of shamanism, including the role of women in the ancient rites of Dionysus, the Eleusinian Sacrament, and Norse witchcraft. They explore psychedelic and embodied paths to ecstasy, such as trance dance, holotropic breathwork, and the similarities of giving birth and taking mind-altering drugs. Looking at the healing potential of the feminine and altered states, they discuss the power of plant medicines, including ayahuasca, and the recasting of the medicine-woman archetype for the modern world. They explore the feminine in the creative process and discuss feminist psychedelic activism, sounding the call for more female voices in the psychedelic research community. Sharing the power of "femtheogenic" wisdom to help us move beyond a patriarchal society, this book reveals how feminine consciousness, when intermingled with psychedelic knowledge, carries and imparts the essence of inclusivity, interconnectedness, and balance our world needs to heal and consciously evolve.

*A Spiritual Guide to Mastering the Challenges of Women, Work, and Sexual Desire: Easy Read Comfort Edition* Simon and Schuster

With all the choices available to today's women, why don't they more feel fulfilled? What Women Want Next is Susan Maushart's meditation-by turns profound and laugh-out-loud funny-on that central dilemma of postfeminist life. At one point she had it all, so why wasn't she happy? With *What Women Want Next*, Maushart combines research with personal history in a dynamic attempt to answer this question. Feminism may have led women to life's banquet table, but the meal they make of it is up to them. How to balance life and work, sex and sleep, child care and self-care? And why has women's guilt-that glass ceiling of the soul-become the biggest barrier they face? *What Women Want Next* is the first book to look at the spectrum of a woman's life and attempt to demonstrate how she can shape her own destiny throughout all its stages.

*Practical Influence* Simon and Schuster

The #1 international best seller *In Lean In*, Sheryl Sandberg reignited the conversation around women in the workplace. Sandberg is chief operating officer of Facebook and coauthor of *Option B* with Adam Grant. In 2010, she gave an electrifying TED talk in which she described how women

unintentionally hold themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to "sit at the table," seek challenges, take risks, and pursue their goals with gusto. *Lean In* continues that conversation, combining personal anecdotes, hard data, and compelling research to change the conversation from what women can't do to what they can. Sandberg provides practical advice on negotiation techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, *Lean In* is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.

*All the Rules* Hachette Books

*Lady Catherine, the Earl, and the Real Downton Abbey* tells the story behind Highclere Castle, the setting for Julian Fellowes' s Emmy Award-winning PBS show *Downton Abbey*, and the life of one of its most famous inhabitants, Catherine Wendell. In this transporting companion piece to the New York Times bestseller *Lady Almina and the Real Downton Abbey*, Catherine, a beautiful and spirited American woman who married Lady Almina' s son, the man who would become the 6th Earl of Carnarvon, presides over the grand estate during a tumultuous time for the British aristocracy. Following the First World War, many of the great houses of England faded as their owners fortunes declined in the new political and social world of the 1920s and 1930s. As war loomed, Highclere' s survival as the family home of the Carnarvons was again in the balance—as was peace between the nations of Europe. Using copious materials—including diaries and scrapbooks—from the castle' s archives, the current Countess of Carnarvon brings alive a very modern story in a beautiful and fabled setting, paying particular attention to the staff who provide Highclere Castle with continuity between generations.

*The Life, Loves, Losses, and Liberation of Joan Rivers* HarperCollins

Named one of "40 Gifts for the Book Lover on Your List," by *Good Housekeeping*: The definitive book about Joan Rivers' tumultuous, victorious, tragic, hilarious, and fascinating life. Joan Rivers was more than a legendary comedian; she was an icon and a role model to millions, a fearless pioneer who left a legacy of expanded opportunity when she died in 2014. Her life was a dramatic roller coaster of triumphant highs and devastating lows: the suicide of her husband, her feud with Johnny Carson, her estrangement from her daughter, her many plastic surgeries, her ferocious ambition and her massive insecurities. But Rivers' career was also hugely significant in American cultural history, breaking down barriers for her gender and pushing the boundaries of truth-telling for women in public life. A juicy, intimate biography of one of the greatest comedians ever -- a performer whose sixty year career was borne, simply, out of a desire to make people laugh so she could feel loved -- *Last Girl Before Freeway* delves into the inner workings of a woman who both reflected and redefined the world around her.

*How Images of Beauty Are Used Against Women* Catapult

Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer' s assistant and, somehow, they met in *Bright Lights, Big City*. He' s blinded by love. She by ambition. *Diary of an Oxygen Thief* is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

*The Great Mistake* Univ of California Press

The bestselling classic that redefined our view of the relationship between beauty and female identity. In today's world, women have more power, legal recognition, and professional success than ever before. Alongside the evident progress of the women's movement, however, writer and journalist Naomi Wolf is troubled by a different kind of social control, which, she argues, may prove just as restrictive as the traditional image of homemaker and wife. It's the beauty myth, an obsession with physical perfection that traps the modern woman in an endless spiral of hope, self-consciousness, and self-hatred as she tries to fulfill society's impossible definition of "the flawless beauty."

*Women who Run with the Wolves* Createspace Independent Publishing Platform

The search for Mr. Right starts here. This simple set of dating dos and don'ts-combining *The Rules* and *The Rules II*-will teach you how to find (and keep!) a man who treats you with the respect and dignity you deserve. You are a creature unlike any other (Rule #1)-that's why you need... *The Rules*. Refreshingly blunt, astonishingly effective, and at times hilarious. All the Rules will lead you to where you want to be: in a healthy, committed relationship. These commonsense guidelines will help you: Lead a full, satisfying, busy life outside of romance. Accept occasional defeat and move on. Bring out the best in you and in the men you date. Whether you're eighteen or eighty, these time-tested techniques will help you find the man of your dreams.

