The New York Times bestselling author of *The Splendor Before the Dark* reveals the untold story of Mary Magdalene—a disciple of Jesus Christ and the most mysterious woman in the Bible. Was Mary Magdalene a prostitute, a female divinity figure, a church leader, or all of those? Biblical references to her are tantalizingly brief, but we do know that she was the first person to whom the risen Christ appeared—and the one commissioned to tell others the good news, earning her the ancient honorific, "Apostle to the Apostles." Today, Mary continues to spark controversy, curiosity, and veneration. In a vivid re-creation of Mary Magdalene's life story, Margaret George convincingly captures this renowned woman's voice as she moves from girlhood to womanhood, becomes part of the circle of disciples, and comes to grips with the divine. While grounded in biblical scholarship and secular research, Mary, Called Magdalene ultimately transcends both history and fiction to become a "diary of a soul."

Emily Ashcroft and her father, Sir Harrison Ashcroft, have set out to write a definitive biography of Adolph Hitler. Before they can finalize their manuscript, however, a cryptic letter from a German dentist sends Sir Harrison off to attempt the excavation of the site of the Führerbunker, where Hitler and his wife, Eva Braun, lived out the final weeks of their life before committing suicide and being cremated in a shallow pit. The thing is – maybe they didn't. Unfortunately, before the excavation can begin, Ashcroft is run down in a hit-and-run that would seem accidental – except the driver backed up and ran him over a second time. Armed only with the dentist's letter, her notes, and the determination to finish her father's book, Emily Ashcroft makes her own journey to Berlin. She is joined by a Russian museum curator, an American architect writing a book on Nazi and Third Reich architecture, and a Mossad agent, posing as a reporter. Together they uncover what may be the greatest hoax ever perpetrated – the faked death of the Father of the Third Reich, and the plan to bring the Nazi party back to power. Through harrowing adventures, steamy romance, impersonators, SS guards, and survivors they piece together the missing puzzle pieces of what really happened so long ago. The only question is – are they up to the challenge, and, as they begin to close in, can they survive it?

Blandings is now a major BBC One show starring Jennifer Saunders and Timothy Spall. In this wonderfully fat omnibus, which seems to span the dimensions of the Empress of Blandings herself (the fattest pig in Shropshire and surely all England), the whole world of Blandings Castle is spread out for our delectation: the engagingly dotty Lord Emsworth and his enterprising brother Galahad, his terrifying sister Lady Constance, Beach the butler (his voice 'like tawny port made audible'), James Wellbeloved, the gifted but not always sober pigman, and Lord Emsworth's secretary the Efficient Baxter, with gleaming spectacles, whose attempts to bring order to the Castle always end in disarray. Lurking in the wings is Sir Gregory Parsloe-Parsloe of Matchingham Hall, the neighbour with designs on the Prize which must surely belong to the Empress. As Evelyn Waugh wrote, 'The gardens of Blandings Castle are that original garden from which we are all exiled.' This omnibus contains *Something Fresh*, *Summer Lightning* and three short stories.
