#1-bestselling author of such popular classics as Airport and Hotel "To stay happily married to anyone for twenty-five years is an achievement. To stay happily married for that length of time to a writer is a miracle." With wit and rare candor, Sheila Hailey shares the story of life with her famous husband—from the first time she heard his voice while transcribing a letter he'd recorded on a Dictaphone and their early days scraping pennies to go to the movies, to Arthur's brainstorm for his first television play, to the thrilling blockbuster success of Airport and their visits to Hollywood to see his novels made into movies. Providing insight into her husband's creative processes and the book publishing business, Sheila also reveals the challenges of raising a family with a workaholic husband who craved excitement. Vibrantly written, this is the love story of two strong-willed people fiercely committed to each other and the philosophy of living life to its fullest.

from a German dentist sends Sir Harrison off to attempt the excavation of the site of the Führerbunker, where Hitler and his wife, Eva Braun, lived out the final weeks of their life before committing suicide and being cremated in a shallow pit. The thing is - maybe they didn't. Unfortunately, before the excavation can begin, Ashcroft is run down in a hit-and-run that would seem accidental - except the driver backed up and ran him over a second time. Armed only with the dentist's letter, her notes, and the determination to finish her father's book, Emily Ashcroft makes her own journey to Berlin. She is joined by a Russian museum curator, an American architect writing a book on Nazi and Third Reich architecture, and a Mossad agent, posing as a reporter. Together they uncover what may be the greatest hoax ever perpetrated - the faked death of the Father of the Third Reich, and the plan to bring the Nazi party back to power. Through harrowing adventures, steamy romance, impersonators, SS guards, and survivors they piece together the missing puzzle pieces of what really happened so long ago. The only question is - are they up to the challenge, and, as they begin to close in, can they survive it?

In this wonderfully fat omnibus, which seems to span the dimensions of the Empress of Blandings herself (the fattest pig in Shropshire and surely all England), the whole world of Blandings Castle is spread out for our delectation: the engagingly dotty Lord Emsworth and his enterprising brother Galahad, his terrifying sister Lady Constance, Beach the

butler (his voice 'like tawny port made audible'), James Wellbeloved, the gifted but not always sober pigman, and Lord Emsworth's secretary the Efficient Baxter, with gleaming spectacles, whose attempts to bring order to the Castle always end in disarray. Lurking in the wings is Sir Gregory Parsloe of Matchingham Hall, the neighbour with designs on the Prize which must surely belong to the Empress. As

Evelyn Waugh wrote, 'The gardens of Blandings Castle are that original garden from which we are all exiled.'