*Last Girl Before Freeway* Penguin

AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of *Eat Pray Love* and *The Signature of All Things*, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA Today "Pairs well with a cocktail...or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), *City of Girls* explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other.

[City of Girls](#) W. W. Norton & Company

In 1963, Betty Friedan unleashed a storm of controversy with her bestselling book, *The Feminine Mystique*. Hundreds of women wrote to her to say that the book had transformed, even saved, their lives. Nearly half a century later, many women still recall where they were when they first read it. In *A Strange Stirring*, historian Stephanie Coontz examines the dawn of the 1960s, when the sexual revolution had barely begun, newspapers advertised for "perky, attractive gal typists," but married women were told to stay home, and husbands controlled almost every aspect of family life. Based on exhaustive research and interviews, and challenging both conservative and liberal myths about Friedan, *A Strange Stirring* brilliantly illuminates how a generation of women came to realize that their dissatisfaction with domestic life didn't reflect their personal weakness but rather a social and political injustice.

*The History of British India* Harper Collins

"Everyone knows that finding the right house at the right price is the goal right? But how do you actually do that? And are all of the deal breaking critical steps in between? That is what this book is all about ... everything you need to know about buying your first home"--Page 4 of cover.

[The Feminine Mistake](#) Focus on the Family Pub

Data is fundamental to the modern world. From economic development, to healthcare, to education and public policy, we rely on numbers to allocate resources and make crucial decisions. But because so much data fails to take into account gender, because it treats men as the default and women as atypical, bias and discrimination are baked into our systems. And women pay tremendous costs for this bias, in time, money, and often with their lives. Celebrated feminist advocate Caroline Criado Perez investigates shocking root cause of gender inequality and research in *Invisible Women* † ‹ , diving into women ' s lives at home, the workplace, the public square, the doctor ' s office, and more. Built on hundreds of studies in the US, the UK, and around the world, and written with energy, wit, and sparkling intelligence, this is a groundbreaking, unforgettable expos é that will change the way you look at the world.

[Invisible Women](#) Knopf

What happens in Aspen is definitely not staying in Aspen . . . A girls' trip to Aspen was exactly what Shay needed to forget about her toxic ex-boyfriend. She's got her girls, pristine slopes for skiing, and hot guys everywhere. Of course, her epic self-rediscovery goes completely to hell when a wild (and deliciously hot) skier knocks Shay on her ass . . . and war is declared. Kolton doesn't know what it is about Shay that makes him lose it. Not just his cool---although she does have an unholy gift for that---but his restraint. When anger gives way to explosive chemistry, they're both shaken with the intensity of it. But somewhere between lust and hate, Kolton and Shay realize they could have something real . . . if they don't kill each other first.

*Trainwreck* Harper Collins

When Betty Friedan produced *The Feminine Mystique* in 1963, she could not have realized how the discovery and debate of her contemporaries' general malaise would shake up society. Victims of a false belief system, these women were following strict social convention by loyally conforming to the pretty image of the magazines, and found themselves forced to seek meaning in their lives only through a family and a home. Friedan's controversial book about these women - and every woman - would ultimately set Second Wave feminism in motion and begin the battle for equality. This groundbreaking and life-changing work remains just as powerful, important and true as it was forty-five years ago, and is essential reading both as a historical document and as a study of women living in a man's world. 'One of the most influential nonfiction books of the twentieth century.' *New York Times* 'Feminism ..... began with the work of a single person: Friedan.' Nicholas Lemann With a new Introduction by Lionel Shriver

[I Was a Whining, Miserable, Desperate Housewife--But I Finally Snapped Out of It...You Can, Too!](#) *The Feminine Mistake* Are We Giving Up Too Much?

Biblical womanhood is not for the weak. In an age that seeks to obliterate God and His authority, modeling biblical womanhood involves spiritual warfare. *Radical Womanhood* seeks to equip new believers and long-time Christians alike, exposing the anti-God agenda of the three waves of feminism to date and presenting the pro-woman truth of the Scriptures. Illustrated with numerous personal testimonies, this book will dig deep into the Word and show how it can be lived out today. The foundation and core message of *Radical Womanhood* is consistent with the traditional complementarian teaching on biblical womanhood. However, the target audience, tone, and style are radically different. Most books on this subject take a heavily didactic tone that assumes an awareness of Christian lingo and a high degree of spiritual maturity. *Radical Womanhood* has the narrative approach appreciated by postmodern readers, but still incorporates solid, biblically-based teaching for personal application and growth.

[Are We Giving Up Too Much?](#) Crossway

Before you were told to "Lean In," Dr. Lois Frankel told you how to get that corner office. The *New York Times* bestseller, is now completely revised and updated. In this edition, internationally recognized executive coach Lois P. Frankel reveals a distinctive set of behaviors--over 130 in all--that women learn in girlhood that ultimately sabotage them as adults. She teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be incorporated into your social and business skills. Stop making "nice girl" errors that can become career pitfalls, such as: Mistake #13: Avoiding office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82: Asking permission. Children, not adults, ask for approval. Be direct, be confident.

Anchor

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Feminine mistake, the: are we giving up too much?." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

*Diary of an Oxygen Thief* Knopf

Can feminism be squared with the Bible? Kassian meets this question head-on with a thorough and balanced inquiry into the history of feminism followed by a biblical, point-by-point critique of feminist movement.

*Feminism Is for Everybody* Basic Books

Diane Passno, in an insightful analysis of feminism from its roots in the church to its current state of extremism, examines where feminism went wrong, discusses what God says about the roles and rights of women, and gives hope and help to women as they face modern-day challenges.
